LEAKSVILLE WINS OVER G. H. S. IN CHAMPIONSHIP
 Eliminates Greensboro Girls from the Race in District Five—Final Score Was 30 to 19.

Greensboro High girls were defeated by the Leaksville sextet at Guilford College, February 26, by the score of 30-19. The game was a very fast one, and although G. H. S. is now out of the race, the whole team declares that it has been one of the best seasons ever.

In the second and third quarters the Greensboro girls outplayed their opponents, but Leaksville played splendidly in the final period, making 10 points. Mary Thurman was the outstanding star for G. H. S. and Elizabeth Gunn for Leaksville. Tilly and Rowland also did good work for the locals.

The line-up and summary:

<i>Greensboro</i>	<i>Leaksville</i>

MANY REPORT TO CONE PARK FOR BASE BALL PRACTICE

Coach Johnson is Pleased With the Outlook for G. H. S. Varsity Nine This Spring.

Greensboro High baseball practice is now under way at Cone park. Forty-four have reported for positions on the varsity nine which started last Thursday afternoon for preliminary practice. Seven of the men belonged to last year's varsity squad, while the remainder are taking to high school baseball for the first time.

The nucleus of the squad this year will be found around two hurlers, one receiver, and a third baseman, and two outfielders, all of whom saw action on the varsity and competition will be plentiful during the coming weeks. Fife and Bennett are the pitchers left over from last year's squad, while Brewer saw action behind the plate. Maus and Wyrick will make a bid for their old positions in the outfield. Fred Burroughs will likely have very little competition at the hot corner, as he seems to have his position so well sewed up that none of the rookies has made any bid for that position this year.

Among the leading rookies for positions in the outfield are Connelly and Turner, although the season is too premature to begin picking men for the definite positions. Jones and Davis are both out for shortstop, while West and Caudle will try out for the keystone bag. Blair and Grubbs and Swift will take a whack at the pitching department.

The work so far has consisted only of light work-outs of throwing the ball and batting, which will be the schedule for another week. Then in about three weeks Coach Johnston says that the squad will be trimmed down to playing capacity. About 18 men will finally be left on the squad to make up the varsity.

CIVITANS SPONSOR TRACK MEET TO BE HELD HERE MAY FIFTH

On May 5 Greensboro may have the chance of seeing some of the most famous Olympic track stars in action. Besides the Olympic men who will perform there will be representatives from 21 high schools in the western section of the state.

The Civitan club of Greensboro has sponsored this meet for two years. This year it is said that the meet will eclipse all others in size and caliber.

The big affair will be held at the fair ground. The half-mile track is one of the fastest tracks in the state. More records have been broken on this track than any other in the state. May 5 will probably add even greater records.

GRIDIRON HEROES MAKE PUBLIC INMOST SECRETS

"My Greatest Thrill in Sports" is at Last Disclosed by Local Grid Warriors.

COACH JOHNSON
 "My biggest thrill this past year," mused Coach Johnson, as his thoughts turned back over the latest football and basketball seasons in which Winston was twice defeated in football after four years of beating us twice a season, and Bessemer was vanquished in a hard-fought game of basketball, "was presented me by the scrubs in their game with Leaksville."

"The two teams were evenly matched, with Leaksville leading in the scoring. Three times we battled our way to their five-yard line only to be turned back because of penalties. The time was getting short; in fact, there remained only two minutes to play. We were on our own 40-yard line. A chance must be taken. Quarterback Young decided to risk a triple pass, Faulkner to Hargrove to Young. The ball reached Young in safety and he fought, dodged, ducked his way 55 yards for a touchdown."

"If you don't think I received a thrill then, try coaching for a while and watch your team complete one of your favorite plays and you will know how I felt."

FRANKLIN GOODWIN
 "Picture to yourself a gym filled with excited spectators, two ancient rivals, Greensboro and Charlotte, battling for the western championship of 1922 in basketball."

"I was only a sophomore at the time, so I felt even more excited than I would have had I been a veteran."

"First the Blue and White led, then the Purple and Gold would be in front. With three minutes to play the Hornets were leading us by two points. Then we rallied. By excellent passing my teammates shoved me the ball and I managed to make three goals. Charlotte made one goal during those precious minutes, giving us the game by two points. Was I thrilled? I ask you, what new recruit would not be?"

WILLARD WATSON
 "Winston had reigned supremely over us in football for the past four years. What loyal member of the G. H. S. fold did not know it and did not loathe the thought of it?"

"We had beat them in Greensboro this year, but we were now playing them in Winston. Gee! Could we ever beat them in their dreaded stronghold?"

"The score was tied. We exchanged
