

Winds Down Pointers by Score of 7-2 in Final Game

BURROUGHS STAR

Touchdown Made by Captain With Beautiful Interference in Last Minutes of Play.

CHANGES MADE IN LINEUP

Combination of Elder, Elias, Lee and Ogburn in Backfield Plays Excellent Football.

The High Point Black Bisons suffered a 7 to 2 defeat inflicted by Coach Belding's Purple Whirlwinds last Friday at the War Memorial Stadium. This was the most important and also the best game of this season, being won in the last few minutes of play. This game marked the end of the high school gridiron careers of many of Greensboro's best players.

Burroughs Stars
Greensboro high has never seen and probably never will see a lone star perform so gallantly and so brightly as did Captain Jack Burroughs in his closing battle, the end of his gridiron career at Greensboro high school.

In the first part of the second quarter Burroughs was knocked out by blows on his head, but he quickly came to. On the sidelines he watched his teammates fight hard, but hopelessly, through the second and third quarters.

In the beginning of the last quarter Burroughs was sent in with the ball on Winslow 20-yard marker. The Winds began their march down the field after the ball was brought to their own 25-yard line by a punt. Burroughs' pass was incomplete, but Whit passed to Burroughs for a 15-yard gain and High Point got a five-yard penalty for being off sides. Whit completed a pass to Pittman to net 15 yards. Burroughs received another pass from Whit on the Bisons 15-yard line for a 25-yard gain.

Whit skirted left and for two yards Ogburn made four at center and then pounded his way through center for a first down. With seven yards to go Ogburn gained one yard at center and Whit completed a pass to Rees for one yard. Behind excellent interference Burroughs ploughed around left end for a touchdown and a victory. Wrenn drooped the extra point, making the score 7 to 2 in Greensboro's favor.

Black Bisons Score
The Pointers' only score was a safety which came early in the second quarter when Ridge punted to the Winslow five-yard line. On the first play Elias was back for a pass, but Sizemore, left end for the Bisons, rushed in and downed Elias back of the goal line for a safety.

One of the most spectacular plays of the game was when Burroughs raced 25 yards around left end for two yards on the 13-yard line. In the third quarter Ogburn completed a pass to Elias for 25 yards and Pittman made a 30-yard run around left end.

Wrenn and Causey Outstanding
The whole Greensboro line played an excellent game, but Burroughs, Wrenn, and Causey were outstanding. Sid Ogburn starred in the backfield, doing most of the kicking and made good yardage at center, but he had creditable assistance.

High Point backfield honors go to Ridge and Ritchie, with Sizemore, Gatewood, Shipman, and Copeland outstanding in the line.

CAMEL CITY ELEVEN DEFEAT WHIRLWINDS

Holton for Winston, Made Star Play, Running 38 Yards for Last Touchdown.

G. H. S. PLAYED WITH GRIT

The Purple Whirlwinds went down before the charges of seven hard-fighting linemen who ripped through the hole and opened big holes for the driving backs, and were defeated by their old rivals, Winston-Salem, by the score of 19-0 in the Camel City, Saturday, November 7.

The Twin City eleven took the ball in the middle to begin the second quarter and scored their first touchdown after a series of line plunges, netting from two to nine yards each. East then plunged through tackle and crossed the goal line. Holton's pass to Wimish was good and netted the extra point.

The second touchdown came in the third quarter when Winston's eleven made a number of successful line plays, carrying the ball to the two-yard marker, and then Holton went over left tackle for the touchdown. The try for extra point was missed and the score stood 13-0.

Holton furnished the thrill of the game by giving a beautiful exhibition of running when he shot through the line and raced 38 yards for a touchdown, making the most outstanding play of the game, and giving the Twins their third marker. The try for extra point was again incomplete and the score ended at 19-0 in Winston's favor.

Greensboro played a pretty fair game and showed a lot of hard fight, with Burroughs and Lee playing good ball. Wall Holton was the most outstanding player for Winston-Salem.

