

G. H. S. GIRL ATHLETES SUCCEED THIS YEAR IN VARIOUS SPORTS

"I Think They Had a Fine Season, Considering the Lack of a Coach," says Miss Dry

HOCKEY A LEADING SPORT

About Four Hundred and Fifty Girls Participated in the Different Sports This Season

The Girls' Athletic Association of G. H. S. has had a successful year.

The hockey team started out with 26 girls and ended up with 18. Joy Thraillkill, the new manager, has written and received replies to arrangements for a hockey schedule next year. The squad will lose only two members, Daphne Hunt and Sadie Sharpe. The girls played seven games and lost only to Winston. The games were played with Pomona, Winston, Salisbury, and Burlington. High Point has been scheduled this year. During the last season the team obtained new jerseys and hope to get shin-guards next year.

The basketball team started off with about 30 girls, which was plenty of material. They won only two games. The outstanding players were Stinnett, Walker, Goodwin, and Cram.

The swimming team had only one meet, as they had no coach. This meet was with Winston-Salem, which won with 52 points to Greensboro's 21 points. The team hopes to have a coach next year.

About 15 girls went out for track. One meet was held with High Point, which had a score of 42 points and Greensboro had 30 points. In this meet Duella Walker won three first places and Margaret Bowles, one. They did not enter the district meet.

On the tennis squad there were 25 girls. The team lost two games to Burlington and one to Winston, also winning one.

Baseball had a splendid season with 50 girls coming out. Eight games were played and G. H. S. won six. They played High Point, Snow Camp, Guilford, and Winston. They went to finals in the championship series, losing to Winston-Salem.

This year about 200 girls have kept training.

About 450 girls participated in sports this season.

GREENSBORO HI LOSES CHAMPIONSHIP HOPES

Leaksville Defeats Greensboro by a Score of 9-7 in Championship Series

TWO HOME RUNS FOR LEAKSVILLE

Greensboro played two championship games recently, the first one being with Reidsville on April 30, and the second with Leaksville on May 5. The latter eliminated Greensboro from the state championship race by the score of 9-7.

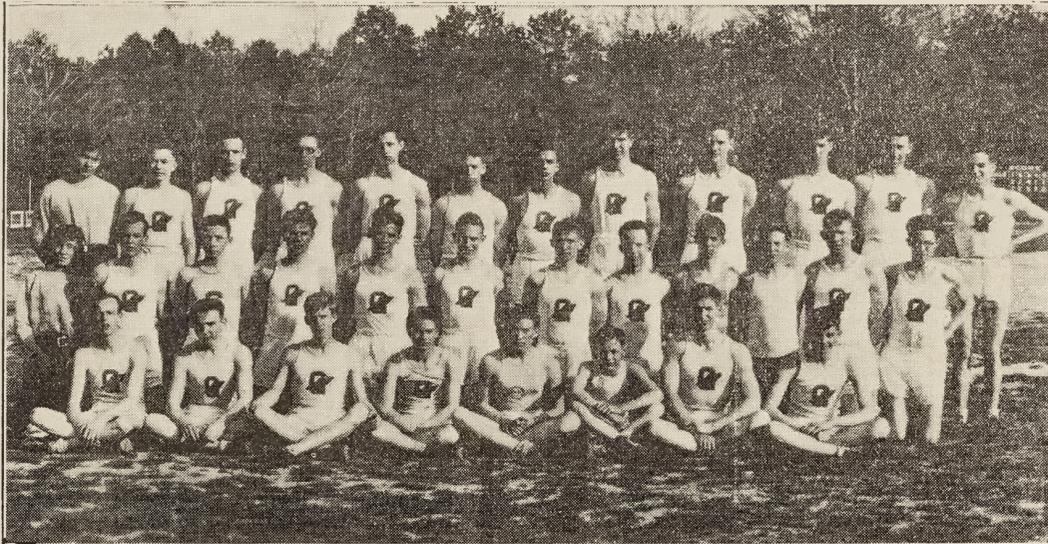

In the Reidsville game, Greensboro had little difficulty in eliminating them from the race. The team was at its best form of the season. Wyatt Taylor had the home club at his mercy and pitched a no-hit, no-run game until the eighth inning.

In the Leaksville game, both teams displayed good work, and Wyatt Taylor, Greensboro pitcher, allowed the Leaksville boys only eight hits. The victory, however, was caused by the many errors of the Purple and Gold team.

There were two home runs in the game, Carter and Neal, of Leaksville, each hitting for a circuit of the diamond.

Although this was the last of the championship series for Greensboro, several after-season games have been arranged with High Point, Winston-Salem, and other neighboring towns.

BOYS CHOOSE HOBBS HEAD OF ATHLETICS

Star Football Man and Varsity Letter Man for Two Years

CHARLES RIVES RESIGNS

Bill Hobbs will head the Boys' Athletic Association at G. H. S. during the coming year. Bill was one of the nominees in the general election, held Wednesday, May 16, for the presidency of the association.

"He will make a splendid leader," says Coach Coletrane. "Whatever Bill enters, he puts his whole heart into, and that's the kind of leader we want," continued the coach.

