### GREENSBORO FISHING SEASON BEGINS MAR. 15

The 1927 fishing season for Greensboro began on March 15th. Twelve boats have been fitted out and are ready for use. Due to the recent snows and rains, the lake is somewhat muddy, and the anglers are having a rather difficult time.

High school pitcher found his pace. The bases were full when Gardner tightened and returned the next two men. G. H. S. started with a rush and scored three runs in the first inning. They scored by clean hitting and clever base-running. After this both pitchers settled down and the game became a pitchers' duel with Gardner holding the edge.

Coach Johnson reports that a good start was made in the first game. He expects great things of the team this season. Gardner pitched a fine game as a moundsman.

### STARS

The final curtain on boys' basketball was dropped on March 9th when Greensboro High was defeated by Raleigh High by a 28-21 count. This game was the final in the state tourney that is held annually at State College. The elimination series had been under way for three days previous to this encounter and when these two teams lined up for the game it was the meeting of the conquerors of six other teams fighting for a final judgment.

The game having the championship title in the balance was hard fought and neither team seemed willing to admit defeat. The Raleigh boys led in the scoring throughout the game and it was only in the last quarter that it seemed as if the Greensboro quintet would come through. With the rush that was started in the last period it was anybody's game until the last whistle sounded. The stars for Raleigh were Morris and Smith.

Morris was especially good at long shots, Smith high scorer for Raleigh with 11 points. The Greensboro team played well as a unit and all seemed to play with an equal distribution of work with the exception of the long shots of Watson and Wyrick. Watson and Sockwell were high scorers for Greensboro with seven and six points respectively.

#### New Athletic Building

...e batteries, with only two veterans, have shown up exceptionally well in the two games that have been played," said the coach in an interview March 22.

The infield has been termed as a "million-dollar outfit," and it was correctly termed, if it shows up as well as it did in the Leaksville game here. They are the most experienced men on the crew, and Coach Coletrane is expecting great things from them.

The outfield is probably the weakest part of the crew, having but one man who is experienced. However, with Nave as a nucleus for the outfield, Coach is expecting to make it the strongest part of the championship team for G. H. S.

### LEAKSVILLE DEFEATED IN FIRST SCHEDULED GAME

Pete Wyrick's Hit Drives in Gardner and Scores the Winning Run. Was Good Game

The Greensboro High nine won the first scheduled baseball game of the season when they defeated the Leaksville boys by a score of 4-3. The Greensboro boys showed up well, playing a good defensive game. Taylor and Wood started the game, but Taylor was relieved in the seventh by Gardner. He showed up exceptionally well and probably won the game for Greensboro. The score was tied in the ninth and Greensboro being unable to hit failed to score. In the tenth, however, Gardner knocked a two-bagger and "Pete" Wyrick followed suit, scoring Gardner and thus winning the game.
