

Briefly Speaking ...

Cont. from pg. 1

HIGH LIFE will no longer feature news briefs. In place of it there will be a new column entitled Briefly Speaking. Briefly Speaking is to be an innovative column including information pertinent to the Grimsley student body. All information formerly read in News Briefs will be included in the Briefly Speaking column. In order to fully understand this new concept, it is suggested that one read Briefly Speaking in this issue and upcoming issues of HIGH LIFE.
