G. H. S. MEANS TO WIN CAROLINA TRACK MEET

Thirteen students have gone to Chapel Hill with Coach A. L. Purrington as representatives of the Greensboro high school in the tenth annual interscholastic track meet to be held there tomorrow under the auspices of the bureau of extension of the University of Carolina.

The local track team will be composed of Williams, Wilkins, Cagle, Bell, Daniel, Thomas, Barker, Harrison, Koenig, Lashley (captain), Everett, Newell and McIntosh. This team won second honors at Guilford college recently, being defeated by the Burlington cinder path runners. Coach Purrington stated that the boys have been practicing hard for the Chapel Hill events and is positive that his lads will break some of the state records.

The field events will be held on Friday morning while the track events will take place in the afternoon. The school team winning the greater number of points will be awarded a cup and the winners of first and second places in each event will be awarded medals. The relay race will not count for points in the track meet, the winners of this event being given a separate cup.

The 220-yard dash and the javelin throw are innovations in the meet this year. The local relay team will be made up of Williams, Cagle, Everett and Wilkins. Daniels, the star field man of the Greensboro team will be entered in the javelin throw, discus, shot put and high jump. He holds the state scholastic record for hurling the discus 105 feet. Bell, who holds the state school record for the mile run, will be entered in this event and probably in the half-mile. In addition to taking part in the relay, Wilkins will compete in the 220-yard run. Cagle will be entered in the relay and hurdles, Thomas, quarter-mile; Barker, shot put; Harrison, broad jump; Koenig, quarter-mile; Lashley, 100-yard dash; Newell, half-mile; McIntosh, javelin and shot put.

Coach Purrington will put his haps through final training this morning on the athletic field at the University.

Harold Seburn, James Wilkson and Nelson Myers, will represent the local high school in the seventh annual inter-scholastic tennis tournament. A cup will be awarded to the team winning the singles matches and also one for the doubles matches.

COACH PHILLIPS SAYS FUTURE FOR BASEBALL TEAM IS BRIGHT

Although the baseball team has won only 3 out of the 10 games played, Coach Phillips has confidence in his team's ability to play a better brand of ball. This was shown by the overwhelming victory of G. H. S. over Mebane High School, the last of the eight games. The tennis progress has been hindered by lack of practice due to the inclemency of the weather.

Around the veteran infield and pitching staff Coach Phillips has built up his team.

At the first sack we find Bell and Taylor, both veterans; giving each other a hot race with Bell the most probable. Bell is also available for receiving the "apple" behind the lot.

Captain Green is playing a spectacular game at the keystone sack, covering his territory in fine style. "Willie" is the dread of all pitchers, slamming the agate for doubles and triples and running his batting average well above the 500 mark.

A short stop is found in Williams who, with his fast footwork, covers his large territory with ease. "Knot" is the "king of two baggers."

Cavorting around the "hot corner" is found Joe Britton, scooping up the ball with great skill and pegging to first with deadly accuracy. When a sacrifice is needed, Joe is always called on.

Behind the bat was found "Tink" (Horace) Lambert, who does the greater part of the receiving. "Tink" weilds a wicked willow.

Prancing around the outer garden are, Swift, Adams and Black. In Swift is found a promising pitcher, who has all grades of stuff on the "pill." Adams pulls down the flies that come his way in a manner that looks good for any seasoned veteran. "Judge" is walked about every time he gets up to bat. Block holds down left field and is on the job every minute. He is also available for the infield, being an infielder of good ability.

The pitching staff is composed mostly of veterans. Oden, Cooper and Lanier were on the staff last year and each is showing great stuff so far. Oden is a portsider while Cooper and Lanier are both right-handers. Cooper has a fast ball that fairly smokes and a back-breaking drop. Oden and Lanier have an assortment of curves, drops and fast balls that would do credit to a big league pitcher. Beside these veterans Jeff Fordham and Brat Swift are showing up well on the hillock, Jeff is a south-paw and Swift a right hander. As utility outfielders are found Blackwood Wrenn and Barnhardt.

Coach Phillips is confident that the team hit it's stride in the game with Mebane and will win the majority of the games yet to be played.

GIRLS' BASE BALL.

