

New High School Building In Sight Vote On School Bonds In January

Ordinance Authorizing \$1,000,000 for Schools Adoped by Commissioners

The people of Greensboro will, on Tuesday, January 18, 1921, decide by ballot whether or not the city shall issue \$1,000,000 in bonds for the purpose of erecting additional school buildings, purchasing sites for buildings, and the equipping of these buildings. This fact was decided by the board of city commissioners at its regular meeting yesterday afternoon when it unanimously adopted "an ordinance to authorize the issuance of \$1,000,000 school bonds and provide for the payment of the principal and interest thereof."

The city board of education has been at work for some months on plans for relieving the congested situation in the schools of the city and for providing modern, hygienic buildings and equipment for the children of Greensboro; and the cost of the proposed improvements, according to the ordinance adopted yesterday, based upon estimates submitted by experts, will be \$1,000,000.

In order to provide the necessary funds, therefore, the city will, when the ordinance is approved by the voters, issue bonds not exceeding that amount, and will levy annually a tax sufficient to pay the principal and interest of the bonds. The action of the commissioners was taken pursuant to the municipal finance act.

As required by this act, a statement of the debt of the city has been filed with the city clerk, which shows that the amount of the net debt outstanding, authorized or to be authorized, including this issue, is \$2,254,155. The assessed valuation of property subject to taxation by the city for the fiscal year 1920, as shown by the statement, is \$46,670,053.

A special registration has been ordered for this school building bond election, and all who wish to vote in the election will have to register in the special registration books provided for the purpose. These books will be opened for the registration of all qualified voters between 7 a. m. and sunset each week day between Monday, December 13, and Saturday, January 8, 1921.

BALLARD, HALF-BACK

GIRLS' BASKET BALL SEASON OPENS

First Game With Asheville Thanksgiving.

The girls' basket ball team opens its season Thanksgiving night at Asheville, N. C., with the Asheville High School team as opponents. This will be the first time in four years that these two schools (girls) teams have met. Our girls are going to Asheville with a determination to win, and knowing that G. H. S. is backing them this year as it has in the past, they know that they will win.

The next game will also be away from home and will be played at Danville, Va., vs. Randolph-Macon Institute. The team met our team two years ago and won, but we are sure that they will not win this time.

Preparations are being made now to have a game here Dec. 11th. This year the girls have secured Graham Warehouse for practice. There are a large number of girls coming out for practice. They are being coached this year by Misses Morrow and Dry. Mr. York, the coach of last year, will not have much time to give to the girls this year because he has charge of the boys' athletics, which will take up most of his time.

HENDRIX (CAPT.,) HALF-BACK

FUND RAISED BY STUDENTS FOR STARVING EUROPE

The "Child Feeding Fund" Appeal Meets With Fine Response.

A response, splendid and typical, was that of the boys and girls of the High School to the appeal made for the "Child Feeding Fund." The idea was introduced in the school by the history pupils of Miss Baker, who chose that method of celebrating Armistice Day. On that day they contributed \$10, the amount necessary to feed and clothe one child during the winter.

Later a simple statement made in the chapel to the assembled pupils that there were three and one-half millions of starving children in central and southeastern Europe called for a quick and hearty response. The boys and girls took great pleasure in making their thank offering in this way at this Thanksgiving season.

The following amounts were received from the various session rooms:

Room 101	\$ 4.06
Room 103	6.30
Room 106	6.51
Room 201	7.00
Room 202	4.44

Room 204	4.00
Room 205	2.15

Room 208	2.05

Teacher—Level and flat mean the same thing. Can anyone use them correctly in a sentence?

Willie—On the level, you can't get a flat anywhere nowadays!

Lexington Downed by 3 Touchdowns Charlotte defeated 13 to 7

Greensboro High School blanked the Lexington Highs Wednesday, Nov. 17, in the first game of the championship series, 20-0.

Although the Lexington Highs were outplayed in every phase of the game, they put up a good fight and the game was one of the best seen here this season.

Greensboro's first score came in the first quarter as result of a 65-yard run by Ballard. G. H. S. kicked off and Lexington brought the ball to the 40-yard line. After being held for downs the ball went over and Fordham carried it 5 yards through the line. Then Ballard, G. H. S. left half, ran 65 yards for a touchdown. Grimsley kicked goal. Score end of first quarter, G. H. S. 7, L. H. S. 0.

In the second quarter neither team was able to score although the ball was kept in Lexington's territory most of the period.

In the third quarter G. H. S. scored again as result of end runs and line plunging. Grimsley carried the ball over; Grimsley failed to kick goal. Score end of third quarter, G. H. S. 13, L. H. S. 0. It was in this period that Grimsley had to be taken off the field with a sprained leg. P. Transou taking quarter and Hendrix taking Grimsley's half.

G. H. S. scored the final touchdown in the 4th quarter, Capt. Hendrix running 45 yards behind beautiful interference. Daniel kicked goal. The game ended with the ball on Lexington's 25-yard line with G. H. S. going strong for another touchdown.
