# PURPLE WHIRLWIND IS VICTORIOUS OVER WINSTON - SALEM HI

Dave Quate Makes 70-Yard Run For Touchdown In First Quarter

#### BOTH TEAMS FIGHT HARD

Winston Chalks up Safety in Second Quarter—Game is of See-Saw Variety—Band Plays

When the Greensboro and the Winston-Salem High outfits, long since rivals, met at Cone Park October 9, it was a battle until the final whistle found the "Purple Whirlwind" gridders with a 6 to 2 victory.

The game was decidedly one of the see-saw variety with neither team holding any great advantage. The advantage held in weight by the husky bunch of Winston youngsters was off set by the dash and flash of the Greensboro crew.

Scoring got under way early in the first quarter when Dave Quate, Gate City guard, picked up a Winston fumble and dashed seventy yards for Greensboro's only score of the afternoon's encounter. Winston chalked up a safety for two points in the second quarter (being somewhat greedy she set up a howl and said she had scored a touchdown, but Referee Roberts voted "nays" and the nayes had it.)

Both teams had a large number of supporters in the stands and their cheers and yells added much to the enthusiasm of the game. Aside from this, the G. H. S. band also had much to do with the pep of the afternoon's fray.

### UNDER THE COLORS

A big bunch of purple and gold went toddling across the football field, seemingly following Ben Wood. A huge thunder of cheers pealed forth from the grandstand.

After a long stare at the unusual bouquet. I deciphered a bristly little four-footed creature, with a little turned-up nose and teary eyes. When he was handed over into the grandstand a crowd assembled to see the curiosity, which was so small it could hardly be found.

He was put out on the field again, and as "Fifteen rahs for 'Whirlwind'" was heard from the spectators, "Whirlwind," the footbal lmascot, turned, bowed gracefully and smiled a winning little puppy dog grin.

"From the mistakes of others a wise man corrects his own."

### SALISBURY ELEVEN HOLDS G. H. S. TO TIE

Ralph Cook Adds 12 Yards, Enabling Greensboro to Score a Touchdown

### SHOWS EXCELLENT SPIRIT

History repeated itself with brother arrayed against brother Saturday, October 16, when G. B. Phillips' Salisbury warriors lined up against those of his younger brother, Charley, at Cone Park in a game that ended in a 6 to 6 deadlock.

At the beginning of the fourth quarter, faced by defeat with a six to nothing score the "Purple Whirlwind" rallied and began a march towards the goal. At this junction of the game the stands were in a uproar with the Greensboro fans calling for a touchdown. However, there suddenly was a hush in the stands as 'Chuck" Burgess, field general of Gate City lads was taken from the game due to an injury. Things looked decidedly gloomy at this time and with both Burgess and Watson out the game the Greensboro stock fell below par. It was not for long however, for Cook substituting for Burgess on his first play of the game ripped off 12 yards, putting the ball within two yards of the goal. On the next play Teague scored a touchdown with a plunge through center. Try for extra point failed. Salisbury scored game in the third quarter on a long pass, Reeves to Fredericks.

The entire game was a battle with neither team holding any great advantage. During the fray G. H. S. registered nine first down; seven of these came in the last quarter. During the first half at one time the lads from the Rowan capital had the ball on the one-yard line but here the Greensboro defense tightened and she held the Black and Gold for downs.

Excellent spirit was exhibited on the part of the fans of both teams and their pep served to liven up the game.

### Hall Upholds Decision

E. K. Hall, chairman of the national football rules committee, upholds the decision of the Winston-Greensboro game. The discussion was over a peculiar play in the third quarter. Referee Roberts held that the play was a safety and not a touchdown as Winston claimed it was.

Lexington defeated Salisbury 23-0. This is a total of 146 points for Lexington this season and they have not been scored on by any team they have

# G. H. S. ELEVEN MEETS HIGH POINT GRIDDERS FRIDAY, OCTOBER 23

Both Teams In Condition For Fight, Though High Point Boys Lack Experience

### MEET LEXINGTON OCT. 29

Lexington Has Fast Team—Have Not Been Scored on This Year—A Hard Fight Expected

Today Greensboro meets High Point at the furniture city. The Greensboro boys have worked all the past week and the results of the secret practice will be shown today.

High Point has a creditable team but are at a disadvantage because of inexperience. The High Point coaches have worked hard all the week in preparation for the game and have their charges in great shape. The team is especially fortunate in having a player able to punt sirty-five yards. Both teams expect a hard game.

Saturday, October 30 the Purple Whirlwind meets the fast team from Lexington. The Lexington boys have been going strong this season and with such men as Paul Hutchin, quaterback, Sam Eanes, halfback, Bob Chetty, center, and Dick Cecil at end a battle royal is expected.

Greensboro enters the fray with most of the regulars off the injured list. This game will be one of the hardest of the season. The Lexington squad has not been scored on this sea-

What's the matter with you? Let me up there. I've at least got red hair."

"Stop stepping on me."

"I'm going to sit on the back if you will get off my blanket."

All this commotion for a pass to the National to see Red Grange in "One Minute to Play." Well, the football boys said it was well worth their time being crowded in a truck and used as an advertisement for one afternoon. Of course the college girls had to be told what was on at the picture show.
