

# Students Down Faculty In A Thrilling Game 19 - 12

## WUNSCH IS STAR Wrongs of Classroom Revenged by Students in Annual Battle.

### HARD KNOCKS GIVEN FACULTY Former Stars Given New Positions When W. Watson, J. Watson and R. Henderson Act As Officials.

Although Wednesday afternoon Dec. 7th was a cold afternoon one of the hottest football games of the year was played at Cone Park when the faculty and student elevens held their annual crash. The result was: Students 19, Faculty 12.

The interest in the game started when the faculty came on to the field holding aloft their waterboy, little Bobbie Wunsch, dressed for the occasion with a blue sweater adorned with a white "F" and it was rumored that this letter was for Fassifern. The water boy clasped his water bucket in one hand and held on to the shoulders of the mighty Fordham with the other as the faculty made their mad dash across the gridiron.

The game opened with the students' kicking to the faculty and brother Charlie Phillips received, but was downed on the twenty-yard line. After unsuccessful attempts to gain through the line Colterane booted the ball to the 42-yard line. Here the students worked a "shoestring end" on their coach and a pass from Burgess to Wimbish carried the ball to the two-yard line and on the next down Burgess carried the ball to the first touchdown of the game. Maus scored the extra point.

Thru a fumble the students received the ball and made another score but failed in their attempt for extra point. Half ends 13-0 in favor of students.

In the second half the faculty made two touchdowns, one by recovering a fumble and the other by a long pass and a series of line plunges. Both tries for extra point were unsuccessful. In the last quarter the students, after a long run by Smith, made another score with Wyrick carrying the ball. Before a try for the point could be made the game was called on account of darkness.

## SENIOR GIRLS BEAT JUNIORS IN FAST GAME

### Juniors Eliminate Sophomores from the Championship Series But Are Beaten by Seniors 14-8.

Monday afternoon Dec. 7th at the Chas. D. McIver School, the Juniors and Seniors played their first game of basketball of the season. The girls played well and the game was full of excitement. At the end of the first half the score was 6 to 4 in favor of the Juniors. Watson and Lentz scored for the Juniors, while Tilley scored for the Seniors. The next half both teams played hard and the game ended with a score of 14 to 8 in favor of the seniors. Tilley and Harrison played well for the Seniors, while Watson, and Clement did good work for the Juniors.

The line-up for the game was as follows:

**Seniors**  
Forwards—Tilley, Hobbs.  
Guards—Harrison, Brown, Curtis.  
Substitutes—Michaux for Hobbs  
**Junior**  
Forwards—Lentz, Watson.  
Guards—Clement, Harris, Farbon.

The Juniors eliminated the Sophomores from the championship Dec. 9, by defeating them 23-16. Tilley starred for the Sophs making 10 of the 26 points. Shuford and Bain played a good defensive game for the Sophs.

Watson made the 23 points for the Juniors. She played a very good offensive and defensive game. Clements and Harris did good defensive work for the Juniors.

I thank the goodness and the grace,  
Which on my birth has smiled,  
And made me, in these Christmas days  
A happy Christian child.

Jane Taylor.

## UPPER CLASSMEN WIN OVER RIVALS

### Seniors Defeat Sophomores While Juniors Defeat Freshmen, Both Hard Fought.

December 8th, at McIver, the second games of the girls championship race were played, Seniors vs. Sophomores and the juniors vs. the Freshman. In the first game of the afternoon the Juniors defeated the Freshmen 22-4.

Watson and Lentz starred for the Juniors while Curtis was the outstanding player for the losers.

In the second game of the afternoon the Seniors were victorious over the Sophomores by the score of 16-2.

Tilley and Harrison starred for the Seniors. There was no outstanding player for the Sophomores.

"G"

Wearing the symbol of this high school does not mean so much to anyone when they look about them in a class room of thirty and see them scattered all around the room, but that "G" means a great deal. That letter means that the student who is wearing it has gone through a period of hard work outside the classroom, that he has given up his spare time to his school to help it rank better among the high schools of the state by working and trying to make it have a better athletic standing.

This year there were twenty letters awarded the members of the football squad for their efforts throughout the season. These boys who received these monograms have something to be proud of all their lives. Their school appreciated their efforts and considered that they were enough credit to the school in athletics to be entitled to wear at any time they saw fit this mark of appreciation.

All the boys who received this monogram should remember that this was the reason that they were given this award, and for that reason should conduct themselves at all times so that they will be a credit to this institution.

## ANOTHER FAD

"Pop! Pop! Bang! pop—pop—put—put—put—ty—put—put—Bang!"  
"Look out there Boots! that thing'll take the crease outer yer pants."

"Will it bite?"  
"Pop—pop—pop—put—put—put—"  
"There goes Tuck startin' now."

And so the uproar goes for two or three minutes at the lunch periods and after school. G. H. S. has added a new squad to her transportation department. Bicycles, skates, autos, Fords, skeeters—and now motorcycles. The parking lot in front of the nursery is now being occupied by motorcycles.

