SCORE IS 13-11

Inability to Hit Basket Causes Local Down-fall.

PETREE STARS FOR WINSTON

Greensboro Lacks Pep—Game Slow and Uninteresting—Cheer Leaders Instill Crowd With Enthusiasm.

On Monday night, January 11, at Winston-Salem, Greensboro High School went down in defeat before the Winston basketekers, 13-11. The game was far from brilliant. Both teams seemed unable to locate the basket, many shots being tried and only a very few registering.

Greensboro's defense was slow; they seemed unable to snap quickly from offense to defense, thereby allowing Petree, the Winston captain, and Beck, right forward, to continually break through for goals.

Throughout the whole game the lads from the Gate City lacked the pep and vitality that was evident in the previous encounter. Winston played a quick snappy game, although this might be accredited to the large crowd and the work of the cheer leaders.

The game from a spectators' point of view was slow and lacked the thrill of continual shooting. The score was close at all times, the first half resulting in a 3-3 tie. In the third quarter the score saw-sawed back and forth with Winston leading at the end.

In the last three minutes of play a Greensboro offense started off well but was discouraged by the loss of the ball and by Petree's breaking through for a neat goal. Greensboro rallied again but this time the timekeeper's gun broke up the attack.

GREENSBORO HIGH WINS OVER BESSEMER TEAM

On Friday night, December 18, G.H.S. won her first basketball victory of the season over Bessemer High by the score of 24-21. The game was played at Caldwell gymnasium and was witnessed by a fairly large number of spectators.

H. Briggs was the outstanding player for Bessemer, scoring a total of 12 points for his team. Bessemer displayed good team work throughout the game.

Greensboro produced no individual star, but the team as a whole made a much better showing than in the previous games of the season. Passing featured Greensboro playing and the decrease in the number of fouls was also very noticeable.

GREENSBORO WINS FINAL SCORE 35-21 OVER WINSTON

Winston Goes Down Before Strong Passing Attack of Locals; Arnold Stars.

SUBS SEE ACTION IN FRAY

Luffy Takes Pity on Visitors. J. and W. Watson Play Strong Defensive Game for Greensboro.

Thursday night, January 7, at Caldwell Gym, Greensboro High's quintet ran rough shod over Winston-Salem, came out at the big end of a 35 to 21 score. In the first half the two teams seemed to be evenly matched, but in the second half the locals completely outplayed their rivals from the Twin City.

In the first half the game was very close, with Greensboro always in the lead except one time when the visitors lead by a small margin. When the whistle blew to end the first half the score stood 15 to 12 in favor of Greensboro.

In the second half the locals opened up with a passing attack that the visitors could not withstand. Although the Twin City lads put up a good fight, it was simply a case of too much Arnold. He lead in the high scoring for Greensboro. The Watson brothers showed up strong on the defense that put an end to the hopes of much scoring for Winston-Salem.

Coach Park ran his reserves into the fray after the game had been put on ice by the first string men. Luffy, a sub for the locals, took pity on Winston and tried to help them win by attempting to shoot a basket for the visitors, but unfortunately for Winston he did not succeed in scoring.

The locals looked quite nifty in their new uniforms of white jerseys and purple trunks which were trimmed with gold.

A large number of fans witnessed and were pleased with the action shown by members of both teams.

LASHLEY ELECTED PRES. BAPTIST BOYS' CLUB

At the first meeting of the boys' club, held Monday night, January 4, since a two-weeks suspension over the holidays, Edwin Lashley was elected to the presidency, succeeding Wylie McGlamery, who is going to Florida with his family for a six months stay.

The program took the form of a farewell to Randall Martin, who left Monday night to enter N. C. State, and the McGlamery boys, Wiley and Dillard. Mr. Casper, leader of the club, made a splendid talk in which he urged the three who are leaving to carry the principles of service and character-building for which the club stands, into their new surroundings. The newly-elected president expressed the sorrow of the club in losing such outstanding boys as members.

JAMESTOWN HI DEFEATS LOCAL BASKETBALL SQUAD

Jamestown defeated G. H. S. in a basketball game, December 17, at the Caldwell Gym with a score of 14 to 18.

Taylor was the outstanding player for G. H. S.

At the beginning of the game the locals showed up better than their opponents both in pass work and goal shooting but in the last half the Jamestown boys outplayed Greensboro Hi and caused the game to end in their favor.

FOOTBALL BOYS AND HOCKEY GIRLS ENJOY BANQUET

Southern Pines Girls Are Guest of Local Team At Jefferson Club Rooms.

JOHNSON TOASTMASTER

Fordham Renders Thanks to Squad, Manager, Doctor, Fans, Faculty and Principal.

The G. H. S. Hockey Team, Football boys, and Southern Pines girls were guests at a delightful banquet, Friday, December 11, from 7:00 to 10:00, at the Jefferson Club Rooms.

The crowd assembled about seven and partners were selected by means of football signals. Then as the couples were found Mr. Phillips ushered them into the dining hall. After the course supper was enjoyed, as Mr. Johnson knew the capacity of the Football Boys' appetites, numerous toasts were offered and responses given.

Mr. Herbert Johnson, Faculty Manager of the football team, presided as toastmaster very efficiently. Guy Hill gave a toast to the city in which he thanked Mr. Cone for the use of the ball park; *Daily News*, *High Life*, and *Record* for publicity they've given the teams, and Dr. Tankersley for his aid and support. Mrs. C. T. Lipscomb responded to this and said, "We city mothers and fathers feel that we have fallen short of our ideals as parents but we like to feel that we are mothers to each one, sending you to college, watching your failures, and waiting for you to come back victorious."

