

**FACULTY SKIPS PLAYFULLY
AROUND TWINKLING STARS
IN A MIGHTY STRUGGLE**

(Continued from Page 1)

eleventh hour conference it was decided that the youngster was too frail and altogether too inexperienced to start the game. It was a very generous decision on the part of the coaches, for it would have been very pitiful to have sacrificed such a young and promising lad on the altar of such naughty sport. He was allowed to referee on condition that he would not get near enough the play to be jostled by the rude boys. This he promised and did.

After the play started the fans were not permitted to see any of the game on account of the great clouds of dust that were raised by the players. It was learned later that the score at the end of the game stood 6 to 0 in favor of the humidified oxygen slingers. Impartial spectators expressed the opinion that the success of the faculty lay in the fact that Quarterback Giles called the Ford and Franklin Coupe signals very frequently. Being an ardent disciple of mental telepathy and "Power of Inspiration", nothing could stop him when these signals were called.

Bill and Max, After Game,

Begin Their Long Stroll?

Some of the Greensboro Highs were wondering last night just when Bill Ogburn and Max Barnhardt, who attended the game in High Point yesterday, would reach home. It seems that Bill and Max waxed enthusiastic over Greensboro's chances to win. In fact so "pepped up" and confident were they that they declared they would "walk home if Greensboro lost." Well, Greensboro lost and Bill and Max are supposed to be on "their way."

**CHARLOTTE SUCCUMBS TO
FAST GREENSBORO TEAM
IN CHAMPIONSHIP GAME**

(Continued from Page 1)

Greensboro had the ball on Charlotte's territory again. Daniel carried it over with ease on the next play. He kicked goal. Then Charlotte resorted to her aerial attack. One long pass brought her to Greensboro's 44-yd. line, another was incomplete and still another was intercepted by P. Transou. The team made one 1st down and then the ball was snapped back for the next play; while the ball was still in the air the whistle blew but the play had to be completed so P. Transou broke through the line and dashed 65 yards for the final touchdown, the prettiest play of the day. Daniel kicked goal.
