Greensboro's Opponent Scores Only When Subs Sent in.

GOOD GAME IS PLAYED BY ALL Many Greensboro Fans Witness Victory—Cheer Leaders Direct Very Enthusiastic Yells.

Friday afternoon at Colonial Park, Salisbury, N. C., the Purple Whirlwind developed into a regular cyclone and defeated the fast Salisbury eleven to the tune of 18 to 7.

The first part of the first quarter the two teams seemed to be very evenly matched and the main features consisted of a series of punts by both elevens. Near the end of the first quarter Greensboro received the ball on the 45-yard line and from that point, by a series of line bucks and end runs, carried the ball to the goal. Captain Watson carried the ball for the first touchdown. Try for goal failed and after the second kick-off Greensboro received the ball on the 65-yard line and the whistle blew for the first quarter with the score of 6-0 in favor of Greensboro.

The rest of the game Greensboro continued to drive through Salisbury's line and the local team was successful in two more touchdowns, these being scored by Smith and Shelton.

Coach Fordham sent the entire second squad in to play the third quarter and it was not until then that Salisbury scored. Salisbury also kicked the goal that made the final score 18-7 in favor of Greensboro.

Greensboro played a much better game than they did when they met and defeated Leaksville. The team did a great deal of fumbling, but at no time in the game did this cost them much, as they seemed to be well up on the art of recovering the ball. The majority of the penalties were for off sides.

ATHLETIC PICK-UPS

first annual Cross Country Run for Greensboro High School Boys. It is class competition, a minimum of seven boys to represent each class. The course will be over hill and dale, thru fences, in fact a typical cross country race. Flags will be placed to mark the course and judges stationed to see that runners follow the marked trail. There will be a silver loving cup awarded as team trophy. The team to put first five runners across the finish line will win the trophy. The first five runners to finish will each receive a prize.

This is organized by the Department of Recreation and Sports. Captain of each class team will register his team with Coach Aycock by Wednesday October 14th.

Here's a chance for every boy in G. H. S. to represent his class and school in an athletic event.

An individual cross country run is scheduled for Thanksgiving. Get on your job and train.

Coach C. C. Fordham secured passes for the members of the Greensboro High School football squad to the Wake Forest-Carolina game at Chapel Hill Saturday, September 26.

Some twenty-five or thirty members of the squad attended the game and used the passes. The local players express their gratitude to Coach Fordham for the privilege of seeing the game gratis.

A group of boys, about 21 in number, can be seen any afternoon in the Caldwell gymnasium seriously and strenuously at work on the fundamentals of basketball. This group is working with this aim in view—to give G. H. S. a fast and furious basketball team this winter—one that the school will be proud of. They are working under the direction of Coaches Park and Johnson. There is plenty of room for others. Now is the time to get the fundamentals and get in good physical condition for a full schedule of games.

At the opening game with Leaksville, Friday, September 25, the student body was greatly disappointed in not seeing the sponsor present the new ball to the players. The sponsor is Thelma Meyers. Since Captain Watson objected to ceremony the ball was taken out on the field by the referee.

Besides being honorary, this position carries with it a few duties. The chief duty is to give inspiration to the players.

Due to the fact that Mr. Atkinson left the ranks of the faculty to become a law student at Harvard University Mr. Stanley Johnson will assist Coach Parks with the basketball squad. Mr. Johnson comes to G. H. S. from Wake Forest.

INSIDE DOPE ON THE FOOTBALL PLAYERS

Raw Recruits Fill Places Left in the Line-up by Graduations and Emigrations.

Swift—Though Dave is not so large as his brother Bus, he has the same qualities as a player and when he starts down the field it is some job to stop him.

Teague—Bill is green material for high school football, but has had experience on other teams and as he has the pep that makes a real football man he is coming out into a fine shape.

Petree—Bill is another man who is green at high school football. He should be a very valuable man, however, if his knee will stop giving him trouble.

Burgess—Chuck was barred from the team last fall because he had not been enrolled in school long enough, but this year he is out with bells on and is walking away with the team.

Arnold—Ches. ran away with tennis; watch his football.

Wimbish—Bunny was a member of last year's squad and this year is making a good showing at end, but he is having a little trouble with his ankle.

Brown—Theron is another green man but has made a good showing at guard and when he starts to tear up a line, watch out.

Taylor—Wyatte is making a good showing at tackle this year and great things are expected of him.

Henderson—Ray is a brother to Curly and is going out for end. He is a good player who has had experience on the freshman team and the varsity squad of 1924.

Gump—Harry is that big bushy haired fellow who is out for center.

Grubbs—Bryan is the man who is out for end who has been hanging on to those passes.

Cox—Gene deserted high school and went to Bingham last year, but is now back with us. From the way things look he must have learned something about football while he was there.

Shoffener—Charlie is having his first trial at the varsity but plays like an old timer.

Hobbs—Bill is a new find but he's a real find and from the way things look it will not be necessary to look any farther for a tackle.

Forsyth—Jim is a brother of Vars. and Stuart and plays the game like his brothers who have gone before him. He is light and small but sticks like a veteran.

Gardner—Herman is a man who will make a real center and from the way he has been playing it looks as if the varsity is going to be in luck in having a man who can pass the ball in such a fashion.

Faulkner—Joe is a man whom the team simply would not be able to do without. He is out for practice every day and is willing to work.

Lipscomb—Ned bids fair to become a chip off of the old block (his Pa played) and he is taking the place of Goodwin at center.

Cook—Ralph has had the experience of running a team at junior high school and is developing into a valuable center.

Stockard—Wade is light in weight and has not had much experience but seems to have the ability to hold down tackle.

Glascok—Tommy is not so large but he has shown that he has the main quality of football and that is nerve.

