

9TH MUSIC CONTEST FOR HIGH SCHOOLS TO BE HELD IN APRIL

The Numbers for Contest Chosen by Special Committee of Supervisors

JUDGES TO BE MUSICIANS

Enrollment Has Steadily Increased Since First Contest Was Held Seven Years Ago

The ninth annual music contest for high schools, sponsored by the North Carolina College for Women, will be held Thursday and Friday, April 12 and 13, 1928.

The contest will include the following events: Mixed chorus; boys' glee club; girls' glee club; orchestra; band; wood-wind ensemble; mixed quartet; boys' quartet; girls' quartet; string quartet; brass quartet; and a number of solo events. All schools are required to enroll before March 15; an extension to March 29 will be made on payment of double registration fees. Registration fees are: \$1.00 for each soloist; \$2.00 for quartets and ensembles; \$5.00 for all other groups.

Numbers for the contest have been chosen for each event by a special committee of supervisors; these numbers are listed in the booklet announcing the contest.

There will be one judge for each event. The judges will be musicians of national standing and experienced in the work of judging music contests.

The first annual contest was held in May, 1920; fourteen students participated. Since that time the enrollment has steadily increased, and in last year's contest 1,865 were entered.

FROSH DEBATERS HEAR TALK TUES.

Louis Brooks Talks on Parliamentary Law at Weekly Meeting, Dec. 6

STRESSES ORDER IN CLUB

Louis Brooks, a member of the Senior Debating Club, talked to the freshman debaters Tuesday, December 6th, at their weekly meeting. "Parliamentary Law According to Rogers" was the title he chose as the subject of his talk. According to Mr. Brooks, the laws that are used in all sessions of Congress should be followed in the Freshman Club in addressing the speaker and in other proceedings. "Rogers' Rules of Order" is generally considered the best authority on all questions of etiquette in Congress. This is what the Freshman Debaters should use. The rest of the period was spent in asking questions on "Parliamentary Law." Several members of the club expressed the opinion that they knew more essentials of order now than they thought ever existed in any book. The meeting was then adjourned until the following Tuesday.

MR. E. PERISHO TALKS TO SCIENCE STUDENTS

Elwood Perisho, head of the Extension Department at Guilford College, spoke to the chapel students, Wednesday, December 14. All pupils interested in science, chemistry, and physics were present. Mr. Perisho's topic was "The Origin of the Earth."

The seventh period was shortened ten minutes in order that the eighth period might be an hour. The Rines Brothers were present and gave a taste of the program that they are going to present in chapel Tuesday, December 20.

Dr. Perisho discussed and explained the three best known scientific conceptions of the origin of the earth, the nebulae hypothesis, the meteoric hypothesis, and the Chamberlain Plantesimal hypothesis.

MISS JESSIE LAIRD WILL SPEAK TO FRENCH CLUB

Theme to Be "Festivals of the French People at Christmas and Their Observance of These"

Miss Jessie C. Laird will speak to the members of the French Club and other French students December 20. She is the French instructor at N. C. C. W.

Miss Laird will speak on the festivals of the French people at Christmas time, and how they observe them.

She is a native of France and returns to her home every summer. The members of the French club consider it a great privilege and honor to have Miss Laird to lecture for them and the other students.

She has attended the University of Michigan, where she received her M. A. degree. She also attended the University of Portiers, Alliance Francaise in Paris, the University of Marburg and Mount Holyoke, where she received her A. B. degree.

HOT DOGS HOT

"Fire! Fire! Fire!"
"Let me out of here."
"Get some water."
"Gee! I'm burning up."

Such were the exclamations heard last Friday night at the circus. The hot dogs were selling fine at one of the stands when the oil stove that had been cooking the dogs to such a delicious perfection got out of control when the increased demand caused the cooks to put on a bigger flame. Decorations on the stands caught on fire and quite an uproar was caused until some one had presence of mind to put it out with a fire extinguisher.

THE MAKEUP CLASS OF GREENSBORO HIGH EXHIBITS PROGRESS

Sometime in Future We hope to Have Regular Periods, Says Miss Wheeler

MEMBERSHIP VOLUNTARY

The Class Has Supervised "Come Out Of The Kitchen" and Will Supervise Rostard's "Romance"

"The class on makeup has been making rapid progress," stated Miss Wheeler, faculty adviser. "The class has learned the difference between wet and dry makeup; between character and straight makeup. They are now specializing on age lines and moustaches.

