Annual Event of High School Boys—Sponsored by Davidson College A. A.

QUEEN CITY BREAKS TIE

Fifteen High Schools of North Carolina Enter This Activity—Seven Schools Divide First Place

For the fourth consecutive time Charlotte won the loving cup for scoring the highest number of points in the annual high school meet sponsored by the Davidson College Athletic Association. New Hanover, of Wilmington, pressed hard for first place, but came in two points behind. The winner was not known until the results of the last event were tabulated, when the Queen City boys were able to add two points to break a tie with Wilmington.

Fifteen high schools of North Carolina were represented by an approximate total of 150 athletes, and competition proved to be keener than in any previous meet. Seven schools divided first places, the New Hanover boys leading with four, and Charlotte and Hickory registering two each. Goodwin, of Greensboro, was high scorer with nine points, followed by Hancock, of Wilmington, with eight.

The final scoring was: Charlotte 35½; Wilmington 33½; Greensboro 17; High Point 12; Hickory 9; Raleigh 8; Asheville 7; Oxford 5; Statesville 3; Bannockburn 2.

HOLD BI-MONTHLY SUPPER

The members of the Worthwhile Girl Reserve Club of Greensboro High School, chaperoned by Miss Julia Searcy and Miss Lena Strawbridge, left here Friday afternoon, March 15, at 4 o'clock and went to the cabin of Judge Spencer Adams on the Burlington road where they had a blanket party.

After supper several boys joined the group of girls, and they spent the evening in dancing and other similar amusements.

Before going to bed that night the girls gathered around the campfire and sang Girl Reserve songs.

The bi-monthly club supper of the Worthwhile Girl Reserves was held on Monday, March 18, at the Y. W. C. A. Margaret Leak, vice-president, presided and conducted the devotional. Reports were heard from the chairman of the various interest groups. Louise Harrison gave an interesting description of the bracelets the girls will make. The bracelets are of silver and promise to be very interesting when finished. After a report from the treasurer, the new members presented an attractive play under the direction of Elizabeth Wills.

CINDERMEN PLACE THIRD AT CAROLINA

Tomorrow the First Important Meet of the Season Is to Be Held at Davidson

G. H. S. STATE CHAMPIONS

The track team is beginning to round itself into shape with one meet already behind them. They entered an indoor meet at Carolina and finished third despite the lack of training. Tomorrow the first important meet of the season is to be held at Davidson College.

Last year the local team finished third in this meet, but later on in the season improved and won the state meet at Carolina and the Civitan meet in Greensboro.

Three lettermen, Captain Goodwin, Lindeman, and Weaver form the nucleus of the team. Those showing up good are Goodwin, Gunter, and Bradley in the dashes; Weaver and Lindeman in the 40; Knight, Moore, and Cordle in the 80; Martin, Gregory, and Burrows in the mile; Nicholson and Carver in the hurdles; Brown, McCready, and Horney in the weights.

The team is working extra hard to win the Civitan meet on April 27.

BADGES ARE AWARDED GREENSBORO SCOUTS

Troop 5 Receives Honor Badges at the Second Local Court of Awards

H. HEATH GETS HONOR BADGE

More than 30 scouts from various Greensboro Girl Scout troops were present at the second court of awards for badges Saturday afternoon, March 23. Mrs. Carl Brown and Mrs. E. P. Hayes, commissioner of merit badges, were in charge of the meeting. Badges numbering more than 100 were awarded, but because of the weather the majority of badges were only recognized by the members of the council.

The meeting was opened with the girl scout ceremonial, and then awards were made for work completed within the past six weeks. There will be only one other court of awards, and that will probably be in the middle of May. Then the troops of the city will disband for the summer months.

Honor badges awarded were: Home Service, 500 hours of service in the home, Harriett Heath, troop 5; Scholarship, Martha Fry, Hortense Jones, Lillian Roberson, Wilfred Scholesher, all of troop 5.

WINSTON BOYS WIN GAME FROM G. H. S.

Greensboro High School was trounced for a second time this season at the stadium Wednesday, Winston-Salem triumphing over them by a score of 7 to 4. Blackwood and Curtis shared mound duty. Weaver and West, of Winston, featured the battle by smashing out homers for the invaders.

Only a small audience witnessed the game, and little enthusiasm was shown due to evident loss for Greensboro shown from the first. However, several local players made good showings, Bill Wharton for one. Many outstanding plays were made by both teams, but the local force could not quite top the score.

OFFICIALS SELECTED FOR CIVITAN EVENT AT MEETING ON WED.

Seventh Annual High School Track and Field Meet Sponsored by Civitans

LARGE ENTRY REPORTED

Elaborate Plans Being Worked Out by Committees for Various Duties; 500 Athletes Are Expected

Officials for the Greensboro Civitan Club's seventh annual track and field championships meet for North Carolina high schools, to take place in the Memorial stadium April 27, were selected yesterday at a meeting of the program committee at the King Cotton Hotel. Dr. R. B. Lawson, of U. N. C., and Dr. A. S. Lawrence, of Chapel Hill, are the two foremost officials and have had wide experience in college and high school classics of this type.

M. S. Younts, chairman of the committee, reported that everything pointed to this meet being the most successful in history. Nearly double the number of teams had already entered than took part last year and entries were still coming from all sections.

Elaborate arrangements are being worked out for the event, and all committees are reported to be functioning in good order.

Wilkins is in charge of entertainment arrangements and is forming a nifty program for the night following the meet.

The full list of officials chosen are as follows: Dr. R. B. Lawson, official timer; Dr. A. S. Lawrence, official starter; Guy Phillips, official scorer; C. W. Phillips, clerk of course; William York, finish judge; Ed Klingman, chief announcer; C. C. Fordham, Jr., chief of field judges.

