

CLASSES IN SOCIAL SCIENCE TAKE TRIP TO RALEIGH, MAR. 3

Pupils From Three Elementary Schools Visit Places of Interest in Raleigh

TEACHERS ACT AS GUIDES

Automobiles Furnished by Members of Monarch Club and Parents Visit House of Representatives

Students of classes in social science of three elementary schools of Greensboro made a trip to Raleigh, Thursday, March 3, under guidance of teachers. They visited the capitol and other places of interest. The trip was sponsored by the Greensboro Monarch Club, with the co-operation of the children's parents.

The students who went were chosen by their classmates at Caldwell, Aycock, and McIver Schools, where classes in social science started last fall. This course is a combination of geography, history and civics.

Automobiles for transporting students to and from Raleigh were furnished by members of the Monarch Club, and parents of the children. While in Raleigh they visited the house of representatives, and the senate, Governor A. W. McLean, the state museum, Supreme Court, the hall of history, and the state penitentiary.

The purpose of the trip was to see the functioning of the legislative bodies. These pupils told of all they had seen to their fellow classmates when they returned.

Have Meeting at Y. W. C. A. Mrs. Carr Speaks on Y. W. Work

SOME QUESTIONS SETTLED

The Girl Reserves Club met at the Y. W. C. A. for supper on Friday, February 25. During supper there was a general discussion of questions concerning the Y. Mrs. Carr stated, when she straightened out a very puzzling question:

The Y. W. C. A. has only one main office in a town. Those Y's lying outside may have buildings, but they are directed from the central Y.

JAN. ATTENDANCE LOW IN COUNTY SCHOOLS

Rankin School, North of White Oak Has Highest Attendance—94 Per Cent

The average attendance of the county schools was lower during January than for any of the four fall months. The January average is 84 per cent as against the 86 per cent for the first four months. The Rankin school, north of White Oak, had the highest attendance, theirs being 94 per cent.

We certainly do pity the poor students who try to study in the library during the fifth period.

O. N. PETREE GIVES TALK

Mrs. A. A. Atkisson, Mrs. E. L. Davant, Mrs. C. W. Watson, Mrs. T. A. Glascock Serve for Evening

Tuesday night, February 22, the Hi-Y clubs had their regular supper. After the supper the different clubs were divided into their chapter rooms for discussions. The mothers serving for the evening were Mrs. A. A. Atkisson, Mrs. E. L. Davant, Mrs. C. W. Watson, and Mrs. T. A. Glascock.

The Hi-Y Club No. 1, or the Robert E. Lee Club, received a particularly inspiring message from Mr. O. N. Petree. Mr. Petree used as his topic, "Ideal Americanism." He said that everything an American boy did today would come before him in his later life and what the boy did today would determine what he would do or be in his later life.

SMALL ATTENDANCE DUE TO DEEP SNOWFALL

Only 250 Pupils Present March 2—12 Teachers Absent Same Day—Attendance Improves Thursday

ABSENCES EXCUSED BOTH DAYS

On Wednesday, March 2, there were only 250 pupils present at G. H. S. Twelve teachers were absent. All day long pupils and teachers were seen wandering in very casually. The cause of all this carelessness in regard to the old attendance was the heavy snowfall that day.

The next day nearly everybody was back on the job. Superintendent Archer has ruled that all absences for both Wednesday and Thursday are excused.

Hi-Y Club Gives Party

The Hi-Y's will give a party March 18. The party in December was such a success that it was decided to give another one.