RESERVE TEAM WINS 8-0 OVER TWIN-CITY

Nowlin and Carlson Scored First Marker for Greensboro in Second Quarter.

The Greensboro Reserve team won their final game of the 1931 season by the score of 8-0 at Southside Park, Winston-Salem, Saturday, November 7, in a preliminary to the Greensboro-Winston varsity game.

Greensboro's first marker came in the second quarter. Greensboro took the ball on her own 39-yard line to begin this period, and after making two first downs, Nowlin carried the ball around end for 35 yards to Winston's four-yard line, and Carlson plunged over for a touchdown on the next play. The try for extra point was made by a pass, but Greensboro was off sides, and the referee penalized Greensboro five yards. Another pass was tried but was incomplete.

Two more points were added in the third period when Winston kicked to Greensboro, and the ball was returned to the 45-yard line. After making a first down, they were forced to punt, and the ball went to Winston's third-yard line. On the next play Davis, of Winston-Salem, fell back into punting position, and Meroney tackled him behind the line for a safety, making the score 8-0.

The only other threat toward scoring came in the last period when Davis, Winston-Salem halfback, broke loose and ran the ball down the field for 40 yards and was finally brought down by Floyd Rees, of Greensboro, on the 10-yard line, and the game ended with Greensboro holding the big end of the 8-0 score.

SPARKS FROM THE GRIDIRON

Basketball Season Gets Underway

With the High Point game ringing down the curtain on the Greensboro high football season, Coach Lester Belding will issue the call for candidates of the basketball squad on December 8.

The football team did not receive very much support from the student body this year and the local eleven did not have a very successful season. A wealth of good material was left over from last year and this year's basketball team should be a winner. Every year an appeal is made to the students to support their team and again this year we make a plea for the old G. H. S. spirit. The games will probably be played in the Caldwell school gym again this year and all athletic fans are urged to back the locals and encourage them in their battle for state champions. Coach Belding has already proved to be a worthy basketball coach and if the team is supported well his squad should go a long way toward the championship.

Not much has been said about the girls' basketball team yet, but most of last year's team is back and a promising team has been assembled. Miss Robinson held the first practice session last week and a great many new candidates reported, but Miss Robinson stated that a lot more girls were needed.

Girls' Soccer Team Disbands

After completing a schedule of two games, the girls' soccer team has disbanded until next year. The only two games that were played this year, both against Winston-Salem, were lost by the locals. Miss Kate Robinson stated that she was pleased with the showing of most of the players and that a championship team should be developed next year.

The practice sessions this year proved to be very successful and showed that a number of girls were interested, but not enough girls came out. Miss Robinson plans to issue a call for candidates earlier next year, and get a team whipped into shape to battle more teams. With plenty of good material left over from this year, next season's team should be a winner.

Theron Brown On All-State Team

Theron Brown, former G. H. S. athletic star, has been showing great form at the University of North Carolina this year. In the games he has participated in so far this season, he has proved to be one of the most outstanding players. Pat Miller, well known as a football coach in North Carolina, named Brown on his All-State team as the best left end in this state. Houston Laving, sport's editor of the Greensboro Record, rated Brown as one of the most outstanding ends in college football this season, and gave him the left end berth in his selection for All-State honors.

Friday 13th Proves Unlucky

Friday 13th, true to traditions, was an unlucky day for the Greensboro High eleven, at the Greensboro-Danville football game in Danville, Va., on Friday, November 13.

Most of the breaks went to the Danville players, and gave them their touchdowns. The first of luck came in the second quarter, when a Danville pass went across the goal line, and was knocked down by two of the Purple Whirlwind players. The ball fell into the hands of a Danville player, who had been blocked and was lying on the ground. The player rolled over and placed the ball on the ground, giving Danville their first touchdown.

