

## GREENSBORO LOSES FIRST BASEBALL TILT TO HIGH POINT NINE

Wyatt Taylor Strikes Out Nine Men in the First Four Innings

G. H. S. MAKES THREE HITS

Scott, High Point Pitcher, Secured the Only Extra Base Hit of Entire Game

Unable to secure but three hits off Scott, High Point pitcher, the Purple and Gold diamond men lost their opening tilt of the year by a score of 4 to 3. The game, played at the stadium on Friday, March 23, was witnessed by a few followers of both teams.

Greensboro started off strong in the first inning, scoring three runs as a result of two hits by Parks and Chambers, a walk, an error, and a hit batsman. Webb secured the only other hit for Greensboro in the second inning.

Wyatt Taylor, star moundsman for Greensboro, pitched the first four innings, holding the High Point nine scoreless and fanning nine men. Merritt, who relieved him in the fifth inning, did not have the control and experience necessary, and as a result the High Point batters secured their four runs.

Scott, High Point pitcher, secured the only extra base hit during the entire game.

## TEACHERS CONSIDER JOB AS RIDERS IN CIRCUS RING

Miss Young Most Experienced Rider; Teachers Have Favorite Horses at Sedgfield Riding Course

The fact that G. H. S. teachers have other ways of amusing themselves besides teaching school and correcting papers is plainly shown by a fad a number of them have taken to recently. This new amusement is in the form of horseback riding.

Three members of the faculty have taken a special interest in following the bridal path and every spare afternoon and Saturday is spent at Sedgfield riding the bluebloods of the Sedgfield riding academy.

Miss Margaret Young seems to be the most experienced rider of the faculty, having had experience in the bluegrass region of Kentucky. Her favorite horse's name is Elmer. Miss Lucille Mercer and Miss Lula East also have their favorites, Bobtail and Nancy.

So far no casualties have happened from these rides except that one member was forced to call for a form of transportation that traveled on wheels instead of hoofs after riding a mile on the back of an ungulate beast.

## BROWN'S TEAM WINS STADIUM TRACK MEET

An inter-squad track meet was held at the stadium on Thursday, March 6, between three teams captained by Theron Brown, Clarence Phoenix, and "Red" Goodwin. Brown's team won with a total of 37 points, and Phoenix's and Goodwin's teams followed with 36 and 35 points, respectively.

"The meet," stated Coach Lambert, "was to help pick a team for the Davidson meet which was held on Saturday, March 24."

## WRESTLING AND BOXING TEAMS

Left to right, back row: Wilder, Hodge (Capt.), Bell, Whitworth, Brooks, Varnon, Pope, Gilmer. Front row: Hobbs (Manager), Green, Smith, Justice, Motsinger, Becketh, McLean, Quate, Faison, Coach Coltrane.

## CHARLOTTE WINS IN DAVIDSON MEET

Greensboro Takes Second Place With 29 Points—Led by Brown and Phoenix

### T. BROWN IS HIGH SCORER

Greensboro High, led by Theron Brown and Clarence Phoenix, star Purple and Gold men, and state record holders, took second place in the Davidson track meet held at Richardson field on Saturday, March 24. Charlotte High, leading G. H. S. by 12 points, took first place for the third successive year.

Phoenix, captain of the Greensboro team, took first place in both the mile and 880. He completely outclassed other runners in these races. Theron Brown was high scorer of the meet, securing 11 points as a result of first place in the shotput, and second places in the javelin and discus.

Other members of the Greensboro team securing places were: Weaver and Lindeman in the 440; Horney in the 880; and Robinson in the broad jump and high jump.

## GIRLS' MONOGRAM CLUB UNHINDERED IN GROWTH

Duella Walker Has Highest Number of Points—Wears Two Stars With Her State Monogram

The Girls' Monogram Club at Greensboro High School is still in its infancy, but this has not hindered its growth. It was organized in 1927 with Evelyn Rives as its first president and Marion Curtis as its secretary.

The first aim of this club was to get a constitution. Evelyn Rives and Carl Lane Browne wrote one which was readily accepted.

Those who belonged to the club when it was first organized were: Virginia Douglas, Rachel Lipscomb, Jane Harris, Marion Curtis, Rose Goodwin, Carl Lane Brown, Evelyn Rives, Minnie Herman, and Marion Geoghegan.

Since its organization the club has risen from 10 to 22 members and from only one state monogram to five.

Those wearing state monograms are Rose Goodwin, Carl Lane Browne, Duella Walker, Leila George Cram, and Margaret Bowles. Duella Walker has the highest number of points of any girl in the school. She is wearing two stars with her state monogram.

### Baseball Schedule

March 23, High Point here.  
March 31, Leaksville there.  
April 3, Reidsville there.  
April 6, Leaksville here.  
April 10, High Point here.  
April 12, Carolina Freshmen there.  
April 13, Reidsville here.  
April 21, Winston there.  
May 4 and 5, Mt. Airy there.  
After championship, Winston here.

### SPORT LIGHTS

The Tri-City track meet, to be held at the stadium tomorrow at 2 p. m., will be a four-city meet. Reidsville will enter along with the original three, Greensboro, Winston, and High Point.

Ned Lipscomb, former G. H. S. football star, won a meal-ticket at U. N. C. for outstanding playing during the winter football season.

Billy Vanstory is on the varsity basketball team at Carolina.

Guy Hill and Paul Wimbish are out for managers' positions.

Pete Wyrick, Jimmy Clements, and Nape Luffy are all out for positions on the baseball team at Carolina.