The new president has played football for G. H. S. for three years, the last two of which he was on the varsity squad. He has starred in the positions of both tackle and guard.

During the past year Bill has also held the position of manager of the boxing and wrestling team, a new sport at G. H. S. In this position, according to the coach, he proved a very efficient manager.

In the election Charlie Rives was chosen for two major positions. It is due to his resignation as athletic president in order to accept the place as head of the student body that Bill will lead the athletes.

GIRLS' MONOGRAM CLUBS IN ANNUAL PICNIC HERE

Girls From Salisbury, High Point, Winston-Salem, and Greensboro Monogram Clubs Are Present

The annual picnic of the Girls' Monogram Club was held Thursday afternoon, May 17, at the Jefferson Club. The clubs of Salisbury, High Point, and Winston-Salem joined the Greensboro girls here Thursday afternoon.

This picnic is an annual affair between the Greensboro and Winston-Salem girls, but at the Monogram Club banquet the Salisbury and High Point girls were asked to join them. The picnic was at first planned for Willamore Springs, near High Point. Since some of them did not know how to get to Willamore Springs, the plans were changed.

The girls went out to the Jefferson about 4 o'clock. They played games and some of them enjoyed a swim. About 6 o'clock they opened the lunches and prepared the picnic supper. The picnic was such a success that the girls voted to have it again next year.

T. BROWN BREAKS SOUTH ATLANTIC DISCUS RECORD

Greensboro Takes Fourth Place in Maryland Track Meet

Greensboro's track team took fourth place in the South Atlantic interscholastic track and field meet held at College Park, Md. Charlotte barely beat Greensboro out for third place, scoring 16 points to Greensboro's 15. Episcopal High School, of Alexandria, Va., was first with 20 points, and Devitt Preparatory School, of Washington, was second with 19 points. Wilmington, N. C., was fifth with 11 points.

Theron Brown was high scorer of the meet, getting first place in the javelin, first in the discus, and third in the broad jump, and third in the shot-put. In throwing the discus 127 feet, 10.8 inches, he established a new South Atlantic record, breaking the old record by more than four feet.

AN EXPERT DIVER AND SWIMMER

Wyatt Taylor, prominent football, basketball, and baseball star of G. H. S., was added to the physical education staff of the local "Y" program which will be carried on for the next few months. LILLIAN HAUCK NEW PRESIDENT OF G. A. A.

Rachel Lipscomb Re-elected But Resigned; Next Highest in Election Taken

CRAM IS VICE-PRESIDENT

As the result of an exciting and close race, Lillian Hauck was elected president of the G. H. S. Girls' Athletic Association. Rachel Lipscomb, ex-president, was re-elected, but resigned the position. Since Lillian Hauck was second in the election, she will be president of the association next year.

Leila George Cram, sophomore at G. H. S., was chosen to serve as vice-president for the coming year. Edna Sockwell and Margaret Bowles were the other candidates for this position.

The race for secretary was a most exciting one. Anna Lyon poled one more vote than Lenora Walker to gain this office. Lenora Walker was given the office as assistant. The job of secretary is perhaps one of the most important and difficult ones in the Athletic Association, since it requires so much bookkeeping. For this reason, it was thought a wise idea to have an assistant. In this way the assistant is trained for the work the following year.

Elizabeth Wood was elected press reporter, with Elizabeth Leak running a close second.

"This was the closest and one of the most successful elections in the Girls' Athletic Association," said Nellie Kate Dry, who had charge of the election.

GIRLS' MONOGRAM CLUB HOLDS FINAL MEETING

Reading and Revising Constitution Is Taken Up—Three Amendments Are Adopted

The Girls' Monogram Club held its last meeting of the year Saturday evening, May 12, at the home of Carl Lane Browne, the president. The greater part of the meeting was taken up with reading and revising the constitution. Three important amendments were adopted. Instead of having two meetings a month, there will be only one, but the president has the right to call impromptu meetings. Heretofore, there has been no representative from the Monogram Club on the Athletic Council. One amendment provided that the president would be the representative provided she was not already on the council. In that case, another representative will be elected by the club.

MONOGRAMS AWARDED FOR SPRING ATHLETICS

More Than Half of These Athletes Will Wear Monograms for the First Time

NUMBER TRACK AWARDS RISES

Coaches of the boys' athletics at G. H. S. have awarded letters to 29 boys. More than half of these athletes will wear monograms for the first time.

More letters were received by baseball men than any other sport. All of the boys except Whiteheart and Taylor, wear letters for the first time. Chambers, Webb, Parks, Morris, Paris, Smoak, Mann, Merritt, Blackwood, McLean, and Weiland, manager, were awarded monograms. Whiteheart and Taylor both received stars.

Track men receiving letters were second in number to the baseball stars. Letters were awarded by Coach Lambeth to Phoenix, Brown, Bob Horney, Julius Horney, Goodwin, Robinson, Lindeman, Weaver, Leforte, and Crocker, manager.

The number of tennis awards have increased since last year. Five men received recognition, whereas last year there were only three. Sockwell, Andrews, Hendrix, Whittington, and Holmes received letters for participation in this sport.
