LEXINGTON IS WINNER OVER SALISBURY HIGHS

Last Friday, Lexington Highs defeated Salisbury Highs on the gridiron here by the score of 14 to 6. This season's victory for Lexington is the first one in two years and Lexington High has right to be proud of the team, which accomplished this. The Orange and Blue outplayed Salisbury in every department of the game, except in the forward passing. Salisbury was able to make but one first down through Lexington's line, while Lexington's "Four Horsemen" Hutchins, Vestal, Chitty and Eanes ran wild through the Salisbury line and around the ends. Lexington's line played a steady game throughout and, led by Capt. Nat Hunt, held like a stone wall against the onslaught of the opposing eleven. There were few substitutions by either side. The game was cleanly played throughout and very few penalties were imposed on either side. There was a fairly large crowd at the game and the girls of our High School, by themselves, kept the cheering going.

Both Score Early

Lexington kicked off to begin the game and Salisbury was forced to return the kick. Vestal, Eanes and Hutchins made first down. Eanes got four more and Vestal 10 for another first down with goal to go. Chitty and Eanes carried the ball almost to the last line and Hutchins slipped over on a quarterback sneak. Eanes kicked placement for point.

Hutchins returned the kick-off 15 yards and Salisbury held, Eanes kicking. Salisbury found the local line too hard and kicked to Lexington's 20-yard line. Vestal

The Class of '26 Elects its Officers

At the beginning of school the Senior class met in room 8 and elected officers for the coming year. Principal Stokes stressed the importance of selecting good officers. He insisted that we should elect someone for president who was not only a leader, but a worker as well; one who could meet every task with a big heart and master it. The vice-president, secretary and treasurer likewise should have a big heart and a willing mind. The officers elected are as follows:

President, Joe Moffitt, Jr.; vice president, Foil Essick; secretary, Ruth McCarn; treasurer, Pauline Sink.

With this capable set of officers the Senior class looks forward to great achievements this year. Since this is our last year in Lexington High School we have to make a record far greater than former classes have made. We should make a record which will be an inspiration to the rising Senior class; one to which we can look back years hence with pride. We can do it! We have the material to work with. Our Seniors, both boys and girls, are as good and as capable of doing great things as the members of any former class have been. We have made a splendid record during the past three years. Will we keep it up? Will we meet the need of the hour? I answer, yes! We should attempt to make a far greater record this year than we have made in former years. In order to do this, two important things
