

CHAPEL PROGRAMS FOR '33 AND '34

Ranking among the foremost of our activities this year is the splendid series of chapel programs. Most of the programs so far have been given by the Student Government Association which have been very interesting. Three very entertaining programs were the programs given by the Athletic Association, the talk by Mrs. Spruill and the reports on the Student Government Congress in Winston. Every year there are programs given by each room in the school and these are to be continued this year also. Miss Lindsay gave her program November first, which consisted of a very interesting play and two recitations and Miss Dorsett's program November third was on "What High School Means To Me" from the viewpoint of the business man, manual laborer, housekeeper, professional man, as a High School Senior and a High School Freshman. Miss Harmon's program on Education and Miss Griffin's program were the feature programs on Education week. Miss Spring's room is going to give a very humorous and entertaining program. Mr. McGregor's program is to be on "Why We Should Obtain an Education" (round table discussion). Miss Burgess' program will be on folk songs. Miss Walser is to have a Thanksgiving program. Mr. Walser is also to have a Thanksgiving program. Miss Apples and Miss Mitchell's program is to be on the history of Lexington High School and Messrs. Justice and Adkins' program is to be on the Importance of Scientific and Industrial education in Modern Industry. We are sure that all of these programs have proved and will prove highly beneficial and entertaining.

DID YOU KNOW THAT

1. Lakes make up one-twentieth of the entire area of Sweden?
2. Fish Hooks are used for money by the natives of Islands off the coast of Alaska?
3. The Gulf stream carries three thousand times as much as the Mississippi?
4. The music to "We won't come home till morning" was a favorite tune at the time of the Crusades and the crusades often made it sound through Jerusalem?
5. These things I have spoken unto you, that in me you might have peace. In the world ye shall have tribulations: but be of good cheer I have overcome the world.—Naught is had, all is spent where our desire is got without content.—Shakespeare.

Break, break break,

On thy cold gray stones, O sea;

But I bet you could break for forty years,

And not be as broke as me.

RAMBLING ALONG

The further the Lexington football team penetrates in its schedule the more momentum it gains. Winston-Salem, ancient rival goes down 19 to 6. Statesville 31 to 0. High Point, a class A high school with a record of the best was beaten 40 to 0. Hickory, the latest and hardest victim was outplayed 13 to 6. Lexington has steadily improved day after day as the games up to date show.

Outstanding players would be hard to pick as the line has played as one coordinated unit and the backfield has shown speed and power to the extent that it is as any ever before in the school. Bowers and Hinkle are the two, what you might say, outstanding men in the line. Bailey in the backfield has, to this writing, scored 72 points.

Such play by the Lexington squad has brought favorable comments from many sources. Lewis Evans, high school news reporter on the Charlotte staff, says that Lexington should rate class A. More power to you, Lexington.

TREASON

During the world war a certain man by the name of Doe secretly aided the Germans by giving them maps showing locations of the American forces.

He was arrested by the Military Police on a charge of **treason**, and sent to America for trial. The defendant was very sad on the trip home. He was put on **probation** aboard the ship.

Mr. Doe met a lawyer who told him if he was found guilty his **penalty** would be **Capital Punishment**.

When the boat landed Mr. Doe was released on One Hundred Thousand Dollar Bond.

At court the counsel gave good advice. After the judge gave advice as to the law the **jury** left the room. In the jury room the jury could not reach a decision therefore the sentence was indeterminate. The judge said another trial would take place the following day.

Mr. Doe was released on parole.

The next day the jury found the defendant not guilty and Mr. Doe was **acquitted**.

NEW CLUB TO BE ORGANIZED

(Continued From Page One)

matter will be made at an early date.

Miss Miller is to be the adviser and leader of this organization. The Girl Reserves are to have a special object, insignia, and code. Their slogan is "To face life squarely." Their purpose is "To find and give the best."

The work carried on by this club will benefit the school greatly, and the girls who are members are urged to do their best to make it a success.

Alumini Notes

At the University of North Carolina, James Daniels, Jack Bower and James Bingham have been pledged to the Phi Kappa Sigma Social Fraternity. Emery Raper and James Daniel are reporters on the Tar Heel daily staff. Emery and Jack are making their bid for the tennis team.

Mary Lipe, of Appalachian Training School, was a caller at school last week and reports that she is making an average of B.

Carey Cecil is still showing his football ability on the freshman team at Wake Forest. Carey has played in all of the games so far.

Bruce Smith and Tommie Hinkle are upholding their football reputation at Darlington School for Boys. Both are playing in the line. Recently the Atlanta Journal carried a picture and write up of Bruce.

Helen Phillips and Isobel Craven are maintaining their good records at Duke. Helen writes back telling the high school students to read more.

In listing the 1932 graduates who are attending school elsewhere, the name of Henry Miller was omitted. Henry is at Oak Ridge and likes the school fine.

STUDENT CONGRESS

(Continued From Page One)

The Winston-Salem High School student council entertained the delegates in a very hospitable manner and a successful congress was held. The program consisted of the discussion of the regular topic on Friday afternoon. A colorful banquet in the ballroom of the Robert E. Lee hotel Friday night, a football game afterwards and the continuance of the congress on Saturday morning. A very interesting debate was held over the following resolution which was finally adapted: The eighth Annual High School Student Congress will be held in Asheville in 1934.

SOCIAL EVENTS

One thing Hallowe'en gave us was a few parties. This year there were four or five parties with attendance ranging from Seniors on down. The first was given by Kat Black and was an apple, peanut, paper cap, grapes, hot chocolate and sandwich affair. Many Juniors and Seniors were present for this affair. Another party was given Friday night by Virginia Witherspoon and had a widespread attendance, ranging from Seniors to Freshmen. A jolly time was had by all and the Hallowe'en season went off with a bang.
