

WINSTON'S VETERAN TEAM ROMPS ON G.H.S.

Score 41-0

After starting on the first quarter with a rush, and getting a first down within the first two or three minutes of play, the local highs were then checked by the more experienced players of Winston high, and afterward the score was run up to 41 to 0. They made this score through line plunges, end runs, and forward passes, which they executed with the ease that was born of experience.

As we expected, the local highs were badly handicapped on account of injuries, and then as the game progressed, more of Coach MacFadden's charges had to be taken out on account of injuries.

Norman Stone suffered a fractured ankle after he had been in the game only about five minutes, in which time he had displayed some football. Oscar Wrenn, Penn McIntosh, Earl Sellars, Fred Burroughs, Charlie Harrison, Norman Block and Ulton Hodgin all suffered minor injuries and had to be substituted for. Bobby Wilkins, Willie Green, and Buster Swift were the chief ground gainers for Greensboro. McIntosh and Sellars also played a good game. In fact, the whole team displayed a good game of football, but were outclassed by Winston. Nevertheless, G. H. Over the Teacups

The members of the Girls' Council were the guests of Miss Lillian Killingsworth, Dean of girls, at a charming tea given Thursday afternoon, September 28, in the High School cafeteria.

While tea and wafers were being served, reports from various committees, appointed at a previous meeting, were heard. These committees with their chairmen are as follows: building, Margaret Patterson; towel and basement, Mary Strader; social, Nancy Little; needle and thread, Alice Thompson; bulletin board, Elizabeth Hodgins.

The building committee submitted a plan whereby the buildings and grounds of the high school might be kept clean. This was to have one person appointed in each room to keep that room clean and to be responsible to a committee selected from that class. Then each class might, in turn, look after the grounds for one week, seeing to it that no waste paper be allowed to lie on the ground.

Miss Killingsworth asked the girls to make a plea in their session rooms for the girls who use needle and thread in the basement to please leave the needle and thread there, as the next girl may need it as badly as the first one who took it away. She also asked the girls to mention the behavior in the cafeteria and beg others to act as they would in their own dining room by using correct table manners.

The social committee gave a very interesting report. It has been decided by this committee that each class may have one party and only one a year (not including the Junior-Senior reception); that each class may have as many picnics as the teachers of that class think advisable. These same rules apply to session rooms in regard to parties and picnics (each session room being allowed to have one party a year, etc.). It was decided that all parties must end promptly at 11 p. m., after having been properly chaperoned by chaperones chosen by the group giving the

party. All school parties must be held in the school or at the Y. W. C. A. hut. Of course this does not apply to parties given to a class or session room by a member of that class in his or her own home. The social committee will be responsible for entertaining visiting teams. At such parties each member of the team will invite a girl friend or two; in this way there will be smaller groups.

Other problems of interest to high school girls were discussed. Carlotta Johnson was appointed chairman of the Girls' Council by Miss Killingsworth. After a delightful hour, the meeting adjourned.

Tennis Team Wins

October 6th, Greensboro High School tennis team won from Guilford College tennis team, on the college courts, four matches to one. Bill Scott, Tommy King, Earl Barger, H. T. Lefler, Clement Penn and Jack Causey all won doubles matches and Clarence Scott also took a singles match. Benbow Merrimon, the Guilford captain, outplayed Frank Stone of Greensboro. This was Greensboro's first appearance upon the courts, so we are very proud of the showing they made. If the tennis team continues as brilliantly as they have started, Greensboro has a fine chance of winning the state championship.

G. A. A. at Work

The Girls' Athletic Association has already begun to operate. Last year the association was provided with the following officers for this year: president, Carlotta Johnson; secretary, Flax McAlister. This was done to

make the beginning of this year's work easier.

The association met about two weeks ago for the president to appoint a nominating committee to nominate two girls for each of the following offices: vice-president, treasurer and press reporter.

Miss Morrow will be the faculty head of all girls' activities. She will be aided by Mrs. Parks who will have charge of physical culture.

All the girls' sports as volley ball, basketball, tennis, track, etc., will come under the Athletic Association. Every girl who has 50 points is an active member of the association.

At a later meeting of the association the following officers were elected: vice-president, Helen Clapp, treasurer, tie between Isabel Cone and Lucile Boone; press reporter, Margaret Patterson. The tie for treasurer will be decided later.

No finer set of officers can be had and under such a leadership we can make a bigger, better association. Come on, girls, let's do it!

G. H. S. Plays Oak Ridge.