Glascok—Luke has proven that he will be a very valuable addition to the team. This is his first year out for varsity but he did fine work with the junior team last fall.

Horney Bros.—both of these boys are fast and are able to follow up the ball. It seems that they will make a couple of clever guards.

OFFICERS ELECTED AT GIRLS' MEETING

Coaches for Different Sports Named—Miss Doris Stinnett Makes Talk—Sports Approved by Dean.

The girls Athletic Association met in chapel, Thursday, September 24, for the purpose of electing officers and meeting the different coaches. Marguerite Harrison, who was elected president last spring, presided.

Officers elected are: Cecile Lindau, vice-president, Charlotte Van Noppen, student council representative, Margaret Haywood, press reporter.

Heads of the various sports made short talks. They are: Miss Dry, basketball; Miss Walker, tennis; Miss Causey, hockey; Miss Leroy, swimming; Miss Copper, baseball; Miss Morrow, hiking; Miss Summerell, training. Miss Fannie Starr Mitchell, dean of girls, made a brief talk urging all the girls to participate in some sport.

Marguerite Harrison welcomed both the old and the new girls. She explained the many sports to the girls and told them all to go out for some form of athletics. "I want every girl in the school to take part in one or more of the different sports". Miss Doris Stinnett, a former student of Greensboro High School, who is studying physical education in Washington, made a talk on, "What High School Athletics Meant to Me."

Quate—Dave has played football all his life and knows the game. He is a man who is able to think quickly and judge where the ball is going.

Trotter—Bill is little but loud in his ability to play football.

Leonard—Bob is light but is a fast man and sticks to a pass as if his hands were covered with glue. Bob is a sure tackle.

Ogburn Bros.—It seems that those strawberry blonds can't be stopped when it comes to football.

Maus—J. was a line man last year but this year he has cast his lot for the back-field and in this position he has made a wonderful showing at quarter. J. is especially strong in his kicking and passing and he is also right in the lineup on a center rush or line buck.

Strader—Ches. is small, but with the experience that he had last year and with the same fighting spirit, he is developing into a wonderful back.

Smith—Roy is an all-round player who has an unusual ability to cover passes and punts.

Watson—Jim had all the promise of being placed at tackle but in the first scrimmage of the year he had the bad luck of breaking his finger and being put out of play for a couple of days. He is now out for practice again, however.

Shelton—Phil had a little trouble at the first call for football and was not out for practice for the first week but he has finally been allowed to come out.

Hargrove—Another well known back-field man, out this season with a strong determination to make the squad.

Wyrick—Pete comes to us from Mt. Airy, N. C., bringing with him the reputation of a good sport and a hard fighter, and he is prepared to live up to the reputation.

Mattlock—Mat. comes to us from Leaksville, N. C. He was on the team there for two years, so good work is to be expected from him. Matt. is a fast and a snappy player.

Holder—Ted did not come out to practice until the second week and for that reason has been at a disadvantage. Ted is another prospect for end.

Johnson—LeGrande was the first player of the season to be put out of play. (Continued on page six)

LEAKSVILLE-GREENSBORO GAME

Someone asked: "Wonder why Mr. Miller doesn't make the band play?" "I guess he is afraid it'll scare the Whirlwind".

Say Finley and Marguerite, how about giving a yell for Paul and his little book next game. Why, he was twice as busy as the Daily News reporter and was strutting round like a peacock. Wonder why he didn't bow when we gave fifteen rahs for Wimbish—Too much brains!

A little water boy kept himself quite busy, eh folks?

Everybody that saw the crates that Coach Coltrane and Paul were sitting on was just wishing one would topple over so there'd be some competition in picking him up—there was not much in the game itself.

Oh Boy! we felt like a million dollars (and some didn't have a cent) when we saw Miss Killingsworth make a lovely bow in response to the yell we gave. "Come out and see me, Folks," she says, "I'm in Spencer building and can see you any afternoon."

LEAKSVILLE IS SNOWED UNDER BY LOCAL HIGHS

Maus and Glascok Star for Greensboro With Two Touchdowns—Leaksville Fails to Score.

Friday, September 25, at Cone park, G. H. S's Purple Whirlwind won the initial encounter of the season, when they defeated Leaksville High to the tune of 13 to 0. Greensboro ran numerous substitutes into the game in order to find the strength of their reserves and to give the subs a chance to see action.

The game play by play was—

First Quarter

Leaksville off sides on kick off and was penalized five yards. Watson received ball and made a ten yard run. Greensboro lost ball to Leaksville on downs. Leaksville punted on fourth down, and recovered punt. Ball goes over to Greensboro on forty-five yard line. Leaksville off sides and was penalized five yards. Maus carried ball over for touch-down but failed to kick goal. Leaksville High kicked to Greensboro. Quate received ball and ran for ten yards. On first down a pass was attempted and was intercepted by Leaksville. Quarter.

Second Quarter

Glascok recovered ball for Greensboro. Time was called out for Wyrick. Watson went around right end for ten yards but Greensboro was penalized for off-sides. Maus recovered fumble and made ten yards but was brought down by a flying tackle. Half.

Third Quarter

Leaksville received kick-off and punted. Burgess recovered fumble and made a ten-yard gain. Greensboro penalized for backfield motion. Maus made a twenty-yard pass to Burgess but was brought back on off sides penalty. Smith recovered the ground by a twenty-yard run. Drop-kick from thirty-yard line failed. Leaksville punted and Burgess made a ten-yard gain. Shelton and Watson drove through toward the goal. Quarter.

Fourth Quarter

Watson made a pass to Glascok. Glascok went over for a touch-down, and Maus kicked the goal. The final whistle blew with the Purple whirlwind under Leaksville goal.
