

HBO Addict

con't. from p. 5

Elliot Gould made me not get those stories read in English. Can you really blame me though? Could you turn them off?

I am so happy my family is subscribing to that wonderful thing they call Home Box Office? I believe I would die if I couldn't watch "Cousin, Cousine" at 12:30 (with English subtitles -- I'm not reading them, Mrs. Devinant -- believe me, I'm listening to it in French?) or see "King Kong" destroy New York in the wee hours of the morning.

I tell you, once you start watching, you can't stop. Commercial television -- pooh! Give me my HBO!

Oh teachers, please have mercy on me. "Network" and "A Bridge Too Far" are on tonight. I'll never get my work done! Oh help!!!
