## CHRISTMAS WISHES

IF YOU HAD THE OPPORTUNITY TO RECEIVE ANYTHING IN THE WORLD YOU WANTED FOR CHRISTMAS, WHAT ONE THING WOULD YOU ASK FOR?

Here are the wishes of some Brevard Plant employees . . . . .

BETTE BATSON (Accounting) — "A real good Christmas for the rest of my family."

BOB DELWICHE (Process Control) — "A new E. E. Column."

TOMMY SMITH (Grounds) — "A 21-inch color TV."

MARGE SOUTHER (IDP) — "Peace in the world."

CLARENCE SUMMEY (Control Maintenance) — "An understanding of all human beings because there's none of us that understand each other the way we should."

JIM PHILLIPS (General Maintenance) — "I believe I'd ask Santa Claus for \$177,000. This would pay off the cost of a new educational building at our church."

KEN WILSON (Finishing) — "Just a million dollars would do, I guess."

JIM CORN (Power) — "Just a safe, happy, healthy Christian family."
