SOLOMON STARS

Greensboro Fights Hard But is Unable to Overcome Lead.

CHAMBERS IS VICTORS' STAR

By Virtue of This Triumph Leaksville Will Enter Finals for Western N. C. Championship.

Friday night, February 19, at the Guilford College gym the Leaksville High School basketball quint defeated the Greensboro High School five by the score of 42 to 27. Greensboro, although outplayed by their opponents put up a hard fight, but were unable to overcome the lead which Leaksville piled up in the first quarter. This game gives Leaksville the right to enter the finals for the Western North Carolina Championship.

Leaksville started the scoring in the first minute of play, and piled a good lead which Greensboro could not overcome. The outstanding stars for the victors were Chambers, right forward, and Crouch, left forward.

G. H. S. put up one of the hardest fights seen on Guilford court this year, but could not overcome the lead which Leaksville had made in the first half. Solomon shot eight field goals and played a fine game. J. Watson came through with two pretty shots from mid-court. The other members of the quintet played a good game of basketball, but were simply outplayed by their rivals.

G. H. S. offers no alibi, for the game was clean and hard fought by both teams.

REIDSVILLE WINS OVER GREENSBORO GIRLS 19-17

Friday night, February 12, Reidsville topped the score of the Purple Whirlwinds 19 to 17 on the former's court. To alertness and uniformity of motion Reidsville owed its victory.

The Greensboro guards did even air work, but the forwards seemed unable to cage the ball. The Reidsville team had good guards and forwards who seemed anxious to place the ball.

For Reidsville, Wray stuck on the job; Whitsette seemed drawn toward the ring. The captain continually dribbled the ball across center line. For Greensboro, Watson stuck to the ball, and Michaux got the ball and placed it.

Whitsette carried away scoring honors by making 13 points for her team.

BASEBALL TEAM BEGINS PRACTICE

Five Letter Men, Plus Year's Prospects, Coaches Contemplate Good Season.

The aspirants for the Greensboro High School baseball team will be called out for their first practice in the latter part of February.

Coltrane and Johnson, former Carolina and Wake Forest men, will coach the team this year, and while a good many of last year's regulars will not be back, the school is looking forward to a successful season. Coltrane is optimistic about the team's having five letter men from last year's squad. Two of these men, Brewer and Burgess, are in the catching department. Brewer is a dependable catcher, and a heavy batter. Bill Fife is a veteran from last year's squad, and should win games with consistency.

Jones will probably have first call for shortstop, while Hargrove is slated for an outfield position.

The rest of the team will have to be built up from last year's subs and this year's prospects.

CHAMPION OF HANDBALL TOURNAMENT TO GET CUP

Come, all ye handball fans, and make ready. Glance into Mr. Charlie's office and feast your eyes on the new loving cup to be given in the handball tournament. This will be the first time in the history of Greensboro High School that there has ever been a handball tournament, but Coach Park says that it will not be the last.

At the opening of last semester the handball courts were worked over and put into condition for this year, but only a few students are taking advantage of this chance to put themselves in condition for the meet.

The next meet will be held as soon as the weather will permit. No date has been set but all parties interested in this had better get in all the practice they can within the next few days.

The whole G. H. S. team displayed good teamwork. The Watson brothers displayed some strong guarding although W. Watson had a bandaged hand. Lufty and Taylor also played a fine game, but the high scorer was Solomon who by some fine shots scored 12 points.

PROSPECTS LOOK BRIGHT FOR TRACK

Horney and Whittington Both Letter Men and Several of Last Year's Team Back.

Prospects of an all state track team for this year are very good with B. Horney and P. B. Whittington, letter men of last year, and Brown, Glascock, Phoenix, Burroughs, and Wimbish who made the team last year, to help them in forming the nucleus of this year's team.

Coaches Aycock and Fordham have both been urging the boys to come out, but as yet they have a squad of only about fifteen. Boys who are too light for other sports have a chance in track and are urged to come out.

In "Plug" Horney and Phoenix we have the two best half-milers in the state, and Jones is developing fast into a steady miler. Glascock and Whittington will no doubt do the hurdling again this year, and they are going to be hard to beat.

The team's greatest handicap will be the loss of Hackney and Koenig, both dash men. With the exception of Quate, no men have yet reported for practice of dash, although Shelton and Ridenhour have planned to start practice next week.

