

## PURPLE WHIRLWIND DEFEATS HIGH POINT WITH A LARGE SCORE

Local Players Take Easy Victory From Beginning of Game to Finish

### CHAMPIONS OF GROUP II

Purple and Gold Scored in First Quarter When Davant Made Run For Forty Yards and Touchdown

The Purple Whirlwind blew through High Point Saturday at the stadium for the championship of group two. The final score was 27-7. High Point scored her only marker in the last few minutes of play by completing five passes in succession.

G. H. S. will play either Asheville, Statesville, or Monroe, in the elimination series today or tomorrow.

The Purple and Gold scored in the first quarter when Davant made a sweeping end run for nearly forty yards and touchdown. It was a beautiful run behind perfect interference.

After this score High Point tightened and G. H. S. was unable to gain consistently. Cook's punting saved the locals many times from possible score. Late in the second quarter, Davant again got loose off tackle for another touchdown. He dodged and squirmed his way for 35 yards. The half ended with the ball in mid-field.

In the third quarter G. H. S. carried the ball to High Point's four-yard line only to lose it on downs. High Point punted out and the kick was partially blocked, rolling to Davant. He dashed around right end for another touchdown. Cook failed to drop-kick the extra point. It was the only one he missed during the game.

In the final period the Blue and White team tossed the ball over all of the High Point backfield's heads. It rolled across the goal line and S. Ogburn fell on it for the final Greensboro score. Blair had been using his hands freely on the opposing center causing him to make several bad passes. The High Point backs failed to recover this error.

After this, Coach Woodward sent in his reserves to finish the game. They were unable to cope with High Point's air attack and in five passes the boys from the Furniture City made a 60-yard march for a touchdown. As High Point kicked goal, the game ended.

In the backfield Davant and H. Ogburn were the only men who could gain consistently against High Point. In the line, Bob Blair was the shining light of the game. "Red" Paris played a snappy game at guard as did Bill Petree. For High Point, Kearns, Turner and Hinkle showed up well:

Lineup:

Greensboro (27)	Pos.	High Point (77)
Henderson	-----	Bryant
	Left End	
Hobbs	-----	Whitner
	Left Tackle	
Paris	-----	Hinsley
	Left Guard

## WINSTON DEFEATS G.H.S. SOCCER TEAM

Greensboro's Back Becomes Upset and Drives Ball Through His Own Goal

### "SPIRIT OF G.H.S." SHOWN

Thursday, November 10, the G. H. S. soccer team defeated from the toes of Winston socceteers by a 1-0 score. From the beginning, it was a hard-fought game, the Greensboro boys seeking to avenge the defeat earlier in the week. The first half ended with a 0-0 score.

The second half opened with a drive down the field by Greensboro into deep Winston territory. The ball there remained a greater part of the quarter. Later in the second half on a penalty kick from Greensboro's 30-yard line, a Greensboro back, attempting to hold the ball from the goal, was upset and drove it through his own goal. It seemed that Winston had an unseen player on the field—luck.

The Greensboro boys were complimented on their clear playing, and straight forward attitude during the game. There were no stars, the whole team worked together in perfect union, and even though Winston had more supporters than Greensboro, the G. H. S. team itself had the true "Spirit of G. H. S." on the field.

## SECOND SWIMMING MEET IS HELD AT CHARLOTTE

On Previous Encounter Charlotte Was Victorious With a 33-30 Score

The swimming team will meet Charlotte November 19, for the second time this year. On the previous encounter Charlotte was victorious with a 33-30 score. Last year Winston beat Greensboro and then Charlotte beat Winston by a large score. This year the team has practiced hard and it can be seen by the last score with Charlotte how much it has improved.

Frances Stern, manager, believes that the team has a large chance of victory. She said that Lillian Hauck would do much for the team as she is a fine captain and works with the girls.

At present the team is practicing harder than ever to improve dives and strokes. The girls are co-operating and working for one end—that is, to beat Charlotte.

## WINSTON WITHDRAWS FROM CHAMPIONSHIP

"The Lexington - Winston - Salem High School football game played in Greensboro Friday, October 4, is a forfeiture to Winston-Salem, due to the use of an ineligible player in the game," declares E. R. Parker head of High School Athletic Society in state. Lexington won the contest 18-6.

A protest was filed by the Winston-Salem High School, following an investigation into the alleged fact that Brown, a halfback, did not attend Lexington High School last fall. The decision was reached at a meeting in Lexington on October 9.

On the following day after the game had been forfeited, Winston-Salem announced that it would withdraw from the state championship race. The Winston-Salem authorities did not state any reason for their withdrawal.

## SIDELIGHTS

The coaches have been scrimmaging against the varsity for the last few days. It is surprising how "Red" Routh can catch passes and Woodward can plow through a line. As for Mr. Coltrane, he is good at anything.

In the Wilmington-Dunn game last Saturday W. H. S. played the whole game and was not forced to punt a single time. Needless to say, Wilmington won the game and eliminated Dunn from the state title.

