PURPLE WHIRLWIND DEFEATED BY CHARLOTTE HIGH GRIDMEN

Charlotte Gets Big Lead in First Quarter—McNinch and Watson Are Stars.

On Saturday, October 25, on the local football field, the Purple Whirlwind went down in defeat before the fast and heavy Charlotte High School team by a score of 24 to 0.

Charlotte made a large score in the opening quarter when Sam McNinch booted the leather from the 17-yard line through the goal posts for a placement. The Charlotte backs, led by the rushing fullback, Foard, carried the ball down the gridiron for five first downs, and McNinch kicked after Greensboro's line tightened. There was an exchange of punts and a fumble made by Foard. Williams' pass was broken up on the 50-yard line by Schwarz who tore off to Greensboro's 19-yard line before the Whirlwind could check him. By an off-kick McNinch gained 10 yards and on the third play rushed the pigskin across the line.

The second period was opened by Williams punting to Charlotte's 20-yard line. Suttle returned by kicking to Greensboro's 25-yard line. Williams punted out on the 50-yard line and Devant intercepted a pass on Charlotte's first play and ran to Charlotte's 30-yard line. Shelton then romped off 20 yards around left end and Charlotte's line held fast. Taking the leather over on the 20-yard line, Queen City backs, aided by a 25-yard penalty and by Suttle's long run for 30 yards, scored again. An extra point was added when McNinch booted the ball between the goal posts.

The Purple Whirlwind began to show good form in the second quarter. Watson, playing for locals in position of backfield, was able on many occasions to stop the rushes of the Charlotte eleven by his great defensive work. The first half ended with the leather in Charlotte's possession with 30 yards to go. The Queen City registered eleven first downs in the first half.

The visitors who had shown great strength in the first half were unable to make gains against the locals, who held a solid line. Charlotte was not able to score during the third period and gained only two first downs. On the first kick-off the most spectacular run of the game was registered by Landis, halfback for Charlotte who caught the ball on the 20-yard line and advanced to the 50-yard line after dodging and throwing off all Greensboro tackles.

Watson, Shelton and Goodwin starred for G. H. S., while Foard, Suttle, McNinch and Schwartz were the high lights for Charlotte.

JUNIOR PURPLE WHIRLWINDS SMASH TWINS' SECONDS

B. Horney, A. Clements and J. Caudle Make Touch Downs—Score 19-0.

The scrub team of Greensboro High met the second team of the Twin City gridirons Friday, October 31, in an easy victory of 19-0. In the first quarter B. Horney gave courage to the Junior Purple Whirlwinds by dashing down the field for a touchdown. Six points totaled the score of the first quarter, since G. H. S. failed to kick.

Adam Clement added six more points to the score in the second quarter by a clever get-away with the ball for an unexpected touchdown. The kick summed a total of seven points for the second quarter.

A clever pass from Adam Clements to Jimmie Caudle for a touchdown without a kick gave G. H. S. six more points in the third fight.

Becoming satisfied with the score of 19-0, the Purples held the Twins at jolly playing in the middle of the field until time declared G. H. S. the easy winner.

THE GIRLS' ATHLETIC COUNCIL HOLDS ITS SECOND MEETING

Supervision of Points Discussed—Riding Heads Appointed by President.

The Girls' Athletic Council is on the job! The second meeting of the year was held Thursday, October 23.

The points made by the girls during the summer were placed before the council for approval. As some of them had not been made under supervision, the question arose as to whether credit should be given. It was finally decided that all points, whether made during school or vacation, must be made under a supervisor. Unless this is done, the points will not count.

Since horseback riding has become a sport which attracts many of the girls, it was decided that the president appoint a head to this sport who shall keep account of all points made.

Now that it has become such an easy thing to win a "G.N.C." and that monogram seems to have lost much of the honor which it formerly had, the council decided that more work would be required before any girl should be entitled to one. Hereafter when a girl wears the state monogram it will spell hard work in athletics.

When it comes to playing football Johnny Ford is everything but a flivver.

Also Lacy Wyrick is the lightning bug's pink sweatshirt in that line.

Saw in the papers that Hickory has a lock-step on which she dances away for touchdowns. She won't dance so easy when it comes to the state championship.

HEAVY PENALTIES CAUSE LOSS OF LOCALS TO LEAKSVILLE HI

Young Stars for Greensboro High School Scrubs—Final Score Was 13-6.

At Leaksville Tuesday afternoon the G. H. S. scrubs were defeated by the score of 13-6. Not until the whistle blew in the last quarter did the second team admit defeat, as they fought throughout the entire game, playing spectacular football.

The never-die spirit of the locals resulted in the last quarter when Young, Greensboro quarterback, raced 36 yards for a touchdown. Greensboro failed to kick goal. The squad carrying the ball from one end of the field to the other by a succession of brilliant plays, was unable to score on account of penalties. Leaksville scored their first touchdown in the second frame when Emerson broke through Greensboro's line. Reynolds kicked goal. Dillon blocked a Greensboro punt from behind the visitors' goal line, Crontz for Leaksville fell on the leather for a touchdown.

Emerson and Slayton, backfield men for Leaksville, showed up well, while Young and Watson played real football for G. H. S. Watson showed skill in punting.

The line-up and summary:

Leaksville	Greensboro
Roberson	Caudle
Crantz	Right end
Rowe	Right tackle
Richardson	Right guard
Martin	Center
Festerman	Left guard
La Mar	Left tackle

HIKING CLUB'S FIRST MEETING HELD OCTOBER 21

The Hiking club held its first meeting of the year on Tuesday, October 21. The main object of the meeting was to elect officers for the club and to decide upon a suitable day for hiking.

About 50 girls were present and Tuesday was thought by all as the best day to go hiking. Edith Hargrove was then chosen treasurer and Elizabeth Hodgin press reporter.

Many good times are being planned for the Hiking club this year; above all, the over-night hikes. This is the first year this has been tried in the High School. All girls who hiked as much as 50 miles last year are eligible for the first hike. Each additional 25 miles she hikes permits her to go on another over-night hike. On each of these hikes a mother, a teacher, and a man will be taken, so there need be no cause of fear. It is thought that these over-night hikes will encourage hiking as well as give the girls much enjoyment.

When it comes to gaining ground Phil Shelton is quite the stuff; or in other words, Oswald, he escorts his dogs artistically when the oblong sphere is in his possession. Get me?

One great coach has said to punt when in doubt; but around this joint it's just as good to let that W. Watson tote it.

Charlotte has a good team, but who knows if it will play at Chapel Hill?

By the looks of the soph team Mr. Farthing must be the man who puts class into class football.
