

## G. H. S. BASKETBALL FIVE WIN CLOSE STRUGGLE 27-24

Whitt and Norman Shine in Salisbury Game—Curtis Scores High.

### BEAT MEYER'S TEAM 31-10

This Breaks Losing Streak in Which G. H. S. Lost Five Games in a Series.

The Greensboro high cage team broke their losing streak and defeated Salisbury in a close game, last Tuesday night, 27-24. The reserves also came across and licked the Meyer's team 31-10.

The local quintet played, at times good basketball, and at times rather ragged ball. Salisbury was always in the lead when the score 22-21, Baker drew two foul shots. But he missed, and Norman and Witten rallied and held the Salisbury five down until the end of the game.

McQuage was high scorer with eleven points. Baker, also of Salisbury, rendered able assistance, with some excellent play.

Curtis was a flash in the Greensboro offense, and put the ball in the hoop for the first goal, a few seconds after the tip-off. Whitt showed up well also, on the offense, and for awhile the local boys were clicking off, as they have seldom done this season. Witten, who looked like a small streak down the floor, carried his part of the plays very well. Morris and Curtis, veteran guards, were working at their best against Salisbury. Curtis was high for G. H. S. making eight points.

McQuage and Goodman, Salisbury forwards were always dangerous, and when they got loose, the fire works usually started.

An odd feature of the game: Whitt started out as acting captain and was forced out with four personal fouls; Morris was appointed to take his place, and he was also forced out with four personals.

In the opener, in which the reserves snowed under the Meyer's five, Fesmire was the star with fourteen points to his score. Durham led the Meyer's team in scoring.

The line-up:  
Varsity line-up

Greensboro	Pos.	Salisbury
Nicholson	f.	(2) Goodman
Witten (2)	f.	(11) McQuage
Whitt (7)	c.	(3) Collet
Curtis (8)	g.	(7) Baker
Morris (7)	g.	Harris
Greensboro subs:		Norman (3), Burroughs, Salisbury: Reeves, Julian (1).
Referee, Harrison.		

Reserve game:  
Reserves Pos. Meyer's

Nance (4)	f.	Turner
Fesmire (14)	c.	(2) Ferree
Carr	f.	Lewis
Goodwin (3)	g.	(8) Durham
Byerly (2)	g.	O'Neal
Greensboro subs:		Hunter, Phillips (5), Sockwell, Thompson, Nowlin (1).
Referee: Paris.		

## G. H. S. GOLF TEAM CLOSES FOUR MEETS

Four meets have been closed for the golf team today. Charlotte wants one here, and one there, and High Point wants one here, and there. Negotiations are under way at present, to get a tri-city meet, with Charlotte, High Point, and Greensboro competing.

There is a petition at present before the executive committee of the Greensboro Country Club, to give the school golf team the use of the golf course. If the petition goes through, the team will commence practice around the first of March.

## BASKETBALL SQUAD

Reading from left to right: Harold Nicholson, Emory Carver, Charles Shaffer, Elmer Wreim, Bene Curtis, "Red" Whitt, Boyd Morris, Jack Burroughs, Jack Norman, Harry Phillips, and Coach Belding.

## BOTH G. H. S. TEAMS PLAY AT CALDWELL

Boys Expecting Hard Fight From Asheville—Alexander-Wilson Has Strong Quintet.

### PLAYERS IN GOOD SHAPE

There will be a double header basketball game, Friday night, February 14, at Caldwell gym at 7:30 o'clock. The girls will meet Alexander-Wilson and the boys will play Asheville.

The Asheville visitors are extra good this season, rating second in the Western conference, with one game lost and six won.

In the first game between Greensboro and Alexander-Wilson, Alexander-Wilson won, however, general reports have it that the opponents' team is much stronger and better this year than last, and Coach Brinkley is grooming her charge for a tough struggle. Cram, center, is expected to play her usual good game and fans are looking to McCollum, flashy forward, to produce some action also.

The probable line-up:  
Girls Pos. Boys  
McCollum ..... f. Witten-Burroughs  
Butler ..... g. Norman-Nicholson  
Cram ..... c. c. c. Whitt  
Byrd ..... cg  
Ray ..... g. Curtis  
Holtz ..... g. Norman

## LOCAL GIRLS FORM SCHOOL HIKING CLUB

Meet Physical Education Director Saturday, February 8, and Hike Six Miles on High Point Road.

Margaret McCollum, Carolyn Hay, Evelyn Strader, Mary Butler, Virginia Brown and Margaret Byrd formed the hiking club last Saturday, February 8. At this time they hiked about six miles on the High Point road. They met Miss Brinkley, physical education teacher, at the Central High at 10 o'clock last Saturday morning, and after hiking until 4:30, they went to the bowling alley where they finished the day.

This is a new organization here in the school, and Miss Brinkley, expressed herself as wishing that more girls would enjoy its benefits and pleasures.

A hike to Sedgewick is planned for the next time.

Charlotte has so far won every conference game that they have played. Asheville is next with Greensboro third from the bottom.

	Won	Lost
Charlotte	9	0
Asheville	6	1
High Point	4	4
Winston	3	4
Greensboro	3	5
Salisbury	1	6
Gastonia	1	7

Despite the waning of the season, Coach Belding is still searching for the right scoring combination. He does not seem to have found it so far. And something will have to turn up, or the Asheville game tonight will be just another case of "too bad." Asheville has an unusually powerful team this year.

Of our basketball team, all but Witten and Nicholson have at least one letter. Norman, Whitt, Curtis and Morris, have basketball letters. Burroughs, Whitt, Norman, Curtis and Morris have football letters. Whitt, Morris, and Curtis have baseball letters. Norman has also won a G in track.