The second play of Old Man Jinx came in the third quarter when a Greensboro punt hit one of the players and bounced back toward the goal line. Ramsay of Danville recovered the ball and raced thirty yards to Greensboro's five-yard line. The ball was carried over on the next two plays, netting Danville six more points.

Captain Jack Burroughs played an unsteady game all day, his usual star playing being greatly missed. Although he played a fairly good game of football, it was nothing like his regular brand of playing. The game ended in a 19-7 victory for Danville.

Football season is coming to a close and the boys of Greensboro high school football team should be congratulated by the entire student body on their fine co-operation and good attitude in each game that was played whether it was won or lost. To our minds they are real heroes in the art of playing football and may they keep up the good work.

Small in size and strong as an ox fits Ed Lee to a dot. If it wasn't for a few others, Ed would be doing all the hard work and when he hits that line watch them scatter.

Boys Please Skip

This is strictly to the girls—listen. Have you ever thought about going out for any sport, seriously? It would be money invested wisely to wager that two-thirds of you have not ever thought about the matter personally. No doubt everyone wishes in a vague sort of way that Greensboro high school could be victorious all around, but few connect themselves with the idea.

The facts in the case are that you will enjoy playing basketball, and will be immensely benefited in personal health, if you go out for the squad.

Then, too, we have a new coach this year. Perhaps you do not even know her. She would be immensely gratified if she could work with a big squad, besides having a much better chance to put out a winning team.

One thing more—there was a good group of candidates out for soccer, but practically all of them were sophomores. Sophomores are desirable candidates for anything, particularly for athletics. But there really ought to be a larger percentage of upperclassmen out for basketball than there are sophomores.

Reserves Finish Good Season

The Greensboro high reserve football squad finished the 1931 season by losing only two games. The team was composed of some future varsity stars and had an unusually good record this year. One of the losses was suffered at the hands of the Asheboro varsity and the other the High Point reserves.

The reserve squad this year developed some valuable talent for next year's varsity, and Coach Belding will have less worries when this bunch of experienced material reports next year.

This year's losses were not considered as showing much weakness on the part of the locals because the Asheboro varsity was the first victor, and High Point, who is noted for its strong reserve squad, gave them their other defeat.

Five members of the squad were promoted to the varsity at the close of the season, and are promising material for next year. They are Carlson, Vestal, Meroney, Shelton, and Hodges. All of these players are linemen, and should come in very handy next year since all but one of the present varsity line will graduate.

When Coach Belding tires of whipping raw athletic material into shape, he will be able to find himself a job as a radio announcer. Coach Belding has been announcing the Carolina games for the last three years, and everybody knows how well he does it. Let's hope he doesn't decide to take it up seriously anytime soon!

G. H. S. QUINTET BEGINS PRACTICE DECEMBER EIGHTH

Four-Letter Men to Return; Three Last Year Stars Are Missing.

TEN GAMES ARE LISTED

A. P. Routh Announces Complete Schedule; Five Home Games to Be Played by Locals.

Coach L. C. Belding has announced that the first call for candidates of the Greensboro high basketball squad will be issued on December 8.

Four Letter-Men Return
There will be three letter-men who will not be back this year, while four members of last year's squad will return to the line-up this year. Those returning are: Fesmire, who made his letter at center last year; Burroughs, last year's star forward; and Whit and Wrenn, both guards.

Jack Norman, all-around star at G. H. S. last season, Harold Nicholson, and Charles McPhee, are the letter-men who will not be back this year.

Promising Material on Hand
When the first whistle blows for the opening practice, a number of promising new players will be on the floor. Fesmire, long six-foot center, will have to do some neat playing to hold his place against Jack Brown. Brown came out at the last of the season last year, and played in a few of the final games. He proved to be one of the most outstanding players of the year. Jack had never played basketball before, the reported last year, but will return this year to try for the center position.

Harry Wicker is another promising candidate who will be back this year. Wicker was out last year and played star ball until he became sick and was out the rest of the season. Burroughs was last year's all-around star and should prove to be the main threat this year.

