FEELING FINE, ENGINEER
GIVES RETONGA CREDIT

"After What It Did For Me I Am Recommending It To All My Friends," Declares Veteran Locomotive Man. Tells About His Own Case.
 Hundreds of railroad men are praising Retonga and among them the latest is Mr. E. B. McMillan, well-known retired locomotive engineer of the N. C. & St. L. Ry., who for 44 years ran between Nashville and Chattanooga.
 "After what Retonga did for me I am recommending it to all my friends," declares Mr. McMillan, who resides in the Watauga Apts., on Park Ave., Nashville, Tenn. "For about seven years I was subject to attacks of irregular bowels and after these attacks I felt so weakened that sometimes I could hardly navigate at all. My appetite went

back on me and what I did eat did not seem to digest properly. I felt fagged out, restless and out of sorts from head to foot. I spent lots of money on treatments and medicines but seemed to get nowhere.
 "Retonga gave me prompt relief after everything else I tried had failed. My appetite returned, food seems to agree with me and I sleep fine every night. I am always ready for a hearty breakfast now, another day with my friends up town. I feel better than in years, and Retonga deserves the credit."
 Why not try this famous medicine? Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Rosemary Dryg Co. —(Adv.)
