

**STATISTICS OF THE SCHOOL
WILL BE TAKEN
THURSDAY**

Considerable interest is being taken by the students in the coming election of those students in the school that possess individual characteristics. The election is to be held as any others are held in the city.

Tuesday, Jan. 17, is set aside for registration day. The school has been divided up into 4 precincts: Freshmen, Sophomores, Juniors and Seniors. Two registrars have been appointed from each precinct. The Freshmen are to register upstairs in annex B. Sophomores are to register upstairs in the main building; The Juniors are to register in the Main building at the foot of the boy's stairs and the Seniors are to register in the main building at the foot of the girl's stairs. The registration hours are from 8:30 to 4:00 o'clock and those not registering in that period will positively not be allowed to vote.

Thursday, Jan. 19, is the day for voting. A ballot will be given each student by the registrar who will check off the student's name. The student can vote for any one they choose in the whole school. The student receiving the most votes for his characteristic will be the one elected.

**DEBATING CLUB STAGED BIG
DEBATE LAST TUESDAY
NIGHT**

The Debating Club of the Greensboro High School met in the Library of the Institution Tuesday night Jan. 10. The business was taken up first, discussion being made on the triangular debate and the subject of picture taking. Plans were discussed for the making funds for the purpose of taking pictures. Judges were decided on for the triangular debate and also other things pertaining to that event. After this there was a debate. The query was: "Resolved that all war debts of 1914 to 1918 should be cancelled." Nellie Irvin and Katherine Grantham argued for the affirmative while Robert Irvin and Hubert Rawlins represented the negative side of the question. The debate was well argued on both sides. The affirmative took up the question from an economic and moral standpoint laying more stress on the moral side of the question. The negative argued it entirely economically. After the Debate Mr. Chas. Phillips gave us a talk which was very instructive. The program committee is planning to have Mr. Lindeman talk to the Debating Club at the next regular meeting.

Owing to examinations the next meeting will be held on the following Friday instead of Tuesday. Judges for the Debate: Miss Baker, Mr. Philips and Edwin Hale.

—The Yankees will build in New York the world's largest baseball stadium. It will have three decks, seating 8,000 persons.

**HON. JOSEPHUS DANIELS AD-
DRESSES STUDENT BODY**

Friday the sixth of January the news was spread abroad that Josephus Daniels was to speak in chapel. After the school had filed in Mr. Phillips announced that we were very fortunate in getting a very distinguished man to speak to us. Then amidst great applause Mr. Archer, Mr. Daniels and Mr. A. M. Scales marched in. Mr. Archer stated that Honorable A. M. Scales would introduce the speaker. Mr. Scales said that when President Wilson appointed Mr. Josephus Daniels as Secretary of the Navy there was much talk about a country editor's being appointed Secretary of the Navy but that he proved to be the greatest Secretary of the Navy that we have ever had. Mr. Daniels then delivered a very enjoyable speech on "Flashes." He said that we should not underestimate ourselves, not to be vain but just to give ourselves credit for our true worth. He told of an interview of his with Mr. Carnegie in which he asked Mr. Carnegie to what he attributed his success. Mr. Carnegie's answer was "Flashes." He meant by that that he always followed his early morning dreams. He said that each one of us had these dreams and for us not to be afraid to follow them. That the world was only the result of somebody's dreams. He said that Mr. Wilson had the great dream of world peace and that at the Peace Conference he followed this dream.

CLASS RINGS EXPECTED

The senior class rings which were ordered in the fall are expected to arrive any day soon. This year the senior class with the support of the junior class have adopted a standard ring. Up until the present time the different graduating classes have chosen their individual rings which put them to a great expense every year. Now the expense in the following years won't be as great; since the pattern has already been determined upon. The ring is especially designed for us and is very appropriate and pretty.

**VIOLETS CHEER TEACHERS'
NEW YEAR**

Each of the High School teachers, on their return to the High School Monday morning, received from Miss Baker a very unusual and attractive New Year's wish in a bunch of violets, grown in the sunny, sheltered region of her home in the Carolina foot hills. The freshness of them brightened a day otherwise chill (the furnace wasn't working) the fragrance went straight to our hearts and will linger, while the ribbons bind us in closer cooperation and fellowship.

—During the past year 625 persons were killed by automobiles in Chicago.