"We thank you, *High Life*, *News*, and *Record* for the write-ups you've given us. They've encouraged us to play better," said Dorothy Lea in her toast. As no member of the press was present with a toast, a contest of a news article written by the *Daily News* was held, in which Ned Lipscomb was winner. The prize being the privilege of telling those present how the Reporter could write up the banquet before it happened. "Ask the *News*—they know," was his reply.

Mrs. C. W. Phillips, principal, responded to Margaret Hood's toast to the school. "A strong brilliant mind with no body to carry that mind is not of much use. We'll forget we lost the championship and remember that fine spirit that is ever present in our boys."

The toast to the teams was given by Miss Ina Mae Leroy, assistant hockey coach, and the replies were given by Doris Wheeler, captain of the Southern Pines Hockey Team, who said that they enjoyed making friends with Greensboro; Rose Goodwin, Captain of G. H. S. Hockey Team; and Willard Watson, who brought the good sportsmanship of all his team.

The next feature of the program was a game of nose-ball, in which G. H. S. varsity boys and S. P. girls participated. Jimmie Maus struggled with the match box until his blushes brought laughter to the whole audience.

Louis Glascock attributed most of the success of the teams to Coach Fordham and Miss Causey in his toast. To this Miss Causey and Coach Fordham responded, and Miss Causey wished the teams luck in future games.

Mr. Fordham said, "Toasts have been given to all deserving people, but again I want to tell Dr. Tankersley that we appreciate what he has done for us. He has been with the team to every game possible and has bandaged many wounded limbs—there have been lots of them, too—and has even taken pictures to show the teams its mistakes. Next, to

TRACK SEASON TO START NEAR LAST OF THIS MONTH

Aycock, Track Coach, Believes This Year Has Good Material and Good Prospects.

MANY TRIPS PLANNED

Jackson Sholtz, Holder of World's Record for 100 Yard Dash, to Run at One of the Meets.

In a recent interview, Mr. Aycock, track coach for the past and coming season, said that the track season would start about the last of January, that several trips were planned, and that the team had good material and good prospects.

Besides the regular eastern meets, there will be meets at Davidson, Wake Forest, Carolina, and probably N. C. State and others.

No names could be disclosed at such an early date, but the coach said that he team would be strong on long distance runs and field events but very weak in the dashes, the two fastest men, Koenig and Hlackney, having left last year.

Jackson Sholtz, who broke the world's record for the 100 yard dash last year at the Central Carolina meet, and which record has been properly recognized by authorities, will train here for fifteen days and then run the dash again at one of the meets held here. He will probably have able competition from a New York Athletic club and from some of the colleges in the state.

The student body, your support has been fine, and the cheer leaders have done splendid work. Mr. Phillips has aided the boys and we hope we have met him half way. Our faculty manager, Mr. Herbert Johnson, has been a splendid manager. He has had a hard, slow job taking care of the money, and he has been right tight with it, but he has done it well. I want to express our appreciation also to Mr. Roberts and to the people of Greensboro, especially Mrs. Parsons and Mrs. Lipscomb. And last but not least, the squad itself and Guy Hill, who has stuck by the team on every occasion. He has shown what a real student manager can do, and he had my sympathies when, in Salisbury, he had two buckets over one arm, and a hand-bag and a doctor's case in each hand, and was bawling as loud as he could. Colerane is deserving of praise. He has been with us and has been one of us through all the struggles.

"When I came to Greensboro I found a different type of boy, who is cut out for a man and is bound to make a man. It hurt me to see my boys whom I had learned to love come off the Salisbury field, broken and crippled, but with that spirit still there to the very end—and boys—I am proud of you."

Willard Watson took charge of electing the new captain. Ned Lipscomb was chosen. Martha Sykes was elected manager of the Hockey team for next year.

Mrs. Richardson of Southern Pines expressed gratitude of her team to Greensboro for entertaining them so nicely and said that they would take many pleasant memories home with them.

In closing Mr. Johnson requested the guests not to blame him "if there is anything you like or dislike about this banquet."

How come it to pass, then that we appear such cowards in reasoning, and so afraid to stand the test of ridicule.

—Shaftsbury.

Athletic Representatives Do Splendid Work

There is a group of students at G.H.S. whose fine work needs mention. This group of students is made up of one athletic representative from each session room. The duty of these representatives is to take charge of the selling of the athletic tickets and to try to see that each person pays his athletic dues (twenty-five cents) every month. This is by no means an easy job and each one of the thirty-one representatives has done a splendid job.

The representatives from the various

rooms are as follows: Ethel Archer, Chester Arnold, Louis Brooks, Bill Byers, J. C. Coe, Virginia Douglas, Shelby Fitzgerald, Jimmie Forsythe, John Foster, Rose Godwin, Billie Grubbs, Le Grande Johnson, Willard Watson, Victor Jones, Edna Meyers, Red Ogburn, Bill Petree, J. R. Boverson, Charles Schoffer, William Smith, Paul Scurlock, Leroy Lacett, Harriet Terwilliger, Graham Todd, Jack Trotter, Phil Wicker, C. B. Wilkerson, Robert Whitely, Robert Wilson, and Weldon Beacham.
