## NINE SPLITS EVEN ON THEIR EASTERN TRIP

Win from Raleigh But Lose to Trinity Park  
By Large Score

The boys representing Greensboro High School marched out on a very wet field April 1st and there staged their first game of baseball for this season.

After some batting practice the Trinity Park boys were called to the field, and Greensboro got to bat. The first two men were put out, but then the fun began. After three successive singles the bases were full and Capt. Shaffer was at the bat. He let two go by but he caught on to a fast one and put it right down third base line for three bases.

Greensboro made five runs in this inning. Trinity scored three. The game then ran along until the fourth without anything particular happening. In the fourth Taylor began walking men and he did not seem satisfied until he had walked eight. After this inning George tightened up and allowed only four hits in six innings. At the end of the game the score stood 18 to 12 in favor of Trinity Park.

The team as a whole showed up fine in this game and despite their playing a preparatory school they chalked up 15 hits to their opponents 11. One man (Capt. Shaffer) getting two triples and one double.

Batteries:

Greensboro—Cooper, Bell, Taylor, Lambert.

Trinity Park—Whitsit, Sasser, Brown.

G. H. S. VS. RALEIGH

On the trip which Greensboro was defeated by Trinity Park they chalked up a victory over Raleigh to the tune of 16 to 14. It was a most interesting game despite the score. It ran for 10 innings. The score being 10 to 10 at the end of the ninth. Another inning was played in which Greensboro poled out six runs and on account of a couple of wild heaves by our fast little short stop, who was suffering from an injured arm, Raleigh counted four tallies.

Carson was in the best of form except for two innings. He issued 12 walks during the game nine being in one inning.

The infield displayed some very fast work which time and again caused applause to come from the many A. & E. Boys who were witnessing the game. Greensboro secured 22 hits to Raleigh's 8. Lambert, Greensboro's young catcher batted 1000 getting seven hits out of seven trips to the plate.

Batteries:

G. H. S.—Carson, Lambert.

Raleigh—Warring, Hiner, Chamberlain.

"Ah, H'm!" said the able attorney. "So, naturally you want justice?"

"I don't want no such a thing!" yelled the uncouth client. "I want damages!"

## TENNIS TOURNAMENT TO BE HELD APRIL 13-15

Tennis has not been stressed very much lately after the last tournament that was held. A tournament is on now to pick out the best players to represent the H. S. in the state contest to be held at Carolina April 13-15th. There are about ten boys that have played enough tennis and are going out for the team that could represent the high school most anywhere in tennis. There will be a large tournament near the last of school that every pupil, girl or boy, may enter and try to be the champion. Every evening boys are practicing so as to make good in the tournament. The H. S. was represented by Billy Vanstony and Jimmy Poole last year. About twenty high schools will be in the tournament at Carolina.

Reginald has never been able to progress very far in his suit for Myrtle's hand. On the last occasion he broached the subject, asking, "Do you think your father would consent to my marrying you?"

The girl cruelly replied. "Well, he might. Father's so eccentric."

## GREENSBORO TEAM WINS TWO CORNERS OF TRIANGULAR DEBATE

Hendrix and Stainback Silence Asheville in Rebuttal and Win 2 to 1. Holland and Hartsell Defeat Winston in Twin City

The Greensboro High School debating team won a double victory on Friday, April 1st. The Affirmative team: James Hendrix and Allan Staiback, debated the Asheville negative here. The Asheville representatives: Miss Gertrude Tennant and Arthur Kale were worthy opponents in every sense of the word. Arthur Kale was on the state championship team last year and is an unusually strong high school debater.

Mr. Waynick presided over the debate, Messrs. York and Hyatt acted as timekeepers and Nellie Irvin acted as secretary. James Hendrix was the first speaker and presented his argument in a most forceful and logical manner. He defined the query and established the contention that collective bargaining is right in principal. Miss Tennant was the first negative speaker. She is a clear cut forceful speaker and defended the theory of individual contract in a well thought out logical speech. Allan Stainback presented the evils of our industrial system showed how the principal of collective bargaining would remedy these evils. Arthur Kale was the last speaker. He defended the principal of industrial democracy. He is a polished speaker and gave his argument in a very striking manner.

The order was reversed in rejoinder. The negative debaters were good in rebuttal but the affirmative team came back with a spirit and force that was a revelation to their own class mates. One of the judges said he had never seen a college team handle rebuttals better. The decision of the judges; Dr. Lindeman of N. C. C. W. Dr. Wyrick of Elon and Mr. Hudson of Winston was two to one in favor of the affirmative.

One interesting feature of the debate was the large attendance of labor-union members from Greensboro. They were intensely interested in the debate and extremely proud of the G. H. S. team.

### G. H. S. VS. WINSTON

The debate at Winston was unusual in one particular, the affirmative was upheld by a brother and sister, Bosley and Nancy Crowther. They were very strong debaters and presented the claims of the trade unions in a forceful and clean cut manner. The negative team, Margaret Hartsell and Gladys Holland were too much for the Winston representatives. They presented the evils of the trade unionism and the advantages of an industrial democracy in strong and well thought out speeches. In rebuttal the Winston team came back well, especially Nancy Crowther, but she failed to combat the strongest argument of the

affirmative. In rejoinders, the Greensboro team showed a mastery of the subject, and a fighting spirit that angers well for a chance at the Aycock Memorial cup.

The debate at Winston was presided over by Supt. Latham of the Winston schools and Bryan Barker, the Greensboro negative alternate was timekeeper.

The judges were: Miss Hunt of Salem College, Dr. Mills of Guilford and Mr. Dafton of High Point and the decision was two to one in favor of the negative.

Joe Britton, Frances Blackwood and Hunter Roane took the team and a number of loyal supporters over to the debate at Winston. The Winston High school gave a delightful reception in their honor and every one had a good time. The teachers accompanying the team were Misses Minish, Rae Kellam, Killingworth and Mr. Edwards.

## JUNIORS AND SENIORS HOLD ANNUAL RECEPTION

Thursday night, March 24, the Juniors entertained the Seniors with the annual Junior-Senior banquet at the Country Club. After being greeted by the receiving line of the Juniors, all assembled in the dining room and the banquet began. Hubert Rawlins, president of the Junior class, made an excellent toast-master, always having an appropriate bit of wit and humor. He began with a speech of welcome to the Seniors which was responded to by a speech by James Hendrix, president of the Senior class. Between courses the Juniors read from volumes of history the underclassmen's impressions of the Senior. The Junior's impressions of the Seniors were shown by clever impersonations of certain members of the Senior class. After that the Senior teachers gave the opinion of their pupils. Miss Gressit, as is her custom, proved everything she said and Mr. Edwards convinced all that the Seniors were not "unknown quantities" to him. Many splendid thoughts were given the Juniors and Seniors by Mr. Archer and Mr. Phillips, "the Powers that be." Then the other teachers present were called on for speeches, and true to their profession they responded in every language from Latin to shorthand. These impromptu speeches were bright and witty and were thoroughly enjoyed.

After the banquet all mingled for a social time and a few rounds of Virginia Reel were danced. Then the orchestra began to play "Home, Sweet Home" all disbanded, feeling that the "Junior-Senior" had been a great success. —Mildred Leak '22.
