NEW TEACHERS AT L.S.H.S.

NINE NEW TEACHERS JOIN LSHS FACULTY

—BETTY SINK

The LEXHIPEP would like to speak for everyone at LSHS in extending a hearty welcome to our nine new teachers.

Miss Allen R. Davis and Miss Patricia Ann Myers, both of Winston-Salem, are 1962 graduates of Wake Forest College. Miss Davis teaches history and Spanish; Miss Myers, Latin.

Miss Mary Ann Stallings, a graduate of Salem College, is from Smithfield, N. C. She teaches English.

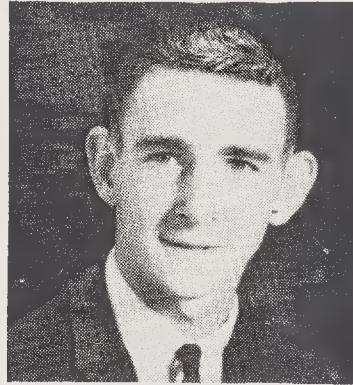

Mr. John F. Norman, Jr., of Mount Airy; Mr. Tommy R. Hinson, of Monroe; Miss Ophelia Hildreth, of Wadesboro; and Mr. Herman Middleton, of Kannapolis, are all graduates of Appalachian State Teachers College. Mr. Norman teaches science. Mr. Hinson taught last year in Concord at Winecoff High School and is now teaching mathematics. Miss Hildreth, who taught at Lee Edwards High School in Asheville, teaches English. Mr. Middleton teaches General Business and Business English.

Mr. Bobby Pope, a native of Lexington and an alumnus of LSHS, is the new teacher of art. He is a graduate of East Carolina and taught last year in Reynolds High in Winston-Salem.

Mrs. Glady's Roseman, of Salisbury, is a graduate of Catawba College. She taught at Davie County High School in Mocksville and teaches Spanish at Senior High.

Mr. Presnell Mull, formerly of Lexington, has returned to be Lexington High's head football coach. He comes to us from Catawba College. He is a graduate of ASTC and also teaches science. Lexington is proud to have Mr. Mull and his family with us again.

These people are valuable assets to the faculty of LSHS. Best of luck to the new teachers.

SPENCER CROWELL HONORED AS CITIZEN OF THE MONTH

—LARRIE YOUNG

The Citizenship Committee of the House of Representatives has selected Spencer Crowell as September's "Citizen of the Month." He is the son of Mr. and Mrs. Raymond S. Crowell of Mill Street. Spencer, primarily noted for his athletic ability and unique personality, is one of the most popular members of the Senior Class.

Sports are Spencer's main interests at LSHS, and his ability has been proven. He is a valuable member of the track, football, and basketball teams, playing the wingback position in football and guard in basketball. Spencer has memberships in the Mocksville and Pep Clubs. He was a member of the House of Representatives during his freshman year. He attends Paul's Chapel United Church of Christ.

Along with his friendliness and other outstanding qualities, Spencer is well-known for keeping everybody laughing. Last week, Spencer was chosen as a Senior Superlative. His classmates have labeled him as the "Wittiest" boy in the Class of '63.

The LEXHIPEP staff takes this opportunity to congratulate Spencer on receiving the high honor of being chosen "Citizen of the Month," and to wish him continued success and good luck in the future.

A much changed and greatly improved club schedule has resulted from the combined efforts of the Student Council, the Club Council, and Mr. Wike. As one year overtakes another, so do many new traditions overtake the old ones.

This year, as in the past, clubs will meet on Tuesday from 10:35 to 11:00. Each group will meet about once a month; called meetings will be held at 8:00 a. m. and 3:15 p. m. A student may belong to one club in each group. Also during club meeting period all other students will go to the gym. This year it has been found that a third group will be necessary and beneficial. It will consist of the National Honor Society, the Beta Club, and the Pep Club. Having this group simply means that a student may be a member of this group and also a member of the other two groups. All group three club meetings will be called meetings.

