

"High Life"  
1921-1922  
Vol 1-19

**NEW FEE SYSTEM  
BEGUN IN ATH-  
LETIC ASSOCIATION**

The G. H. S. Athletic Association for 1921-22 was started off with a rush on September 26 with 634 charter members. The membership is expected to increase to the seven hundred mark within the next week or so. This will make the average for the school around 87 per cent.

This unusually large membership may be accounted for by the dues system which was recently adapted. The system is as follows: Instead of paying a 50c initial fee for membership as was required in previous years, 5c is due each week throughout the school year. Tickets to all athletic events are issued to those who have paid their dues in full.

By this system both the association treasury and the members profit, for the association will take in around \$1,000, an amount more than that taken in last year, and each member will see a game for 5c instead of 25 as in previous years.

For the first two weeks \$96.30 was taken in, many having paid ahead a week or so, and a few for the whole year. The Senior room 106 led in amount turned in, being accredited with \$13.50, but it did not have 100 per cent. membership. The association is especially proud of rooms 107, 201, 208, 5B, and 8B, who are 100 per cent. association members.

The new officers for the association are:  
Neal Jones ..... President  
Katherine Gregory ..... Vice-President  
Jeff Fordham ..... Treasurer  
Grey Fetter ..... Asst. Treasurer  
James Wilkins ..... Secretary  
Robert Irvin ..... Asst. Secretary

**PHYSICAL CULTURE MADE  
REGULAR SCHOOL COURSE**

Physical Culture, a course heartily recommended by the State Board of Education, has been installed in the High School for the first time this year. The course is under the supervision of Coach Harry A. Rabenhorst for the boys, and Miss Detwiler for the girls, and is a part of the County Playground Movement.

Mr. Park, in charge of the playground work in the whole county, laid the foundation for such a course this summer. Mr. Rabenhorst, a specialist in the playground education, has taken over the High School end of the work.

Every pupil in the High School is required to take this work twice each week during chapel periods.

The exercises are carried on in the rear of Spring Street School. Several classes are given each day by both the directors of the boys and girls athletics.

**HIS BOOKMARK**

"How far have you studied, Johnny?" inquired the teacher.

"Just as far as the book is dirty, ma'am."

**EIGHT LETTER  
MEN RETURN  
TO SHOOL**

Squad Trained at Camp Hicone for Two Weeks Before School Began Practically New Backfield

After two weeks training at Camp Hicone and four weeks hard practice at the local field the runners up of the scholastic Western Championship of North Carolina last year have taken the first and second games of the 1921 season.

The men are working hard. Coach Rabenhorst and assistant coaches Al Purington and Charlie Phillips see to that. It looks good for the state championship to be played at Chapel Hill this year.

Last year the team played nine games, winning six of them. They were defeated in the game for the Western Supremacy of North Carolina in foot-ball by Monroe by a score of 2 to 0.

The loss of Fordham, Grimsley, Hendrix Moss and Ballard, all star players last year, will be felt. The majority, however, of last years first string men are back. "Jodie" Transou who made all-state tackle last year is back, a tower of strength in the line, this year. "Willie" Green who played creditably in several games for the past season is holding down left guard. George Taylor, all state second team man, and Greensboro's fighting captain, now holds down the center of the line. Next to Captain Taylor on right guard will be found "varsity" Forsythe, who held down that position last year, while "Bunnie" Barker is playing his usual good game at right tackle. Henderson and Hinkle, both experienced men, are on ends. Henderson is fast, a deadly tackler and good on forward passes, while Hinkle is noted for his clipping ability.

In the backfield, Paul Transou, is back at quarter, playing a better game than ever. Garland Daniel, who last year played center, is now holding down "Christie" Fordham's place at full back. He shows a great deal of drive and speed. Andy Bell, last year sub half is now running

**LILLIAN KILLINGS-  
WORTH APPOINTED  
DEAN OF GIRLS**

Miss Lillian Killingsworth, head of the English Department, has been appointed first dean of girls in the Greensboro High School. The need of such an advisor has long been felt by the students of the institution and the appointment of Miss Killingsworth to this position has received the unanimous approval of the G. H. S. girls. Miss Killingsworth has been associated with the school for three years and during that time she has won the hearts of her "little sisters" by her sympathy and interest in the affairs of young women. Besides her duties as dean of girls, Miss Killingsworth has been appointed, this year, to the head of the English Department.

**GREENSBORO BATTLES  
OLD RIVAL TOMORROW**

Greensboro goes to Winston-Salem tomorrow to meet her ancient rival on her home ground. The game will be a hard fought one as Winston has always turned out a well trained, fighting squad; and the squad this year is no exception to the rule, Winston having already defeated Oak Ridge 7 to 0. Greensboro has also turned out a team which is in no way inferior to past production. In the two games which she has played her opponents were defeated with heavy loss. Guilford College Scrub team being defeated 34 to 6 and D. M. I. 26 to 0.

first half. He shows great lunging power. Jones at half is the only man on the team who has not had some foot-ball experience, but he shows promise of developing into a good back.

Others who are showing up well are: Swift and Sellers, who played ends in the Guilford game. They keep the regulars moving to hold the end positions. Block works well at center. Fordham, Cole, Williams and Baxter, the sub-backfield, all showed up well in the Guilford game.

**GREENSBORO WINS  
TWO STRAIGHT PIGSKIN  
GRIDIRON GAMES**

Guilford Scrubs and D. M. I. Defeated by Coach Rabenborst's Warriors

D. M. I.

The G. H. S. football warriors gained plentiful revenge for their last year's defeat at the hands of D. M. I., when they smashed the visitors line and swept their ends for a 26 to 0 victory last Saturday, at Cone Park. Coach Rabenhorst's men outplayed the visitors throughout the game and would have scored at least once more had it not been for offside penalties.

The game was won mainly by straight football. Greensboro tried only one forward pass and completed it. Danville tried her "spread formation" which carried her to victory last year, but with very little success. With Daniel, Bell, and Transou, running so strongly in the backfield and the line outplayed its opponents, there was no need of anything else. Greensboro showed such a strong defense that Danville did not make a first down until the third quarter. Many times it threw the runner for a loss.

Danville showed more strength in fourth quarter, making repeated gains over the Greensboro line. A fumble gave them the ball on Greensboro's 15 yard line, but Greensboro's defense stiffened and they were unable to carry it over. This was the only time Greensboro's goal was threatened.

The greatest thrill of the game came in the first quarter, when Bell, Greensboro's left half, received a punt and ran 50 yds. through the opposing team for a touchdown. His teammates ran him good interperence and his own speed carried him out of the reach of most of the tacklers.

The game started with Greensboro kicking off to Danville. Greensboro held Danville for downs and Danville punted. Then Greensboro ran a series of line bucks all the backfield making steady gains until the ball was on Danville's goal. Danville carried it over for the first touchdown in a delayed buck. Bell's long run and Danville's kick for goal gave Greensboro a 13 to 0 lead.

In the second quarter neither side scored. Greensboro's chances for a score looked good several times but penalties spoiled them.

At the beginning of the second half Greensboro came out as strong as ever and scored again. Danville received the ball in the center of the field, broke loose and scored again. Daniel received the ball over for a touchdown on the same delayed luck that netted the first score. The final touchdown was made in this quarter. Greensboro blocked a punt near Danville's goal. Then by a series of line bucks she carried the ball over. Danville showed some good defensive work here and it was
