## CLOSELY PLAYED

Lipscomb and Watson Star For G. H. S., Cook and Hutchinson For Charlotte

## LARGE CROWD PRESENT

Captain Lipscomb, Willard Watson, "Dizzy" Hargrove, and "Chuck" Burgess Play Last Game

Greensboro was nosed out of championship running by virtue of the defeat handed her at Salisbury Saturday, November 27, when the "Fighting Gentlemen" of Charlotte High piled up a 15 to 0 score against her in the final Western Championship battle. The game was closer than the score would seem to indicate and the large number of fans, who filled the stands to full and overflowing, witnessed another of the season's thrillers.

After a scoreless first quarter, Charlotte drew first blood in the second, when Hutchinson booted a placement kick across the crossbar for three points. Following this Greensboro's defense tightened and she held the lads from the Queen City without further scoring until the last quarter, when they ran their final score up to fifteen points.

Greensboro threw a scare into the "Fighting Gentlemen's" camp late in the second quarter when she began an overhead attack that started a rush down the field that ended only when the whistle blew to end the half. The "Purple Whirlwind" threatened again in the third quarter when the ball was carried to the nine-yard line where a pass was intercepted by Cook, of Charlotte, who dashed 43 yards before he was downed.

Although Greensboro's playing was hardly on a par with that of her opponents, in her Charlotte found no little opposition and a team that was in there fighting until the final whistle. Particularly outstanding for G. H. S. was the work of Watson and Captain Lipscomb. Time after time the latter broke through the opposing line to nail aspiring Charlotte backs for a loss.

## CHAPEL PROGRAM IN FOOTBALL STYLE

Hayworth Jewelry Store Presents Team With Silver Footballs—Capt. Connelly Talks

## DR. TANKERSLEY SPEAKS

A unique program was given in chapel, Monday, December 6. Mr. C. W. Phillips blew the referee's whistle for kick-off. Then everybody sang, with the band. "We're fighting for you, G. H. S." Finley Atkisson, Jane Harris, and Clarence Phoenix led yells for the team, Captain Ned, and the coaches.

As the scripture, Mr. Phillips gave the story of David and Goliath, after which he led in prayer. Music was furnished by Nell Applewhite, who sang, "Me Too" and "That's Why I Love You."

Mr. C. W. Watson was scheduled to talk on "The Team." Mr. Watson was unable to be present and Captain J. L. Connelly talked. The three essentials of a good football player, as he gave them, are: a sound body, an alert mind, and moral straightness. He said that if the ethics of football are practiced in everyday life, that life will be a success.

Captain Ned gave the response and thanked the students, faculty and citizens of Greensboro for their support during the football season. A tribute to the football boys was paid by Coach Coletrane. He said they had done their part in every way and played the game for the love of the game. He praised the scrubs, who gave their best to help the varsity.

A certificate was presented to Dr. J. W. Tankersley, who in turn presented certificates to the boys and the coaches.

Dr. Wilfred Carr, representing Hayworth Jewelry Store, presented the team with silver, engraved footballs. The program closed with a song, "Let Us Call You Heroes," to the tune of "Let Me Call You Sweetheart."

## ATHLETIC ASSOCIATION MEETS IN CHAPEL DEC. 2

President of N. C. C. Association, and Heads of Hockey and Basketball Talk On Good Sportsmanship

The Girls' Athletic Association met Thursday, December 2, at chapel period, Miss Joanna Dyer, head of the Physical Education Department and head of basketball at N. C. C., spoke on basketball in high school.

"No one girl can do all the playing. High schools have a tendency to try to star one player. Team work should be the rule. A good basketball player should be able to play guard and forward equally well," said Miss Dyer. She stressed the new plays and the importance of a forward breaking away from her guard. She ended by stressing the rules, the importance of knowing the rules and where and to whom you are going to throw the ball.

Miss Bivie Wilson president of the Athletic Association of N. C. C., spoke to the girls next on "Good Sportsmanship."

"One should at all times be true to their highest ideals. You should never argue. You should obey orders," said Miss Wilson. "Don't quit, don't gloat over winning, overestimate or underestimate yourself."

Miss Marylyn Edmonds talks on hockey. "Hockey has been played in

## SPORT HEADS HAND IN ATHLETIC POINTS AT GIRLS' COUNCIL

Number of Points For Class and Varsity Practice Discussed by Council

## 2 MONOGRAMS ARE WON

Points Turned in at This Meeting Will Probably Make Other Girls Eligible For Their "G"

Tuesday, December 7, the Girls' Athletic Council held a meeting in Barn A. The purpose of the meeting was to give the sport heads an opportunity to hand in points made this year, and to discuss candidates who have earned their monograms. Minnie Herman and Marion Curtis have made the necessary points for their "G."

The number of points to be awarded for class and varsity practice was discussed. It was decided that 10 points would be awarded for 60 per cent attendance at class practices, and 20 points for varsity.

Since there has been so much confusion among girls who have earned points and not received them, the council decided that each sport head should give each girl a receipt for her points. Miss Ina Mae LeRoy and Virginia Douglas were appointed as heads of this committee.

The points turned in at this meeting very likely will make other girls eligible for their "G." It was decided that another meeting would be called before awarding these two monograms which have been won. A Girls' Monogram club will be discussed at the next meeting, also.