In the field events the team will be as good as last year if not better, with Brown, Wimbish, Conrad, Whittington, Burroughs and Meadows leading. Great things are expected of Brown and Meadows. Although Brown didn't get his letter last year he made a very good showing in every meet, and he is steadily improving. Meadows, who held the South Carolina state record for a short time, is expected to stick the javelin in front of all competitors. Although Wimbish is busy at present practicing his play, he and Conrad are expected to be in shape to put the shot by the first meet, March 27.

In Coaches Aycock and Fordham we have two of the best coaches in the state. Fordham, who was with the Carolina track team three years, will take charge of the field events while Aycock coaches the runners. Last year we lost the state track meet by one and two-thirds points, but this year Coach Aycock is determined to bring the cup back with him.

GREENSBORO WINS FROM BURLINGTON

Final Score 27 to 14—Whole Team Plays Excellent Ball; Solomon is High Scorer.

It took exactly five minutes on the night of February 11, for a little whirlwind to rise and blow over Burlington, in the first championship game, by the score of 27 to 14. After the visitors scored the first goal the Watson Brothers fed Arnold, Solomon, and Taylor, with lightning passes to score 18 points in the second quarter and sweep their opponents off their feet. The half ended 27 to 7, with G. H. S. on the big end of the score.

The Greensboro boys worked as a unit, and presented a smooth working quint that bids to go far in the state championship. It would be almost impossible to pick a star from the Greensboro team, as the whole team played excellent ball after the first quarter. Solomon and Arnold were high scorers with 12 and 8 points respectively. After the first half, numerous substitutes were used by Coach Park, every man on the squad getting a chance in the game.

The Burlington team fought desperately in the last half, but the lead was too great to overcome. Jones was the best man for Burlington.

R. W. TAYLOR VISITS HERE ON FEBRUARY 9

Works Out With Local High Cagers. One of Country's Leading Players. Gives Up To Reputation.

The members of the basketball squad had a very distinguished visitor at the Caldwell Gym on February 9. Mr. R. W. Taylor, who represents the Converse Rubber Company, makers of a very popular brand of gym shoes, was present, and lived up to his reputation of being one of the leading basketball players of the country.

Mr. Taylor donned his gym suit, and worked out with the G. H. S. first and second teams. His uncanny passing and shooting ability were the features of his playing. He almost beheaded several of the Greensboro boys by his habit of looking one way and passing another. He gave the team several good points which they believe will serve them well in the championship series.

Mr. Taylor formerly played with the Buffalo "Bulldogs," who is one of the best, if not the best, professional team in the country. He is without a doubt the best player that has ever been seen in Caldwell Gym. His visit is looked forward to by the lower classmen, because playing with, or seeing a man of his caliber is a special treat.

GIRLS BASKETBALL TEAM IS IN BROKEN CONDITION

The girls basketball squad is in a very pitiful condition. The poor girls have been hobbling around the school as though they were in their "last stages of delapidation."

Mary Tilley's thumb will not permit her to play in the game, and in the last few games the team has missed her thumb a great deal.

Mary McCollum has been wearing her last year's pumps on account of a blistered heel. According to reports from Miss Walker's room she has found her

N. C. HIGH SCHOOL PRINCIPALS MEET

(Continued from page one)

The Saturday morning session was concluded with a discussion of high school athletics by Charles W. Phillips. This topic proved to be of very great interest. The discussion pointed to the fact that high school principals more than any other group can secure a higher plane of athletic competition between the schools. Closer supervision of schedules was a point to which they gave great emphasis.

The men present were opposed to the rigid requirements of some rules which university authorities advance. The one-year residence requirements for students who wish to enter into high school varsity athletics was discussed and was opposed. Another part of the rules requiring residence of parents for any students who take part in contests between the schools was discussed freely. There was not any desire to do away with these rules, but the opinion was expressed that good pupils should be given the opportunity they deserve as much as others who meet the demands.

The conference concluded here Saturday morning. The principals decided to hold their next annual meeting in Wilmington, and they selected M. G. Little, principal of the high school of that city, as chairman of the group.

voice which she lost during the Burlington game.

Sadie Clement had a fainting spell about three weeks ago, and since that time has not been able to exercise herself strenuously.

The flu got hold of Lola Michaux and her laugh, but she is now recuperating, and is expected to be "on the floor" at the next game.

Marguerite Harrison and her hip are getting along nicely, and they are both ready to play another game.

Ruth Watson's ankle, which has been out of whack for the past few weeks, is now on the road to recovery.

"Cricket" Brown has been going around the school with an iodine stained finger, and a prescription for sprained fingers.

Jane Harris and Glenna Farlow have not fallen prey to any sort of accidents as yet.
