Purple Whirlwind Battles With Pointers to Tie 6-6

MUCH FUMBLING

Both Teams Failed to Score in First Half of Encounter.

GAME A LOOSELY PLAYED AFFAIR

Each Team Scores One Touchdown During Last Quarter, But Fails to Make the Extra Point.

Friday afternoon, October 16, at Cone Park, the Black Bisons and the Purple Whirlwind battled to a 6-6 tie.

The first half of the game was rather uninteresting as neither team seemed to be trying to play football. Greensboro contented itself with only one first down and the majority of the first half was spent in punting by both teams.

The second half was when the content brightened up a little but the game as a whole was not one to keep a spectator interested. The two main features of this half was a forty yard run by Smith of Greensboro and the touchdown made when through a fumble Ragan of High Point grabbed up the ball from Greensboro and dashed down the field for the lone touchdown scored by High Point. When the second half opened Greensboro started down the field for what looked to be a touchdown several times, but the ball was brought back on penalties or else went over on downs. Greensboro fumbled and the Bisons carried the ball down the field to Greensboro's 20 yard line. Here the purple whirlwind went into action and when the High Point team tried to busk the line they were thrown for a loss.

In the third quarter through a series of line bucks and end runs Greensboro carried the ball down to the Goal and Shelton (fullback) carried the ball across the line. Try for goal failed.

Greensboro kicked to High Point but the ball went out side and Capt. Watson was forced to boot the pigskin, this time the High Point eleven received the ball on the 30 yard line. The Bisons punted and the ball went to Greensboro on the 65 yard line. At this point in the game there was a great deal of argument between the referee about some technicality and the ball finally stayed with Greensboro. The ball was snapped to Burgess, a fumble; Ragan grabbed the ball and made a pretty run down the field for touchdown. Try for goal failed and the score stood 6-6. Greensboro here endeavored to change the score by starting a steady drive and also by the use of aerial work but the score remained the same.

The cheering at this game was the best that the school has shown this year. The band gave some fine selections and the students seemed to be in a cheering spirit. The attendance from the school was very good. High Point had large number of rooters over for the game.

BARNYARD GOLF HAS COME INTO PROMINENCE

"Barn yard golf" has come into prominence at G. H. S. Every lunch period devotees of the sport may be seen tossing the iron shoes. The boys, however, are not left to themselves at this pastime, for many of the girls approach and some even surpass them in skill. Mr. Phillips stated that if enough girls were interested in the game he would provide a place for them to practice and later he would arrange a tournament between them and their masculine opponents.

and Shelton. Scoring first downs High Point 1, Greensboro 8.

GREENSBORO BOYS DEFEAT ELON HIGH IN BASKETBALL

Game Enjoyed by Large Crowd Who Witnessed Best Teamwork Seen in Long Time.

RESULTING SCORE IS 14-10

Game Very Exciting—Splendid Passing—Greensboro Presents an Impregnable Defense.

The second pre-season basketball game was played in Caldwell gym, October 15, when Greensboro defeated Elon Hi by a score of 14 to 10. The Greensboro team displayed some of the best passing and team work that has been seen in Caldwell gym for a long time. The team showed wonderful co-operation which resulted in baffling the Elonites.

The first half ended with the score 6 to 3 in favor of the local Highs. Greensboro presented an impregnable defense so the Elon team resorted to long shots which were successful.

In the last half the Elon team showed some speed and led G. H. S. until four minutes before the end of the game. Then Greensboro staged a gallant come back and started a spurt which carried them to victory. In these few minutes the team played Elon off their feet by their swift offensive attack which was led by Solomon, Greensboro center, who shot three goals in succession to put G. H. S. in the lead. Scott was a big factor in the victory as his wonderful defensive work kept Elon under cover at all times. Lufty also played well. The game was very exciting and was enjoyed by a large crowd.

G. H. S. TRIUMPHS OVER POMONA HIGH

Bill Teague Stars in Backfield for Reserves—McCormick Features for Pomona High.

Friday, October 9, the Greensboro High School third-string gridiron warriors triumphed over the Pomona High varsity in a one-sided game at Cone Park by the score of 27-0. The Pomona Highs did not make a single first down, and were clearly outplayed by Coach Fordham's reserves. Pomona punted every time that she secured possession of the ball and was on the defensive the entire game.

The work of the Greensboro line was outstanding, the light Purple and Gold forwards outcharging their opponents on every play. Bill Teague starred in the backfield for the reserves, reeling off long gains almost every time the ball was given to him. McCormick featured for Pomona.

HANDBALL COURTS ARE UNDER IMPROVEMENT

Last year, handball was one of the favorite "lunch period" sports at this school. A wooden court was erected behind Barn A for the benefit of those wishing to play this game. The court was rough, but it was satisfactory.

This year the school is having improvements made. Workmen are leveling and packing the ground. The court is already painted a bright green and has a splendid appearance. Many of the boys are devoting the best part of their lunch period to the game, and a large number is expected to take advantage of these improvements.