"The makeup class meets once a week, every Wednesday at chapel period. No credit is given, membership is wholly voluntary, since this is a branch of the dramatic club. Besides makeup, the class studies costume designing and is in charge of the costuming, stage setting and makeup of the plays which the dramatic club produces. So far they have supervised 'Come Out of the Kitchen,' by Thomas, and are working on costumes for Rostard's 'Romancers,' to be given in chapel," she continued.

"Sometime in the future we hope to have a regular course in designing, makeup and stage setting, with regular periods and trained teachers, and of course, in such a case, credit will be given."

When the makeup class of dramatics is added to the courses at Greensboro High there will be two divisions, the presentations of plays and those interested in stage craft. "Since this voluntary class has been organized they have shown great improvement. We are yet in infancy but in time I believe Greensboro High will add this to the many courses that it already offers," declared Miss Wheeler.

GREENSBORO HI-Y CLUBS COMBINE IN ONE GROUP

Woodrow Wilson, Robert E. Lee, and Junior Hi-Y Club at G. H. S. and Pomona Will Combine

MEMBERS EXPECT BETTER SPIRIT

The Hi Y Clubs of Greensboro have combined into one Hi Y that embraces the former four distinctive clubs. There were three clubs at G.H.S., the Woodrow Wilson club, the Robert E. Lee, the Junior Hi Y and one other at Pomona.

The clubs meet at the local Y. M. C. A. every Tuesday night of the school year. They had been meeting in separate groups, but now since they have combined they meet in one large group.

Norman York, a G. H. S. student, has been elected president of the entire group. Romeo Le Forte is vice-president while Cecil Bishop is secretary and Clarence Cone treasurer. The re-organization of the club will cause a better spirit of unity to be enjoyed and more of the good work.

FLORENCE PALMER WEDS J. W. DAVIS

Florence Palmer, former student of G. H. S., was married to John W. Davis, of Winston-Salem, November 28th. The wedding was a complete surprise to everyone.

The bride has spent the last several months with her sister, Mrs. Ben Harris. She formerly lived in Bloomington, Ill.

The two motored to Virginia where they were united in marriage, and then journeyed on to Washington on their trip. They returned Sunday to Winston where they will live with his parents, Mr. and Mrs. A. W. Davis.

RINES BROTHERS IN FEATURE PROGRAM AT LOCAL SCHOOLS

Evangelistic Workers of New York State Tour Southland. Make Greensboro Stop

SEVERAL SONGS LISTED

Entertainment Entirely Humorous. Cartoon Work Illustrates Short Talk—Admission Fifteen Cents

The Rines Brothers, evangelistic workers of New York state, are making a tour of the southland. While on this visit they are stopping in Greensboro. They have been here for the past two weeks. Their work is not alone in the churches but visits to practically all the city schools have been made. Caldwell, Aycock, and Pomona have already heard these well-known workers.

Tuesday afternoon, December 20, the brothers will give a program at G. H. S. They both sing, and several songs are listed on their program. Cartoon work will illustrate a short talk. Through the sketch-work the talk will be vividly painted.

Any students wishing to hear the program will be allowed to attend. An admission of fifteen cents will be charged per student. This fee is charged in order that the trip of these brothers may be continued throughout the south.

The program will have some Christmas-tide message, while it will be mostly humorous and pleasing to the students.

Wednesday, December 14, the Rines Brothers gave just a taste of what the program for Tuesday will be like. Songs and some sketch work seem to have worked up interest and a number of students are to attend the program next week.

GRAMMAR SCHOOL NEWS

Grades 1 to 3 of Aycock School, under the supervision of Miss Loretta Sparrow, are preparing for a Christmas pageant to be given December 16. The pageant, "When Don't Believe Was Changed to Believe," will include a cast of 200 children, and every one is working hard to make this a success.

McIver

A talk on thrift was given in chapel December 12 by a representative of the New York Thrift Club.

The social science class of grade 8-B presented a play, "The Westward Movement," in chapel December 14. It was directed by Miss Grady Thaxer.
