TRACK TEAM TO GO TO DAVIDSON MEET

Abernethy, Norman, Goodwin, and Gunter Show Up Well in Time Trials.

LAMBETH IS MADE COACH

The Greensboro High track prospects have been brightened somewhat with the discovery of new material. The return of only four letter men, of whom none were distance and weight men, was expected to handicap the team. However, Jack Norman, one of the letter men, has discovered that he can throw a discus around a hundred and twenty feet, which is considered good in high school circles. Abernethy is showing much improvement from last year in the high jump. Bradley is showing up well in the middle distances, while Gregory, Martin and Douglas look good in the mile. Captain "Red" Goodwin, of course, is showing his old time form in the dashes. He and Jack Brown are getting good distance with the javelin.

Due to the fact that Coach Belding is coaching spring football, Mark Lambeth of Central Junior High has been appointed coach. He coached the team which won the state championship in 1927.

The inter-squad meet was not held as scheduled, but time trials were taken instead. Saturday the team is going to Davidson to compete in the annual invitation meet. Over thirty high schools have been invited. This is usually considered on the best feats of the season.

In the time trials Goodwin and Gunter turned in good times in 100 and 220. Nicholson and Kennerley, a new man, looked good in the hurdles. Bradley and Knight ran a slow quarter, but Bob Martin ran the half in 2:18. Gregory won the mile in five minutes flat, which is faster than the time which won at Davidson last year. Abernethy was off form in the high jump and went only five feet, two inches. Sockwell went five feet, one. The weight men and vaulters worked on form.

BE WORTHWHILE GIRLS STAGE HIKE TONIGHT

Miss Lena Strawbridge and Miss Mary Paris to Accompany Them to "Sleepy Hollow."

The hike will soon be here, So pack up your kit, And give a hearty big cheer.

The Be Worthwhile Girl Reserves will leave the Y. W. C. A. this afternoon for their jaunt to Sleepy Hollow, where they will spend the night under the chaperonage of Miss Lena Strawbridge, the director, and Miss Mary Paris, the adviser of the Be Worthwhile club. The girls will carry their own supper and blankets. They will return to Greensboro early Saturday morning.

They have long been planning an overnight hike, but, as it happens, each time something has prevented their going. The first time they planned one, a number of girls couldn't, thus they had to postpone it. The second time, they really were going, but on Friday, the set date, it just poured rain, and they couldn't go.

SPORT SPARKLES

With the addition of golf and swimming, we will have five sports at school this spring. This means that every boy in high school will be able to enter something.

The course at Charlotte must have been hard for our golfers. Their score were way above their average game. They will meet them again tomorrow at the Country Club. Let's all go out and watch the matches. Remember to be careful not to talk or annoy any of the players while he is in the act of making a shot.

Winston-Salem will open the local swimmers' schedule here next Friday. The meet will be at the Y. M. C. A. pool, and the boys will need all the support given them.

What about John Gunter beating "Red" Goodwin, our captain, in the 100 and 220 Saturday? Their event at Davidson will be watched with interest.

Abernethy in the high jump and Norman in the discus throw, are showing hidden talent. Luck to them at Davidson.

Where did Charles Shaffer get the nickname "Ott" and "Red" Whitt, "Goldenrod."

"Bunny" Wimbish, who was a member of the swimming team some years back, is assisting Mr. Routh in the coaching of the swimming team.

An unusual number of boys are out for tennis this spring. With the material Mr. Routh should turn out a good team. The stadium courts will be available April 1.

The thud of the piskin and slap of leather is being heard again. Heavy equipment has been issued and scrimmages have begun. Spring football should develop some dandy material for next year's squad.

By the way, it is probable that night football will be played here next fall. Also a game has been scheduled with Spartanburg, S. C., and it is liable that Kingston, Pa., will be added to the schedule.

Mark T. Lambeth is now coaching track while Mr. Belding is handling spring football. Coach Lambeth coached the 1927 state championship team.

The intra-mural baseball games that Coach Coltrane is sponsoring is a great idea. It gives every boy out a chance to play and may discover some good material.

Jack Brown and Julius Horney will assist Miss Brinkley with girls' track this spring. They will have charge of field events.

Do you suppose that girls can play golf? We'll have plenty of fun watching them try, anyway.

CAPTAIN BELL PUSHES PEANUT ON QUEER BET

Last Friday afternoon, Captain Hiram Bell of the high school wrestlers, entertained a number of students with a very creditable performance of "goober" pushing. This little act was the result of a bet that was made last fall between Bell, captain of the wrestlers, and John Moore, captain of the boxers. The conditions of the bet were: that the individual who made the least number of points in official competition for the entire boxing and wrestling season, should push a peanut (with his nose) down the front walk of the high school.

Unfortunately for Captain Bell, he lost to Captain Moore by a slight margin. Immediately after chapel Friday afternoon, the loser kindly condescended to fulfill his end of the bargain. Much to the merriment of the onlookers, the innocent little goober was shoved on down the walk.