This new fad has brought G. H. S. five motorcycles—enough to start a fine motordrome. Skeeters are no longer the rage; their kindred gas-bugs with two wheels and two cylinders have come to the front. There's just one trouble with these motorcycles; one can't ride enough gi—er— of his friends on them; just one at a time.

"I think I'll get me a motorcycle," the envious bystanders are heard to declare.

# WINSTON TEAM DEFEATS G. H. S.

## Hard Fought Hockey Game—Final Score 3-1—Locals Score in Last Half.

The G. H. S. Girls' Hockey team came from Winston, Tuesday, Dec. 1, feeling rather blue. They showed the Winston team, however, that they were hard to beat as the score was 3 to 1. Greensboro lost out at the beginning of the game and, although better plays were made in the end, her score could not be raised.

Everyone played well, but not as well as they have in other games. Dot Lea scored for Greensboro.

## GREENSBORO BOWS AGAIN TO GUILFORD

### Basketball Boys Defeated in Slow Game, Featured by Fumbles—Score 25 to 9.

Once again Greensboro bows to Guilford, Friday, December 11, at Guilford College Gym. The fast Guilford cagers defeated the Greensboro quintet 25-9. Greensboro played a slow, ragged game, allowing the Guilford boys to dribble past them at any time. Greensboro seemed unable to get the ball in their possession and there was a noted lack of co-operation on the part of the locals.

Some of Greensboro's most reliable men were prevented from taking part in this game because of the football banquet on that night.

Guilford played a good steady game throughout. Their Captain, Ferrell, played an especially good game. He dropped the ball through the basket continually, making a total of fifteen points for Guilford.

A large crowd of Guilford coherents saw the game.

<b>Greensboro</b>	<b>Bessemer</b>

Will the next fad among our boys be motorcycles? Looks like it; there are several parked around and about the campus lately. Look out, you "skeeter"! You'd better hold on tight.

Wonder how many "charlie-horses" the faculty were groaning over after the "Faculty-Varsity" game Wednesday?

Glenn Holder was too long for the tape measure, when the nurses tried to take his measure.

## LIPSCOMB AND SYKES HEAD TEAMS

### Ned Played Center During 1925—Martha Will Manage, Plan and Lead Hockey Team.

At a banquet given in honor of the football and hockey teams on Friday, Nov. 11, the captain of the football team and the manager of the hockey team were selected for the coming year. Ned Lipscomb, who played center on this year's varsity, was chosen to lead the Purple Whirlwind during the 1926 season, and Martha Sykes was elected manager of next season's hockey team.

Lipscomb's election occasioned no surprise in view of his popularity and excellent performance on this year's varsity eleven, although the past season was his first year on the varsity. His steady performance at center was one of the chief factors in the team's successes this season, and his work at intercepting passes featured his playing. Ned was elected almost unanimously. Next year will probably find him playing at center.

The girls' hockey team also selected a leader, Martha Sykes, who was a member of the 1925 hockey squad. She will manage the team, plan the schedules, and make all necessary arrangements during the forthcoming hockey season.

## BESSEMER DEFEATS G. H. S. QUINTET 25-17

### Game Marked by Lack of Cooperation of "G" Team—Bessemer Boys Play a Hard Game.

At White Oak "Y" December 12, Bessemer defeated the G. H. S. quintet 25-17. The game was marked by lack of cooperation of the "G" team. Attempts to pass were futile and the team seemed to lack the pep that marks a Greensboro team. This was probably due to the absence of some of the "old reliables" and also due to the fact that there were only a very few Greensboro "rooters."

The Bessemer boys played a good hard game. They showed a marked ability to take the ball from Greensboro. The work of H. Briggs and Bryant was especially good.

The basketball team this year has had a bad start but they need student support. The football team pulled out of a hole, and let's watch basketball.

## FINAL SCORE 2 - 0 Points Were Lacking Until Last Quarter of Game.

## GREENSBORO GOES DOWN IN DEFEAT BEFORE GUILFORD

### Greensboro Boys' Basketball Team Loses Initial Game to Guilford High.

## IS HARD FOUGHT GAME Final Score Is 21-17—Locals Show Lack of Practice—Many Stars Feature Game.

The boys' varsity basket ball team of Greensboro High lost to the Guilford College High School quint Tuesday Dec. 8, at Caldwell Gym, by the score of 21-17. The game, the first of the regular season, was well played by both teams. However the Guilford team had the edge probably on account of lack of practice by the G. H. S. boys, who have only been practicing one week.

Ferrell, center, and Shaw, right forward, for Guilford, Solomon and Lufty, forwards for Greensboro, led in the scoring of the game.

## GASTONIA WINS

Saturday, Dec. 5th, at Emerson Field Chapel Hill, Gastonia defeated Sanford 8 to 0. Due to victory over the Eastern Champions Gastonia is the winner of the Grid Championship of North Carolina. Sanford put up a fine fight but they were simply outclassed.

Sadie Clement broke two scales, so they sent her to "Tatum's" and weighed her on the coal scales.
