Nine Splits Even with Guilford; Wins from Bessemer, Loses to Winston

### G. H. S. Vs. BESSEMER

G. H. S. defeated the Bessemer High at Bessemer on last Wednesday by the score 9-2. The game was well played on both sides, with Cooper for G. H. S. having the odds on for Bessemer. Both teams fielded well, all runs being well earned. It was Cooper's first full game, and he showed worlds of "stuff" and promises to be one of the first string pitchers. For Bessemer Lowdermilk on short, played the best game, he getting 2 hits and stopping a line drive that was good for two bases.

Score by innings:

G. H. S.	.....002 031 010	—4

### G. H. S. Vs. GUILFORD

G. H. S. won its third straight game on last Tuesday at Cone Park by defeating the Guilford High School nine 5-3. Guilford managed to get only two hits during the game, which was featured by many errors by the Guilfordians and the fast team work of G. H. S. Guilford pulled off a double play in the sixth when G. Ferrell got the ball, and slammed it to Rendall at second, who in turn tossed it to first, stopping a rally that threatened to swamp Guilford.

Carson struck out nine men and pitched a very good game of ball throughout the seven innings in which he worked. Boone, at short, accepted 5 chances without an error, putting up the best exhibition of fielding. In addition he got a hit and stole two bases. Kendall and B. Ferrell were the only Guilford men to secure hits.

### G. H. S. Vs. WINSTON

G. H. S. lost its second game of the season on last Saturday to Winston at Winston by the one sided score 20-9. The game was ragged throughout the last 6 innings, the local pitchers being unable to prove effective. Four pitchers were used by Coach Philips, none of whom proved able to stop the Twin City aggregation. Carson started ann was going good until the 4th inning when four hits and a wild pitch netted Winston three runs. He was then replaced by Taylor who also proved unable to stop the assault. ## G. H. S. DEBATERS LOSE TO DURHAM IN FINALS

Hendrix and Stainback Put Up Good Arguments

The Greensboro High School Debating Team covered themselves and the school with much glory in the final debate at Chapel Hill on April 16th. Both teams won in the semi-finals and the affirmative team won the coveted honor of competing for the Aycock Memorial cup in the final debate. They lost to the Durham negative team in one of the hardest fought contests ever staged in Memorial Hall.

Prof. W. S. Bernard presided over the final debate and Mr. E. R. Rankin acted as secretary. A crowd of about 2500 people heard the debate and Prof. Horace Williams characterized the crowd as the first intelligent audience he had ever seen hasten to a debate. The high school students present were familiar with the subject and expressed opinions about the debate.

The first speaker for the affirmative, James Hendrix, presented the same clean cut, logical argument and fine fighting spirit that is always expected of him. His opponent, Mr. Ludlow Rogers, of the Durham High School, was a polished speaker and argued the question on the practical side. He delivered a good argument for the corporations and challenged the affirmative to establish proof that trade unionism was right, necessary and expedient. The record speaker was Allan Stainback. He answered the negative speaker by saying that his colleague had already established the fact that collective bargaining was right in principle and that he would accept the challenge of the negative and prove the necessity and expediency of the principle. He did these two things with a fire and spirit that were unusual. The last speaker was Miss Hutchins of the Durham school. She attacked the principle and acts of trade unionists and combated the argument of the second affirmative speaker.

In rejoinder both teams showed very good ability to reply to the contentions of the opposition and splendid knowledge of the subject.

The judges decided in favor of the negative and the Aycock Memorial Cup went to the Durham High School. Beautiful gold medals were presented to the four speakers who contested in the finals.

The Greensboro High School feels very proud of her four debaters. They have worked very hard and have gone a long way toward establishing for us a most enviable record among the high schools of the State.
