## LEXINGTON LOSES LAST GAME TO CONCORD

Concord struck twice in the second half, once after recovering a fumble from one of our men, and again after blocking a punt and recovering on the Lexington 12-yard line, and downed Lexington for the first time in many years, 14 to 7. The players on our team did very fine playing and led in first downs ten to four and were in the shadow of the goal about five yards, and finally dropped it as he fell. But we don't hold this against you Joe.

Again Lexington got in scoring position when Allen of Concord, who played safety, touched a long punt by Michael, and Horner and Huffman covered it up in the enemy territory. Hard line bucking by "Shoe" Carlton and Bill Myers punched the ball over, Carlton made the most sensational then Bill kicked the point. "Shoe" pass catch on a bullet toss from "Spud" Michael. "Doug" Horner, Joe Huffman, Carl Parks, Cecil Johnson and Ernest Osborne all had bright moments in the line play.

## BASKETBALL SEASON TO OPEN

Practice for boys basketball was began the Tuesday after Thanksgiving and has been going regularly ever since. Practically all prospects played last year and should make a championship team. The leaders for the season should be Everette Carlton, Henry Styers, Hulin Carlton, Russell Revelle, Bob McGinn, Clyde Carlton, Marshall Trantiam, Harry Lee Collins and "Fat" Price. No manager has yet been elected.

Girls basketball practice was began last Monday. Prospects are Lib Huffman, Faith Berrier, Ann Corn, Ann Green, Bernice Rush, Louise Kirby, Frances Peeler, Louise Earnhart and Bernice Rumley. Sis Clodfelter was elected manager for the team.

The final schedule for games has not been completed, so will be published later.

## ETIQUETTE

(By Etta Kett)

First to clear up the great, yet petit problem—the topic of introductions. Is the boy introduced to the girl or vice-versa? Once and for all, the boy is presented to the girl, thus: Miss Jones, may I present Mr. Brown? Remember, you Seniors, you might think you know everyone this year but next year it might be somewhat different, when you go far from home.

How for some questions! Check up on yourself and all who make perfect—stand up! (1) When a boy is walking beside two or more girls, where does he walk? Always, outside, regardless of the number of girls.

(2) Who speaks first, the boy or girl? Generally speaking, the girl does. (3) On which side does the boy sit while in a car? On the left side. The girl gets in first and sits on the right and the boy sits on the left. (4) Does the girl wait, while in a car, for her escort to open the door? By all means, yes.

(5) Does the boy push the car horn or the door bell? If a boy wants a girl he should go to the door and push the doorbell. A very silly thing to do is to sit in the car and blow the horn.

## ANNUAL FOOTBALL BANQUET HELD FRIDAY

One of the most outstanding social events of the school year, the football banquet, was held Friday evening at the American Legion Hut. Betsy Moffitt, sponsor, presided over the banquet. All stood and sang the welcome song after which Betsy gave the address of welcome to the players. Cliff DeLapp, captain of the team for 1937 gave the response. This was the first quarter, the program being arranged in the form of a football game.

Time out was taken. During this time a delicious turkey dinner was served.

The whistle blew for the second quarter. Louise Kirby then gave a toast to the co-captain, Bob White. Bob responded. E. H. Easter rendered the popular selection "Bob White," dedicated to Bob. As an encore he sang "Night and Day". The whistle blew for the half.

Gifts were presented to the coaches by Captain DeLapp. Mr. Andrews, our oratorical superintendent, was introduced by the toast mistress. He gave one of his well known after dinner speeches. Miss Moffitt then introduced our principal, Mr. Bullock who gave a very interesting address. Sis White gave a toast to our head coach, Tom Young, who responded graciously. Bob Eanes, former student of L. H. S. sang "Once in a While" and as an encore—"Sleepy Time Gal." Then Virginia Holmes Brinkley toasted Coach Tucker, who responded. bride-to-be, Miss Bernice Apple. She Marguerite Thomason then toasted the responded that she was glad to go but yet sorry to leave. A farewell song ended a most enjoyable banquet for a football team.

## TOAST TO MISS APPLE

I'm the most privileged one present tonight  
Because, for the last time  
I give a toast to a teacher  
Who soon leaves for another clime.  
You have heard of crab apple and horse apple  
And the "Big Apple" and all the rest,  
But anyone in L. H. S. will tell you  
That Bernice Apple is the best.  
She has led us and helped us and inspired us  
Both in seriousness and in fun,  
And although she has worked diligently,  
Her task was never done.  
We'll miss her terribly,  
But selfishness would be gross;  
So we give her up reluctantly,  
To live happily with her "Cross".
