BIBLE QUESTIONS ANSWERED BY THE VOICE OF PROPHECY INTERNATIONAL BIBLE BROADCASTER

Question—Christ was the perfect man, but—
Answer—But that is not enough. He was and is the divine Son of God. (John 3:16.) In Hebrews 1:3 the Father calls His Son "God." "That our Lord and Saviour is more than a perfect man, is shown in Ephesians 3:9: "God, who created all things by Jesus Christ."

Q.—Wasn't Abraham a Jew?
A.—He is not so called in the Bible. Abraham's son was Isaac, and his son was Jacob. Jacob had twelve sons whose descendants were called the Children of Israel. (Jacob was also called "Israel." Genesis 32:28.) From Judah, one of Jacob's sons, came the name Jew, applied to anyone belonging to the tribe or kingdom of Judah. (2 Kings 16:6; 25:25.) Later the term was extended to include anyone of the Hebrew race who returned from the Captivity. Finally it comprehended all persons of that race throughout the world. (Esther 2:5; Matthew 2:2.)

Q.—Astronomy has proved that some of the stars are planets or worlds like ours. What are you going to do with the old Bible idea that this world is the only one?
A.—The Bible speaks of more than one world. Hebrews 1:12 says: "God... hath in these last days spoken unto us by His Son, whom He hath appointed heir of all things, by whom also He made the worlds." And, Hebrews 11:3: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear."

Q.—Christians say that we must be born again to become God's children, but Malachi 2:10 says: "Have we not ALL one father? hath not one God created us?"
A.—It is true that by creation all men are brothers. (Acts 17:26.) But spiritually, only those who are born again are the children of God. "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name: which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God." John 1:12, 13.