Greensboro High's track team seems to believe that a postponed track meet is a sign to break training.

We believe the track team could accomplish more on a dirt track than on a ballroom floor.

Good baseball weather has been lacking so far this year and the Purple and Gold nine has been handicapped as a result.

The tennis team shows fine form and should be able to put up a good fight for the state championship.

The girls seem to be going out stronger for athletics than the boys. They are represented on more teams for spring and summer sports.

Vick Jones is captain of two baseball teams—the Y. M. C. A. team and the G. H. S. nine.

Although the average height of the boys' baseball team is about five feet, five inches, they are expected to live up to the maxim: "Little but loud."

Anyway the girls' track team has a real track to practice on—a railroad track.

## BASKETBALL TEAM SELECTS CAPTAIN

Boyd Morris Will Succeed Wyatt Taylor as Leader of G. H. S. Quintet

### PARKS GIVES RECEPTION

The Purple and Gold basketball squad was lauded for its work during the past season by a reception given for them by Coach Parks on Friday night, March 23, at his home. At the reception, refreshments were served and music was furnished by radio. As most of the members of the party were not in training, they were allowed to dance and enjoy themselves to the utmost.

Boyd Morris, star guard on this year's team, was elected captain of next year's team to succeed Wyatt Taylor. Boyd, who has been on the basketball squad for two years, is very capable of the position. He also has been on the baseball squad for two years and is first string catcher on the baseball team this season.

Seven members of the squad, including the manager, were presented with monograms at chapel. Those receiving monograms were: Charles Shoffner, Wyatt Taylor, Romeo Leforte, John Sockwell, Bob Ballard, Frank Nicholson, Boyd Morris, and Gordon Matlock.

## TENNIS TEAMS AT G. H. S. SHOW GREAT PROGRESS

Both Boys' and Girls' Squads Have Been Practicing Daily Since Beginning of Spring for Positions

More interest has been shown in tennis this year at G. H. S. than ever before. Both girls and boys have been practicing daily since the first sign of spring for positions on the teams. A. P. Routh is in charge of the boys. He has a squad of about 12 boys out. Three of these, Sockwell, Andrews and Hendrix are letter men. They showed up very well in last year's team, and ran up in the semi-finals in the state championship series. Whittington, Watson, Crews, Money and Holmes, Atlantic City event men, also show fine form. These men are now going through an elimination series, and six of them will be picked for the team.

The girls under Miss Nellie K. Dry have a larger squad out than the boys and are going good. They also will go through an elimination series before their team is picked.

## SPRING SCHEDULES AFFORD GREENSBORO GIRLS COMPETITION

Winston, High Point, Greensboro, and Many Others Compete in Games

PRELIMINARIES IN APRIL

Swimming Meet, Track and Field Day Program, and Baseball Series Are Planned

District five of the North Carolina Girls' Athletic Association met at G. H. S. Saturday, March 17, to arrange a schedule for spring sports. Miss Olive Smith, of Winston-Salem, is chairman of the association.

A baseball series will be run off like the basketball championship. Greensboro High has won all the previous series, and Miss Ida Belle Moore, the girls' coach, thinks they have a good chance of winning again. About 35 girls are hard at work practicing every afternoon.

A tennis schedule was planned. Winston won this meet last year.

A track and field day program was arranged. This was held in Greensboro last year, and G. H. S. lost to Winston-Salem by one-eighth of a point. For three years previous G. H. S. had won these events. High Point will conduct the meet this year at their new high school.

Plans were also made for swimming meets. Winston-Salem, High Point, Burlington, Leaksville, Trinity, Germantown, Reidsville, Madison, Guilford, and Greensboro were represented at the meeting.

The events in which the girls will participate are: 50-yard dash, 75-yard dash, 120-yard pursuit relay, 50-yard hurdles, standing broad jump, running high jump, shotput (8 lb.), discus throw, javelin throw, and 50-yard dash relay. Only three entries are allowed in any except the 120-yard pursuit relay, in which four may run, and the 50-yard dash, allowing six entries. Last year Duella Walker won first place in the 75-yard dash. She ran it in nine seconds. She also came out first in the 50-yard hurdles and the running high jump. Lillian Tye won the discus throw and the javelin throw.

The preliminary meets start here April 13 with a dual meet—Greensboro vs. Trinity. The second is in High Point April 20, Greensboro vs. High Point.

## GIRLS' MONOGRAM CLUB ENTERTAINS AT DINNER

Representatives from Winston, High Point, and Salisbury at Banquet. Rachel Lipscomb Toastmistress

### HELD IN HIGH SCHOOL CAFETERIA

The Girls' Monogram Club of G. H. S. entertained representatives of Winston-Salem, High Point, and Salisbury Monogram Clubs with a banquet Friday night, March 16. The banquet was held in the High School cafeteria, which was decorated in white and green to carry out the St. Patrick idea.

Carl Lane Browne led in the sportsman's prayer and Rachael Lipscomb gave a toast to the fellowship of the clubs of surrounding towns. Emma Frid, of High Point, made the response.

Following this, Gertrude Carver and Catherine Pearce gave "Two Dances from Paris." Then Mary Creech talked a short while on what it means to wear a state monogram.

Frances Stern gave a graceful dance, and "Red" Paris two musical selections. Following this, Annie Marie Kesler, of Salisbury, made a short talk on "What the Monogram Girls Can Do Toward Creating a Spirit of Good Sportsmanship Among Students of Other Schools." Then G. W. Phillips, superintendent of Salisbury High School and faculty head of the association of this state, told of what the Girls' Athletic Association is doing.