There is much enthusiasm over the girls' base ball and they have been doing some good work. A large number of girls have been going out for this sport and G. H. S. is going to have a fine girls' team. There are four teams, Freshmen, Sophomores, Juniors and Seniors. Each team is under the supervision of a teacher. Miss C. Stout has charge of the Freshmen, Miss F. Stout the Sophomores, Miss Fry, the Juniors and Miss Detwiler the Seniors.

They practice every day of the week, when the weather permits, at Hick's field or the warehouse.

With the enthusiasm that has been shown this year, there will be a team produced that G. H. S. will be proud of.

CHARACTER IS POWER

We instinctively believe in character. We admire people who stand for something, who are centered in truth and honesty. Character as capital is very much underestimated by a great number of young people. They seem to put more emphasis upon smartness, shrewdness, long-headedness, cunning influence, a pull than upon honesty and integrity of character. Yet why do scores of concerns pay enormous sums for the use of the name of the man who, perhaps, has been dead for half a century or more? It is because there is character in it; because it stands for something; because it represents reliability and square dealing.

A name is worth everything until it is questioned. But when suspicion clings to it, it is worth nothing. There is no policy in all the world, to say nothing of the right or wrong of it, that compares with honesty and square dealing.

No substitute has ever yet been discovered for honesty. Multitudes have gone to the wall trying to find one. Our prisons are full of people who attempted to substitute something else for it.

No man can really believe in himself when he is occupying a false position. The consciousness of not being what others think him to be, robs a man of power, and destroys self-respect and self-confidence. Has life become so cheap that mortals thus throw it away?

It is the ideal that determines the direction of life. What a grand sight, what an inspiration, are those men who sacrifice the dollar to the ideal! Every man ought to feel that there is something in him that bribery cannot touch, that influence cannot buy; something that is not for sale.

In spite of, or because of, all the crookedness and dishonesty that is being uncovered, of all the scoundrels that are being unmasked, integrity is the biggest word in the business world today. There never was a time in all history when it was so big, and it is growing bigger. There never was a time when character meant so much everywhere as it does today. This proves that there are men who choose honesty as a soul companion. They embody it in their actions and lives. Their words speak it. They live in it, with it, by it. Their hands are true to it.

We seldom see much change in people after they get to be twenty-five or thirty years of age, except in going further in the way they have started. But it is a great comfort to think that, when one is young, it is almost as easy to acquire a good habit as a bad one. Take good care of the first twenty years of your life and you may hope that the last twenty will take good care of you.

Make sobriety a habit, and intemperance will be hateful. Make prudence a habit, and reckless profligacy will be as contrary as the most atrocious crimes are to any of us. We sow an act, we reap a habit; we sow a habit, we reap a character.

How shall I a habit break?
As you did that habit make.
As you yielded, now refuse.
Thread by thread the strands we twist,

Till they bind, us neck and wrist.
Thread by thread the patient hand
Must untwine, ere free we stand.
As we builded, stone by stone;
We must toil unhelpful, alone,
Till the wall is overthrown.

—Ethel Kee

Two Juniors were overheard evidently trying to decide what to do.

First Junior—"What shall we do tonight?"

Second Junior—"I don't know. Let's toss for it."

First Junior—"All right. If it's heads we go to the theater, if it's tails we go to the dance, but if it stands on end—we study."

Tommy's uncle asked him the name of May's new beau.

"I call him April Showers," replied Tommy.

Why do you give him such a ridiculous name?

"Because he brings May flowers," explained Tommy.

TWO SOPHS WIN OUT IN DECLAMATION CONTEST

In the preliminaries of the declamation contest held in the school recently, two sophomores were declared winners.

Charles Lipscomb, went to Wake Forest and William Neal to Guilford. These boys had excellent declamations and a very good chance for winning.

Charles went to Wake Forest on March 16. He had a lovely trip which lasted two days. Although he was not one of those lucky ones to be called a winner, he did fine and we are all proud of him.

William went to Guilford Saturday morning, April 1. The contest started at 9:00 o'clock and William was one of the four boys to be chosen for the finals which were held that night. It was a close fight and Bill also did excellently. He was not the winner but he was a good loser. He said he had never enjoyed a day so much in all his life.

The sophomore class is very proud of these boys and know that they will go into the contest next year and bring back to G. H. S. all the medals, cups, etc. that they can carry.
