Santa Maria Replica May Be Restored

CHICAGO (U.P.)—The replica of the Santa Maria built for the first Chicago world's fair in 1893 may be returned to its original condition, if \$300,000 can be found.

Rising costs make the repair job a greater cash outlay than that made by Isabella, Queen of Spain, when she financed Columbus to a whole fleet, of which the flagship was named the Santa Maria.

Vincent L. Knaus, grand knight of the Santa Maria council of the Knights of Columbus of South Chicago, is determined that the ship shall be saved. Knaus wants it to be a reminder of Columbus' discovery of America in 1492 and the world's fair of 1893.

Twins In Family For Four Generations

MEMPHIS, Tenn. (U.P.)—Twins run in the family of a pair of 81-year-old twins.

Mrs. Ruth Lee of Capleville, Tenn., and W. T. Watkins of Olive Branch, Miss., twins, celebrated their 81st birthday with a family picnic.

Mrs. Lee is a widow without children. But Watkins has 11 children. And among his offspring were a set of twins of his own, a set of twin grandchildren and a set of twin great-grandchildren.

Says Let There Be Light And There Was Light

LOGAN, O. (U.P.)—Prof. Homer P. Cotterman of Capital University was delivering the commencement address at Gibsonville high school when a storm knocked out the school's power system, throwing the auditorium into darkness.

Candles were found and Prof. Cotterman continued his address. Nearing the end of his talk Cotterman said, "Open the door and let the light come in."

The lights flashed on. Cotterman said later that never in his experience had one of his points been so aptly illustrated.

Jays Loose

Continued From Page 9) long fly ball that cleared the left field wall and hit the light pole to bound back into the playing field. The lightpole at that point is outside the ball park and May was given a home run.

That blow cleaned the bases, but the Jays weren't through. Jim Meyer drove a single to left. Andrus slammed a bouncer to the shortstop forcing Meyer. Johnny Pavlich rapped a double off the right centerfield fence and Andrus scampers in to score from first base. That was all for Mr. Currin and Dietrich came on the scene to be greeted by a single from Shurley Hammack's bat to score Pavlich. Pritchard, who had started it all, ended by grounding out.

In the third the Jays tallied three more when Bolick walked. Martin singled for the third straight time and Val Gonzalez tripled off the left centerfield wall. Herb May then drove in

his sixth run of the day by singling Gonzalez across. That made the tally 13 to 0.

Two Homers
Tarboro tallied two in their half of the fourth when Richards singled to right and scored a few minutes later when Big Jake Daniel slammed one over the rightfield fence.

Tommy Pritchard ran into a streak of wildness in the top of the fifth and that coupled with a couple of singles accounted for four more runs for the Tars. Their final counter came in the ninth when Richards hit the first pitch over the right field fence for a home run.

The Jay's infield pulled off three sparkling double plays during the ball game with Hammack starting two of them and Milt Bolick starting the other nad all three of them ending with Val Gonzalez.

The leading hitters for the Jays were Jim Meyer, who got four for five, and Pavlich, Martin, and Gonzalez, each getting three and Herb May who clouted that masterful grand slam homer.

The Tars' leaders at the wicket were Ricards and Marko. The line score:
Tarboro 000 240 001 7 11 3
Jays 463 000 02x 15 17 0
Currin, Dietrich and Marko; Pritchard and Pavlich.

Figure out your own electric bill!

You may call it a "light" bill, but lighting's only a part of it. Actually, it's a monthly pay roll for the many electric helpers that make life easier for you.

Have you ever wondered what these helpers cost you to run? Here's a little test to see how good a guesser you are. Put down what you think it costs you to operate each electric appliance for one day.