Ten Games Scheduled
A. P. Routh has announced the schedule for this year as complete and ten games have been listed. The opening game will be played here by the strong Gastonia high quintet January 8. January 15 High Point will come here for the second game of the season. January 22 the local squad will go to Salisbury to meet the Rowan county boys, and then meet Gastonia in a return game at Gastonia, January 28. January 29 they will journey over to Charlotte and meet the Queen City quintet. Winston-Salem will meet the locals here February 12. February 13 Greensboro will meet Winston-Salem there in a return game. February 23 Charlotte will come here and High Point will end the season with the locals meeting the Pointers there, February 28.

POINTERS DEFEAT MIDGETS IN ARMISTICE DAY GAME

Greensboro Puts Up Fight But High Point's Star Quarterback Proves to Be Formidable Foe.

G. H. S. BOYS COMPLETE SCHEDULE
Greensboro's Midget football squad ended their schedule with a loss in High Point to the midget Bisons by the score of 12-0 on Armistice Day.

Greensboro showed some hard fighting and good football and held an edge over the Pointers in the first and last quarters but could not stop Hinkle's long runs in the other two periods.

Elmore Hott, plunging fullback, was the most outstanding player for Greensboro, getting off a lot of good gains on line plunges, while Jenkins and Snead both looked good.

Greensboro's main threats came in the first and last quarters. In the first quarter the ball was placed in scoring distance only to be lost on downs. In the fourth period the ball was up to the 10-yard line but Greensboro could not carry it over.

High Point's first score came in the second quarter when Hinkle tore around end and raced 40 yards for the touchdown. He made a duplicate play for about 30 yards in the next quarter and carried the ball over for the second time. The try for extra point was missed both times and the score ended at 12-0.

BILL ELIAS STARS

Virginia Team Wins by Lucky Breaks but Greensboro Boy Is Outstanding.

SCORE ENDS AT 19 TO 7

George Washington Gridders Make a Touchdown in Every Quarter But First One.

The George Washington high school of Danville, Va., won a 19-7 victory over Greensboro high at Danville in a game featured by a 75-yard run by Bill Elias Friday, November 13. The Virginia eleven received most of the breaks of the game and it seemed as if the old jinx of Friday 13th, was dealing the locals a full hand of tough luck.

Seventy-five Yard Run
The game's most outstanding play of the game came in the third quarter when Elias returned Danville's kick-off 75 yards for the Whirlwinds only touchdown. The ball was bouncing down the field from the kick-off following Danville's second touchdown when Elias took it on his 25-yard line and by the aid of perfect interference raced the remaining 75 yards of the field for the score. This was the most beautiful run made by the Whirlwinds this season, and the longest seen at the Danville field for quite a while. The Greensboro interference formed very quickly and gave Elias perfect support.

Danville's Freak Plays
The first deal of "Lucky Luck" came in the second quarter when Danville's ball on Greensboro's 30-yard line, Durham passed to Brown across the goal line. The ball was blocked and fell into the hands of Brown who had been knocked down and was lying behind the line. Brown held the ball and rolled over, placing the ball on the ground for the touchdown.

The second streak of luck came in the third quarter. Greensboro failed to make a first down and punted, the kick being blocked. The ball bounced back toward the goal line and Ramsey recovered, racing 30 yards to Greensboro's 5-yard marker. Durham plunged over for the touchdown on the next two plays. The try for extra point was missed and the game stood at 12-0.

Greensboro Scores Seven
Bill Elias made his great run on the return of the kick-off following this play. The touchdown was followed by the extra point and Greensboro's hopes for a victory were increased as the score mounted to 12-7.

The ball went from one end of the field to the other as both teams fought to reach the other's goal. Neither team was able to score until the latter part of the fourth quarter when a series of line plunges by Wiedeske was followed by two complete passes, getting the Virginians a touchdown. This was the try for extra point was good and the Whirlwind's hopes faded as the game ended 19-7.