All officials are highly elated over the carnival and are doing their utmost to make it a great success.

Red Goodwin upheld his old track reputation of last year by winning the individual award at Salisbury with a total of nine points.

The G. H. S. boys lost the practice game with Bessemer High with a score of 4 to 1.

Where is G. H. S. pep? Let's give the team better support.

Mr. Bobby Wilkins will have charge of entertainment at the Civitan meet.

Girls are not having baseball this spring, due mainly to the fact that they cannot obtain a coach.

Wonder if Wyatt Taylor is on any Texas teams?

The Bessemer High School's basketball squad captured the Guilford county championship the past season.

Arlindo Cate has been chosen manager of the track team, with Walter King as assistant.

BASEBALL PRACTICE STARTS FOR BOYS

Officers of Team Are Lee Whiteheart, Carl Jones and Ralph Faison

MANY ARE OUT FOR TEAM

Great interest has been shown by both the coaches and players of the boys' baseball team as to its development during the season. The new recruits have shown up exceptionally well at practice, and seem to have the experience and training necessary for champions. Coaches Coletrane and Johnson have expressed the hope of putting out the best team that the high school has produced in some time. Many of last year's players are back again for this season. However, a call has been issued for some good, first-class pitchers, and all boys interested are urged to come out for practice. The schedule has already been announced, and plans are under way for the first game.

Two weeks ago 50 men were out for practice. A definite team has not been announced yet, and therefore no uniforms have been issued. The squad has been divided into two groups and the coaches want all boys to stay for the whole season.

The officers of the team are: Captain, Lee Whiteheart; student business manager, Carl Jones; assistant student business manager, Ralph Faison.

Probably the best pitchers are Curtis and Blackwood. The general outlook is very promising.

BOYS INITIATED INTO HI-Y CLUB BY OLD MEMBERS

Costume Consisted of a Dress, Hair-Ribbon, One Stocking and a Man's Sock

EIGHT NEW MEMBERS WELCOMED

Tuesday, March 19, the new members of the Senior Hi-Y were initiated.

Their costumes for the day at school were a dress, hair ribbon, a stocking on one foot and a man's sock on the other foot.

When the new members had gathered in front of the main building, Mr. Frank Warner, boys' worker, had them sing "How Dry I Am," after which he took their pictures.

Some of the remarks of the day were: "I think that is the best initiation that the Senior Hi-Y has ever had"; "Wouldn't that boy make a pretty girl."

The new members who had to stand the initiation of the day were: Edward Michaels, Jack Wimbish, Bernard Gilmer, William Spradlin, Guy Hope, Edward Chalmers, Wallace Jones, and Lynn Davis.

GREENSBORO LOSES TO LEAKSVILLE GIRLS

The girls' basketball team met the Leaksville team at Caldwell gym Friday, March 15, at 8 o'clock. There was a tie until near the last, when Leaksville won a free throw for a foul on Greensboro. They made the goal, making the score 23 to 22 in their favor as the final whistle blew. Steadman and Hardin were the stars. The lineup was as follows:

Leaksville	Greensboro
Knight	Cram
	F.
Marshall	Steadman
	F.
Pratt	Goodwin
	F.
Glasgow	Bowles
	G.
Brooks	Hardin
	G.
Lowell	Hartscock
	G.

This ended the basketball season for girls. Miss Moore said that this season had not been very successful, but she hoped for greater success next year.

GREENSBORO GIRLS COMPLETE COURSE

13 Freshmen, 11 Sophomores, 11 Juniors, and One Senior Receive "G's"

FRESHMEN PARTICIPATE

Thirty-six Greensboro High School girls completed three months' training during the fall semester. Miss Evelyn Martin, faculty adviser, says approximately eighty girls have begun training this term.

Thirteen of the girls finishing the requirements for a "G" were freshmen; eleven were sophomores, eleven juniors, and there was one senior among the number.

Miss Martin says she is well pleased with the co-operation given her this year. She said that she was especially glad to see so many freshmen participating in the training. There are twice as many first and second semester girls in training as there are girls from all other semesters.

Margaret Kernodle, student manager of this activity, urges all girls who have broken training to report their "breaks." She also wishes all who have finished training this semester to see her in order that she may give them credit for having completed their record.

All girls who wished to receive 20 points for three months of training were required to begin not later than March 8.

MONOGRAM CLUB HOLDS MEETING AT CALDWELL

Boys of Track, Soccer, Baseball, and Boxing Are Initiated Into Club by Old Members

Boys of track, soccer, baseball, and boxing met at Caldwell School Wednesday, March 20, at 7:30, to be initiated. They were first blindfolded and led to various places. All of the boys were commanded to get on their knees and sing many songs. There was an occasional lick with a paddle to let them know if they were doing just right.

The boys were marched to the Carolina Theatre, and some of them had to make love, another broadcasted a basketball game between Greensboro and High Point. The rest had to "Praise Allah." There were many spectators who watched the curious actions of the boys.

They were then led back to Caldwell School and welcomed into the Monogram Club.

MITT AND MAT MEN END SUCCESSFUL SEASON

Although no meets were won according to the scoring table, our wrestling and boxing teams were victorious in view of sportsmanship, and with that as an incentive the squads will be able to put out an all-star representation next season.

The best meets of the program were with Durham and Winston, with close scores. A good showing was made against Lowe's Grove and Leaksville.

The school is greatly indebted to Captain Pope for his fine work and unlimited energy in putting the squad on a good footing. The team will miss nine members next year, yet it will have one man well able to assume the role of pilot, Hiram Bell, next year's captain.

That you may be loved, be amiable. —Ovid.
