JUDY GRAYSON IS "CITIZEN OF MONTH"

—BETTY McMILLAN

The Citizenship committee of the House of Representatives has chosen Judy Grayson, daughter of Mr. and Mrs. Robert E. Grayson to be the "Citizen of the Month" for April.

Judy has become well-known at school for her participation in many extra curricular activities. The Pep Club, Tri-Hi-Y, Beta Club, Latin Club, Science Club, and Future Teachers of America

are some of the groups to which she has given her time and effort. Judy has proven herself to be a very competent typist for the LEXICON as well.

As the seniors elected their officers, they chose Judy as the most poetic of their entire group—senior class poet. She was also chosen by her class to be the senior class representative to the Student Council. She has served on several committees throughout the year including the Career Day and the College Day committees.

Judy has long attended the First Baptist Church of which she is a member. She has always shown leadership and willingness to work in the activities of her church.

For her many fine qualities—her sincerity, friendliness, and dependability—the Citizenship Committee has chosen Judy as "Citizen of the Month" for April.

THREE STUDENT TEACHERS AT L.S.H.S.

—DORIS MORGAN

This spring L.S.H.S. has been fortunate to have three student teachers from Appalachian State Teachers College working with the faculty and students. They are Miss Dorothy Jackson, Miss Ruth Swicegood, and Mr. Bobby W. Brendell.

Miss Jackson, who is majoring in English and Library Science, is doing excellent practice-teaching under the guidance of Mrs. Dugan Aycock and Mrs. L. E. Berry, tenth and eleventh grade English teachers.

A welcome addition to the Library staff is Miss Ruth Swicegood, who is taking her degree in Library Science and certifying in English. Under the supervision of Mrs. Paul Sink, school librarian, Miss Swicegood will gradually assume the responsibilities of a full-time teacher by the last of May.

Practicing under Mr. Carroll Bowen and Mr. Bob Callicutt is the popular Bobby Brendell, who represents the athletic Department by majoring in Physical Education and Science.

After the banquet the juniors and seniors, their guests, the school board, the teachers and their wives and husbands, and the parents of the former class president will return to the beautifully decorated Country Club at 9:00 o'clock and dance till midnight to the music furnished by an outstanding orchestra.

Another highlight of the evening will be the taking of pictures in the beautiful decorated dreamland created by the junior class. Mr. Japhia Leonard will be the photographer again this year.
