These Great Truths

These great truths, my son, have come to us from ages past—a harvest of mankind's experience of happiness and sorrow. In them you will find guidance, hope and courage as you grow to manhood and face life's problems.

Not by accident have we inherited the writings of men who searched for and discovered the ways of God. Thousands gave their lives to establish and defend our right to possess these truths.

Life, my son, is like the games boys love! You learn to give and take. There are rules—and sometimes penalties. And when the game is over . . . you've either won or lost.

This Bible has been treasured for centuries, in Church and in home, because it contains the rules of life. Its great truths enable us to play the game and win! Read it carefully, son—and remember, through your life the Church will help you apply its truths.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.
