## Boys' Quint Split even In Two Hard Games

Burlington Defeated 38 to 34. Winston Wins 40 to 22.

G. H. S. came back into old time form Friday night when the local team defeated that of the Burlington High School by the score of 38 to 34. The game was close throughout and only excellent passing and good team work saved G. H. S. from defeat. It was one of the best games seen here this season and the local team deserves much credit.

The game began with G. H. S. showing a slight lead over B. H. S., in their ability for caging field goals and the half ended with G. H. S. 17 and B. H. S. 12.

But at the beginning of the second half Burlington came back with a great deal of pep and fight, and the score ran evenly for the greater part of the half. However, by the excellent goal shooting of Ballard, Poole and Stafford, G. H. S. managed to nose out a victory. 38-34.

This victory is the second G. H. S. has won from Burlington.

The work of Webster, Jones, and Nicholson for Burlington was exceptionally good, while Poole, Ballard and Stafford scored best for G. H. S.

Line up for G. H. S.: Poole, r. f.; Britton, l. f.; Daniel, C.; Ballard, r. g.; Transou, l. g. Line up for B. H. S.: Webster, r. f.; Jones, l. f.; Nicholson, C.; Gibbs, r. g.; Smith, l. g.

Substitutes: Oden, for Transou, Stafford for Britton—Crutchfield for Gibbs.

Referee—Stewart.

## ELECTED ANNUAL STAFF

The Seniors have definitely decided to have an annual. Prices and styles have been investigated and the class of '21 feels that it can and must revive this custom.

With this in view the staff has been elected and it is hoped it will prove an able one.

The staff is as follows:

Editor-in-chief ..... Bertram Brown  
Business Manager ..... Allen Stainback  
Art Editor ..... Bonnie Enoch  
Literary Editor ..... Mildred Singer  
Senior Editor ..... Leta Shields  
Club Editor ..... Alice Waynick  
Humor Editor ..... Hoyt Boone  
Athletic Editor ..... William Clary  
Photographic Editor ..... James Poole  
Social Editor ..... Catherine Armstrong

Each of these Editors has the privilege of choosing an assistant. These assistants may come from any class and it is expected that they will be mostly Juniors since the Juniors will be editing an annual next year.

The Seniors hope to make the annual a great success, but it will be impossible to do this unless every class and every pupil will help them. The annual is not entirely a Senior production. Every class in the High school should be and will be represented in the '21 annual.

## Greensboro Votes Million For Schools By Majority of 729

DEBATING PRELIMINARIES  
TO BE HELD IN TWO WEEKS

Only Fifteen Trying Out For Positions on Debating Teams.

The preliminary debate to choose one team for the state-wide triangular will be held February 11th. Several of the strong debaters are at work and there is much rivalry between the high school classes and session rooms. Everybody wants a debater to come from his room. We all need to get behind the debate. Asheville and Winston are no means opponents, and Greensboro High would be very proud of a victory over them. Two hundred North Carolina high schools want the Aycock Memorial cup. The triangular debate is the event of the school year in North Carolina and we are anxious to make a creditable showing.

We debate Winston there, Asheville here this year. Asheville holds the present state championship and will put up a heroic fight to keep it. We have a contest with Winston often enough to know that they are foemen worthy of our steel so there is an excellent opportunity for a good fight.

About fifteen students have entered the debate. A good deal of material is on hand and the library is being kept open every afternoon for the debaters to work.

The "H. S." club that meets every two weeks had its last meeting at the home of Miss Ada Denny, on N. Elm Street. Dancing was enjoyed throughout the evening. There have been several meetings and the next meeting will be held Friday night at 8:30 o'clock at the home of Miss Helen Glenn Rankin. The members of the "H. S." club are Miss Lila Callum, Mary Elizabeth Perkins, Dorothy Boggs, Margaret Andrews, Helen Glenn Rankin, Jennie Mae Fife, and Ada Denny, the boys are: Dick Wharton, C. C. Fordham, Jr., Floyd Ridley, Jack Sarage, Eddie Sharpe, Guy Hagan, James Stone, Gordon Lathem, James Hendrix, John Winifred, Joe Young and Archie Brown.

## GIRL'S GLEE CLUB

The girl's glee club is working hard and doing good work. Several new members have been admitted to the club and we are delighted to have additional voices.

The glee club was asked to sing at the Parent Teacher's Association at Cypress Street school, which they were glad to do. They were cordially welcomed by the patrons of Cypress Street, and enjoyed being with them. This was the glee club's first appearance away from the High School.

1025 Voters Favor Bonds. Only 27 Vote Against the Issue.

By a majority of 729 the registered voters of Greensboro authorized the board of education to issue bonds in the sum of \$1,000,000, with which to provide adequate educational facilities for the school children of the city. Only 27 votes were cast against the issue, although 269 of those registered failed to cast a ballot and thereby caused their vote to be registered as against the proposition.

There was a total registration of 1,321, of which 75 were in Morehead precinct and 570 in Gilmer; and 1,052 of the qualified voters visited the polls and in a positive manner expressed their sentiments concerning the question of better school equipment. The total number of votes cast for the bonds was 1,025. Only 661 affirmative votes were needed to carry the election.

The figures for the two precincts are as follows: Morehead—registered, 751; voting 603; for, 593; against 10. Gilmer precinct—registered 570; voting, 449; for, 432; against, 17.

The women were slightly in the majority as to the number who registered; and although no accurate check was made to determine the relative number of men and women voting, it is considered safe to say that the majority of those who voted were women, although the men were interested in the election and voted and with their automobiles assisted in bringing quite a number of women to the polls. It is stated, furthermore, that not one of the women who visited the polls cast a ballot against the bonds.

Before 12 o'clock leaders in the fight for the schools foresaw victory, although slightly less than the required 661 ballots had been cast for them.

Members of the school board, as well as the others—men and women, who helped make the issue a success and place Greensboro before the country as a city that regards her children above streets or other progressive measures—were happy when J. Norman Wills and E. D. Broadhurst, members of the board who have taken the lead in the fight, were particularly delighted with the handsome majority polled for the schools.

Mr. Wills, chairman of the board, stated that he regarded the successful outcome of the day's voting as the dawn of a new day in the educational history of Greensboro and the state. The board plans to spend the \$1,000,000 in constructing, remodeling, and equipping school buildings in the city and purchasing additional sites.

Oh, Exams how can I face you?  
But what else can I do?  
A "nightmare" you are to me,  
But one can't be exempt on "C."