G. H. S. IS HANDICAPPED

Newnam, Michaels, Carver and Venning Win One Point Each.

Last Friday, March 14, at the Charlotte Country Club, the Greensboro High golf team lost its initial meet with the Charlotte High team by the score of 16 to 4.

The scoring was based on who won the first nine, second nine and the total eighteen. Between two players it was possible for three points to be won or lost.

Due to an unfamiliar course, hard and very fast greens, the Greensboro golfers were handicapped very much. Newnam, No. 1 man of G. H. S., dropped his three points to Laxton. Michaels, No. 2 man, played an excellent game despite the new course. He shot an 82, for the low score of G. H. S., and he also won one point from McCannless. Carver, No. 3 of G. H. S. won one point from Boyles. Abernethy, No. 4 man playing Storm, who was low for the meet with 80, lost three points to him. Bill Venning, No. 5 of G. H. S. won one point from Ham of Charlotte, dropped one and tied the eighteen.

Summary:

| Individual | |
|---------------|------------|
| Charlotte | Greensboro |

TENNIS PAIRINGS DRAWN; ELIMINATIONS UNDERWAY

Hobgood, Money, Garrett, and Rucker Expected to Show Up Well in Eliminations.

FIRST MEET IS WITH SALISBURY

Tennis has started with a bang! Pairings have been made of the boys who are out for the team and much interest is being shown as to what will win the tourney. The first round was to have been completed Wednesday and the second round today. A consolation bracket has been made up for the boys who lose their first round.

The first meet is with Salisbury, April 4, here. A return match will be played at Salisbury April 25. Other meets will be with Winston-Salem, the state champions, Asheville, High Point, Oak Ridge.

Hobgood, a newcomer to G. H. S., is expected to show up well in the elimination, as are Money, Garrett, Rucker, who were members of the team last year. Mr. Routh is the coach this year and has plenty of material to work with.

The pairings are: Money vs. Sustare, Cartland vs. White, Hobgood vs. Dees, Champion vs. Phillips, O., Rucker vs. Seaton, Stallings vs. Taylor, Garrett vs. Bayer, Sullivan vs. Porter.

Did you ever here of the guy which ate tax 'n they came out thru his feet 'n tacked him to the floor? There lize a—ah moral, says I—Never eat tax. They are bad on the dejection.

HI BASEBALL TEAM PLAYS LEAKSVILLE

The Team Will Appear in New Uniforms—Gray With Purple.

PLAY WINSTON APRIL 5

The Greensboro High School baseball team will open their schedule March 29 playing Leaksville at Leaksville. The boys will be playing in new uniforms, grey with purple trimmings.

Two teams will be ready for use. These will probably be: first base, Clements and Edmunson; second base, Chambers, Captain, and Iddings; short stop, Whitt and Nance; third base, Ogburn and Davis; outfielders, Wharton, Shaffer, Paris, Bennett, Brown, Hartsock, and Moore; catchers, Morris, Riley, Geringer; pitcher, Curtis, Sadler, Vanstory, Smalley and Frazier.

Leaksville's strength is unknown, but they are viewed as a hard opponent to topple. Their team was fair last year.

Coach Coltrane is getting his team in readiness for the first conference, April 5, with Winston-Salem. He says that first base, catcher, and short stop positions are worrying him.

HIGH POINT SWIMMING MEET IS POSTPONED

Carver, Phillips, Allen, Horney Will Be the Main Entries of G. H. S.

TEAM TO MEET WINSTON-SALEM

The swimming meet scheduled for tonight with High Point has been called off on account of the opera that they are to present. The team will meet Winston-Salem next Friday, March 28, at the local Y. M. C. A.

Greensboro will enter a good array of swimmers coached by A. P. Routh. The dashes will be swum by Emory Carver, who tried for Olympics and is a member of the Penn Athletic Club in Philadelphia. Otis Phillips will enter the breast stroke, which he won at the state meeting in Durham last summer. The back stroke will be swum by Julius Horney, who has entered school after being out a short while. He has plenty of experience in this event. James Allen, third in the state meet, will do the diving. They will be supported by a strong group of swimmers including: Fritz Byerly, Joe Campbell, Bill Murphy, Hill Parsons, and Paul Hayes.

The order of events is: 40 and 100 yard, free style; 40 and 100 yard, breast stroke; 40 and 100 yard, back stroke; 160 yard relay and fancy diving.

Mr. Routh asks that all boys interested meet at the Y. M. C. A. every Tuesday, Thursday, and Friday at four o'clock.

The second prize of \$10.00 offered by the Guilford County Community Builders in their essay contest has been awarded to Bill Edgerton, Semester VI, whose subject was "Why We Should Patronize Home-Owned Stores." The announcement was made on Sunday, March 16, in the Greensboro Daily News.