There is one consolation in losing out in the state elimination series. The school can get an early start in basketball. We hope we will not be saying this to ourselves anytime soon.

"Bud" Teague returned to practice this week after being out for several days on account of a sore knee. His absence was felt in the High Point game.

The football team came out of the High Point game with only minor injuries. No one on the squad had more than a few bruises and scratches after the game.

The track team is still working out at the stadium, and will continue to do so until bad weather drives the boys inside. A large number of boys, led by Captain Phoenix and Coach Lambeth, are nearly burning up the track every afternoon.

## BOYS' BASKETBALL BEGINS PRACTICE

Three Letter Men Are Back for Team and Several New Prospects

### ROUTH AND PARKS COACH

Boys' basketball practice started Tuesday, November 8, at Caldwell gym. Herbert Parks will coach the G. H. S. quintet again this year. He will be assisted by A. P. Routh. An unusually large group of boys turned out and several more will be out when football and soccer are over.

There will be three letter men back to build a team around and several likely prospects from last year's substitutes. Captain Wyatt Taylor, John Sockwell, and Bobby Blair are the three letter men who return. Blair played three years ago, but was out of school the next year, which made him ineligible last year. He played running guard and forward and is an adept shot from the middle of the floor, which should be a great help this year with the new rule concerning the ribble.

Taylor is an excellent center and both a good defensive and offensive man. Neither Taylor or Blair are out at present, due to football. John Sockwell, lanky forward, should be a great help to the team this year now that he has had a year's experience on the first string. His unusual height makes him a menace to any team.

Practice is at Caldwell gym every afternoon at 4 o'clock. Showers and dressing rooms have been provided for the use of the team.

## GIRLS' BASKETBALL TEAM MAKING RAPID PROGRESS

Class Games Will Be Played Off For the Championship—Varsity Team Expects Big Year

The class teams of girls' basketball have been practicing for the past three weeks in preparation for the class series. Although the time for practice is limited, all four teams have made great progress. The class games will be played in a few weeks for the championship.

After the class series, varsity practice will begin for the coming season. A good team is expected, as most of last year's players are back again. With the practice that the class games will give and Miss Dry's coaching, this year's team will probably win the district championship.

## PURPLE WHIRLWIND WILL PLAY MONROE AT 3 O'CLOCK TODAY

Game is Expected to Be Hardest G. H. S. Has Played This Year

### IS SEMI-FINAL OF WEST

The Winner of This Game to Play Winner of the Asheville-Statesville Game Also Played Today

The G. H. S. football team plays Monroe High School at the Stadium today. This game is the semi-final game of the western half of the state. The winner of this game plays the winner of the Asheville-Statesville game for the western championship.

Monroe has played some strong teams this year. They beat Concord High last week 43 to 0. The strong Charlotte team beat them 19 to 0 earlier in the season. They have a very strong team this year and the game promises to be hard fought and exciting.

The Purple and Gold team is going into the game in good shape, except for Wyatt Taylor, star tackle. Wyatt received an injury to his ankle several days ago and will be unable to play.

Greensboro barely nosed out Monroe year before last by a 3 to 0 score after having tied them once. Monroe is coming here determined to redeem themselves by beating Greensboro. This is the most important game Greensboro has played this year and a large crowd of rooters is expected to be on hand to help their team win. A large delegation is also expected to come up from Monroe.

## W.H.S. VICTORIOUS OVER GIRLS' HOCKEY SQUAD

Winston Started Game With Rush and Made Goal the First Three Minutes

### PLAY GAME ON N. C. C. W. GROUND

The Winston Hockey team defeated the Greensboro Hockey team with a score of 2-1 at N. C. C. W. field. The game was hard fought. Winston started the game off with a rush and made their only goal of the first half in the first two or three minutes of play. Greensboro kept Winston from making a goal again until the middle of the last half.

During the last few minutes of the game Witherspoon made Greensboro's only score.

The Winston girls showed speed and skill in their plays and different strokes. In these they showed better training than our girls. Greensboro High should be proud of its Hockey team for holding the score at 2-1. We have only eighteen girls in uniform to Winston's seventy-five.

The game was hard fought although several outstanding fouls were made. They were: advancing, obstruction, and sticks.

## G. H. S. GIRLS WIN GAME FROM SALISBURY TEAM

The Greensboro hockey team defeated the Salisbury hockey team with a score of 3-0 on the N. C. C. W. field Saturday morning, November 5. The Salisbury team put up a good fight and played a good game, but the Greensboro team out-played them throughout the game. Three goals were made the first half; another the last half. Hutchinson, Williams, and Goodwin knocked the goals.

Although hockey is a new sport in this section, it is quickly gaining favor, and in a few years is expected to be one of the leading sports.

Evelyn Rives and Catherine Wharton come to have lunch over at the cafeteria every once in a while. They were here last week.
