Our New Coaches Lexington High Bows To Barium

Lexington High School considers itself very fortunate in having been able to secure the services of two such fine coaches as Messrs. Tom Young and Joe Sink. Last year most of the students had a very pessimistic outlook on this year's athletic season since both Mr. Greason and Mr. Neese were to leave. However, conditions seemed brighter when we learned who the new coaches were to be. Coach Young is a Carolina graduate. He taught and coached for three years at Smithfield. Last year he trained one of Lexington's strongest opponents, Monroe. This year we believe he has trained, and is continuing to train, a football team that will win its fame on the gridiron. Young is most ably assisted by Coach Joe Sink who comes to Lexington High from Duke University, where for several years he played with the Varsity. Lexington High wishes to extend a hearty welcome to both coaches and to express their appreciation for what they are doing.

BAND BEGINS NEW YEAR

Under the direction of W. M. Jolly, the Lexington High School band has started the year with twenty-seven members. Their first appearance was in chapel the opening morning of school when they rendered several selections. Last Friday the band led the school parade and played during the football game. The music added much to the pep and it is possible that the band will accompany the team on some of the trips as well as playing for all the home games. A drive is now being made for new members and all who are interested are urged to join.

On Friday, September 29th, Lexington met defeat on the Barium Field at the hands of Barium Springs team. A very costly fumble by Bailey at the first of the game gave the ball to Barium on Lexington's 26 yard line. In two plays the ball was carried across for a touchdown, the only score. A placement kick having failed, the ball was kicked off again. During the remainder of the game, the ball went from one side to the other. At the end of the half, Lexington was on Barium's 5-yard line with third down and goal to go. Barium threatened again to score in the last quarter, but Lexington recovered the ball and the game ended with the final score: Lexington 0, Barium 6. Lexington surpassed Barium in first downs, having ten to the latter's four.