This seems to us significant; that practically all the letters go to small group of athletes. And it is our belief that there are athletes very nearly as good as those that wear the big G, that have never "gone out."

That is one reason why we are backing the new golf team. It will attract boys, who have never participated in school sports before. And here and now we will say: "Here's to success for our golfers!"

If you did not go to the fight with Leakville, on the seventh, just ask someone that did, and ten to one they will tell you that measured in entertainment, that was just about the biggest quarter that they ever spent.

Now the boxers and wrestlers do not get major letters. But do they not put out as much in training and maybe absorb more punishment, than the participants in any other branch of athletics?

If you believe that these boys deserve major letters, then go to the meets yourself and get your friends out, too. If the team can draw the crowd, they will get the letters. There is no doubt about that.

## HIGH POINT WINS BASKETBALL GAME

Greensboro Goes Down by 31-16 as the Pointers Display Strong Game.

### G. H. S. IS NOT DANGEROUS

High Point High School displayed a consistent game Friday, February 7 on their home court to defeat Greensboro 31 to 16. In an early season game Greensboro nosed out High Point 14-12. In this game the Pointers showed a much improved team, being consistent at the basket and guarding the Greensboro players well.

Ridge, Moffit, and Willard, stood out for High Point, Ridge being the high scorer with ten points, closely followed by Moffit. Norman scoring eight points was the only Greensboro man to find the basket consistently.

Coach Belding rushed all reserve strength into the game in an attempt to stop High Point but the reserves were as helpless as the varsity.

Greensboro seemed to have lost its early season fight and was especially weak in scoring punch.

This was the sixth defeat, all in a row, that has been handed the Gate City five.

### HOW GIRLS PLAY FOOTBALL

Heard at the field house the other day as Miss Brinkley's sixth period girls' gym class began:

"If only girls could play football!"  
"You know," said one, "I used to be able to kick a football—but that was a long time ago—when I played with boys!"

"Well, you still do as far as I can see—play with boys!"

"All right, you sarcastic thing. But I do wish we could. I think I'd like to play end."

"And all you know about playing end is from going with one!"

"Aw, shut up and give me your compact!"

"That's just about what you'd say if we were out on the football field, and I was calling signals—'Aw, shut up, and give me your compact!'"

And from this conversation we have a most attractive picture of a fast, well-played girls' football game.

Coach Belding has arranged an individual merit competition schedule. Details are on the bulletin board.

## HI SCHOOL BOXERS AND WRESTLERS SPLIT TOUGH BILL

The Leakville Grapplers Win the Wrestling 10-9 With Two Falls.

### LOCAL BOXERS WIN 3-2

Allen, Moore and Parsons Take Their Bouts for Boxers—Bell, Gilmer, and Apple Win Wrestling.

Reversing the outcome of the first match, Leakville wrestlers came here, February 6, and won over the local grapplers 10-9. Then, also reversing form, G. H. S. boxers stepped out and produced their first win of the season, three to two.

### Leakville Takes the Wrestling

The first match was in the 105-pound wrestling class, between Slater, of Leakville, and Morrah, of Greensboro. The first four minutes were very even; each grappler nearly had his man, pinned once. Slater came back in the second period and won by a fall, total time seven minutes and forty seconds.

Out-matched in size and apparently in weight and age, Ben Avery put up a game fight, in the 115-pound class, against Shorter of Leakville. Shorter took a fall in six minutes and fifty-seven seconds.

In the 125-pound class, Goldston, Leakville wrestler, gave Gilmer a tough fight in the first period. Gilmer won the match by five minutes and five seconds time advantage.

C. Gillie, Leakville 135-pounder, grappled with Captain Bell, and lost by seven minutes and forty-three seconds time advantage, giving Greensboro a total of six points.

The last wrestling bout was a stall all the way through, with Vest of the Leakville boxing team doing the stalling. But Apple, sturdy 145-pounder, did his best to throw him, but couldn't keep him on the mat. Greensboro took the match by seven minutes and twenty seconds' time decision. But this match gave the meet to Leakville, with two falls, counting five points each, against three decisions counting three points each, for Greensboro.

### The Boxing Goes to G. H. S.

Allen vs. J. Gillie, Greensboro, and Leakville 115-pound "leather pushers," opened the boxing bill. After about the first minute they let boxing go and slugged. Allen seemed to have the edge, with numerous hard rights bounding off Gillie's jaw. When the bell for the start of the third round sounded, the referee announced that Gillie had withdrawn because of an injured wrist.

Another boxing bout in the same class followed, Allred, weighing 110 pounds representing Greensboro, and Roberts, 117, representing Leakville. This also degenerated into a slugging match, though Allred displayed some neat boxing at times. The fight went an extra round before the judges gave the decision to Roberts.

Moore, Greensboro; and Goldston, of Leakville, demonstrated some fast boxing in the 125-pound class. Both are clever boxers, with Moore showing the better use of his left. The decision went to Greensboro.

Bill Parsons, in the 135-pound class made his debut against J. Gillie of Leakville. Parsons displayed ragged boxing but hard hitting, and took the decision.

The next match was rather a mismatch. Wyrick, weight 133, was put against Vest, the Leakville captain, weight 148. Vest won by a t. k. o.

Vest agreed to box on exhibition against Clyde Justice, despite the fact that he had fought twice already. Justice won with a knockout in twenty-two seconds of the second round.

The next meet will be with Oak Ridge, here, next Tuesday night at the Caldwell gymnasium.
