Nurses are greatly needed in North Carolina. The ratio in individual counties is as low as 1 to 30,000, with a state average of 1 to 9,800, half the accepted minimum standard.

North Carolina ranked forty-first among the states in aid to dependent children, in November, 1947. The state average payment per child was only half of the national average.

### Peck Manufacturing Co. Is Adding Extension

Warrenton — The Peck Manufacturing Company is having a 32-foot extension added to their mill here. The extension, which covers the full length of the present building, will be used to house a yarn conditioning unit and a new machine at a later date.

The construction is under the supervision of J. L. Smiley, local contractor.
