things which happen at a time when it is better to leave things as they are than it is to change them in a newspaper.

What happened is this: At the meeting Monday the commissioners passed a motion which increased the tax rate rate 25 cents, 17 cents going to the schools and 8 cents to the general county fund.

schools and 8 cents to the general county fund.

Tuesday about 10 a.m. the county auditor called to say that the tax rate increase would be divided 20 cents for the schools and five cents for the general county budget.

The editorial was already in

the paper and on the press and it would have been difficult to change it.

Herald Advertising pays-

A local merchant inserted an ad in Tuesday's Herald advertising picture frames. The same ad was to have been run on Thursday, but he called Wednesday morning about 10 a. m. and said that we'd have to take the ad out because he'd sold all of the picture frames. picture frames.

before spraying. Lancaster added that if proper ty owners do not want the en-tire house sprayed that they at least have the front and back porches DDT'd.

rooms to the jail with an escape proof cell in each.

jects and is supervising the work Loftis and Co. are the contractors. Cost for remodeling the jail and courthouse is estimated at \$100,000.

The chances for the birth of twins are one in 89, triplets one in 8,846 and quadruplets one in 599,921.

DDT house-to-house spraying of the city began this week, according to Ben Lancaster, supervisor of the Roanoke Rapids Mosquito Control Program.

The malaria mosquito spraying crew, which hopes to DDT every home in Roanoke Rapids within the next five to seven, weeks, is under the supervision of Henry White of the U. S. Public Health Service.

The Roasmary Mfg. Co., Roande Rapids drivers whose surnames begin with C or D have less than a week in which to take the new driver's test in compliance with the new Highway Safety Act, passed by the last legislature.

June 30 Deadline For C-D Drivers

houses in their respective vill.

ages. The city will be in charge of spraying all houses not on mill property.

The U. S. Public Health Service, which furnishes the DDT and does the spraying free of charge, urges that all homes in the city be sprayed in order to combact malaria mosquitoes, flie roaches, fleas, and all other sisease-spraying insects.

Directions Given

E. P. Davis, local driver's license examiner, reports that there are still many Roanoke Rapids C and D drivers who have not yet taken the exam Deadline for the test is next Wednesday, June 30. After that date, the law steps in—and any person whose last name begins with C or D, caught driving on an old license after that date will be guilty of a misdemeanor and will be fined not less than \$25.

Jine 30, in addition

the deadline for C and D driv-ers is also the deadline for the renewal of chauffeur's license.

Four Tests Given

ertaions were begun immediate-

Separate quarters have been provided for women prisoners and each of the rooms has a shower bath with hot and cold running water. Steam heat has been installed throughout the entire jail. An isolation room for the sick has also been added.

Under the same contract four additional rooms are being added to the Warren county courthouse. This work will be completed in July.

John Rowland, architect of Kinston, drew the plans for both projects and is supervising the work.