There are several new clubs which will be included in groups one and two. In group one there will be an Honorary Music Club or the Tri-N Club. Membership will be open only to those qualified in performance of music and by invitation only. It will be under the direction of Mr. Pittman.

Fishing Clubs One and Two will be a part of the hobby clubs. Membership has already been selected, but anyone seeking added information should contact Dr. Rhodes, the adviser.

New this year in group one is the Boys' Athletic Club. This club is for ninth grade athletes only. It will be almost a freshman Monogram Club for those freshmen who participate in athletics but do not letter. In group two will be a Boys' Intramural Club. It will consist of boys who do not participate in organized athletics and who are sophomores, juniors or seniors. The members of this club will be permitted to use the gym in the mornings before school, after school, and during lunch periods when the gym is not in use. A Girls' Intramural Club having the same purpose will also be formed.

All club presidents and advisors are urged to accept the maximum number of members possible. It is hoped that every student will join at least one club.

L.S.H.S. WELCOMES EXCHANGE STUDENT

—ELAINE YATES

This year L.S.H.S. is fortunate in having an exchange student from Germany, Peter Steinmueler.

Peter arrived in Lexington on August 9, where he is making his "American home" with Mr. and Mrs. Jaques L. Beck of West Side Drive.

Peter, who is now eighteen years old, was born in Detmold, Germany. His father is technical representative of a sewing machine plant and his mother is a housewife. He has two younger brothers, Bernd, sixteen years old, and a twelve years old, both students.

ued until the following Easter. His vacation came between July and the middle of August. He attended school at Ratsgymnasium, where he was in the twelfth grade. Among the courses he studied last year are German, Greek, Latin, mathematics, physics, chemistry, geography, history, civics, and art.

Since his arrival from Germany, Peter has had to accustom himself to numerous things. Among these are the differences in food, our schools, and the size of American cities. German towns differ from those of the United States in that they are smaller, but more densely populated. Also school hours are from only eight o'clock to twelve noon, and thirteen years are required for graduation.

Peter's plans for the future are to finish his last year of schooling and to serve the required one and a half years in the army. He is yet undecided, but believes he will then further his education at the university.

The LEXHIPEP staff, along with the entire school, wishes Peter the best of luck and much success during his year at Lexington Senior High.

JACKIE MYERS CROWNED MISS DAVIDSON COUNTY

—MARTHA HARDEE

Miss Jackie Myers, an LSHS senior, was crowned Miss Davidson County on September 20. For the first time the title of Miss Davidson County has been achieved by a Lexington High School representative.

Jackie was elected to represent LSHS by the juniors and seniors. Jackie's competition included representatives from six county schools and Thomasville High School. The parents of this popular senior are Mr. and Mrs. R. L. Myers of Sunrise Avenue.

HOMECOMING TILT

—MARTHA HARDEE

Excitement is already mounting over Lexington Senior High School's annual homecoming, set for October 19, 1962. Plans are now being made to make this a most outstanding, day-long event.

The homecoming activities will include the traditional homecoming festivities plus some new ideas. A big pep rally Thursday night will mark the beginning of homecoming. The success of LSHS's homecoming depends on the enthusiasm and school spirit of each student; everyone should come to the pep rally Thursday night and the one at school Friday morning to encourage our team. The Homecoming Queen will be officially crowned by the tri-captains at the Friday pep

rally. Everyone will be dismissed after this rally to prepare for the homecoming parade. The parade will consist of the homecoming queen, the club and class sponsors, our band, and many interesting floats. The highlight of the festival will be the presentation of the Homecoming Queen and the sponsors during the halftime of the game with Greensboro. After the game there will be a big open house at the Y.

The present plans call for this homecoming to be the biggest and the best ever had at Lexington Senior High School. Everyone bring his school spirit to the pep rallies, the parade, and the game to do his part in fulfilling the homecoming plans.