Soon the black cats will yowl and the spooks will howl. Let 'em come. Mr. Herbert Parks and the Recreational Commission have quite a bit of merriment and entertainment on the bill for those who attend the celebration they are staging Hallowe'en night on Library Place.

G. H. S. LOSES TO WINSTON ELEVEN

Visiting Team Makes a Single Touchdown in First Quarter—Defensive Playing.

The Purple Whirlwind suffered its first defeat of the season at the hands of Winston-Salem High School, Saturday, October 10 at Cone Park, through a solitary touchdown resulting from a fluke. There was much defensive and little offensive play on both sides.

The single score was chalked up early in the first quarter. The ball was in Greensboro's possession in the shadow of her own goal posts. Greensboro was planning to punt, but wild pass from the center shot over the punter's head. Lentz, Winston end, fell on the ball behind the goal line before it could be recovered and thus scored for his team. Buie made the additional point by a goal kick.

Out-matched in weight by her opponents Greensboro fought desperately to score during the remainder of the game. Several times she forced her way dangerously close to her opponents' goal line only to be driven back. The whistle blew with Winston on the offensive at the thirty yard line, and the Purple Whirlwind was forced to admit defeat.

The game was characterized by much punting. Two successful forward passes were made, one by each team. The only outstanding piece of individual play was a forty-five yard end run by Buie, of the Winston-Salem team, accomplished during the third quarter.

A large crowd packed the grandstands. Both schools were well-represented and cheered their teams enthusiastically.

Line-up:

Table with columns: Greensboro, Winston-Salem, Positions. Lists players like Henderson, Horney, J. Watson, Lipscombe, Quake, Brown, Glascock, Maus, Faulkner, Smith, W. Watson and their positions.

Substitutes: For Greensboro—Shelton, Strader, Burgess, Meadows, Wimbish, Wyrick, Petree, Watson; For Winston—Petree, Earnest.

Officials: Referee, Roberts; Umpire, York; Head-linesman, Strickland; Time of Quarters: 15-12-15-12.

PROXIMITY Y. M. C. A. DEFEATED IN BASKETBALL

Monday night, October 12, the Greensboro High basketball team, in their first game of the season, defeated the Proximity "Y" team 17-4.

The game did not appear to be as one-sided as the score would indicate, for both teams fought hard. The Proximity five just couldn't hit the basket right, making only one field goal and two fouls. On the other hand the Greensboro High boys made through connections with the eight times from the field and once from the foul ring.

The Proximity team were awkward on passes, but made the game interesting with their guarding. Both teams were a little too spirited, to say the least, in the guarding, causing many fouls to be called.

Say folks! How about the way that Capt. Watson booted the pigskin?

Side Lights

GREENSBORO—HIGH POINT

Marguerite and Finley were so enthusiastic that the little cold-drink-boys were afraid to pass them.

Oh you red curls!

When the band played "Washington and Lee Swing" High Point didn't sing with us. They warbled an entirely different song.

When we all get green, white, and black striped blouses and pin purple and gold ribbon on—then—We'll win every game!

Smith—not John, nor Tom—just Roy—you're what G. H. S. calls valuable. Shelton you can dive like a fish—keep that up but let that be your limit in the fish line.

Those High Point fellows are rather large to be tied up in baby-blue and white!

People, don't you think we need a course in football at G. H. S.? Then maybe there wouldn't be so many dumb remarks made.

During the quarters the boys looked like they were doing their daily dozen.

"Scrubby" Rives gave us the once over Friday. What did you think of our yells, Scrubby?

"Let's get a Coca-Cola." "No, let's not, they're ten cents."

We think our blankets are so pretty! They are stylish too 'cause—pansy is the leading color this season.

Good Game, eh folks? Splendid 'cause nobody suffered defeat.

We wonder why that photographer doesn't put any of those snaps in the paper.

Say, High Point! Where are your numbers for the Jerseys?

"That man in white pants just runs around the team, doesn't he? Why does he do that?" "Oh, dumb! He's the referee!"

The little walking stick with the red and green and blue and white box on it was at the park. Oh! but where was Mr. Strickland?

During the first of the game there was little co-operation between the students and the band. We couldn't get together, could we, folks?

How about the High Brow farmers being on parade in front of the grand stand?

We've just decided that the reason we lost to Winston was because the water boy didn't appear. He was back to the High Point game tho' and we held 'em to a tie.

Oh Boy! Wasn't that High Point Cheer Leader—The Little Girl—cute?

Ha! Ha! After one yell the lemons in the High Point group were hard at work.

Some of our boys were out of their heads, sitting up there with us, and still they had the impudence to yell for High Point.

We appreciate your friendliness, High Point, you surely have got pep and enthusiasm.

"Now we'll get something. Wyrick has gone in," was the remark from a Greensboro girl.

We noticed that the California roamers were exhibiting their proud selves at the game. Welcome to home!
