

# Pointer Team Takes Honors In State Meet

Ellington, Captain, Wins First Place and Cup for High Point; Harper and Creech Greensboro Stars.

## WINSTON IN SECOND PLACE

Locals Would Probably Have Come Nearer Top With Last Season's Runners, Koury, Miller, and Suttles.

High Point's cross country team took first honors in the state meet at Winston-Salem Friday, December 2, with a score of 33. Ellington, captain of the pointers, ran the 2 1-2 mile course in 13 minutes and 45 seconds. Winston-Salem took second place with a 61 count; Salisbury, 3rd with 63, and Greensboro 4th, with a 78 score.

Two Purple and Gold men, Harper and Creech, did exceptional running in the last mile when they came from the last ranks to the eighth and ninth positions which they kept for the rest of the meet.

### High Point Receives Cup

Medals were given to the first five men to finish and a cup to High Point. Greensboro's entrants in the meet were Harper, Creech, Meibohn, James, Neese, Lawrence, Archer, and Shultz. The locals would probably have come out nearer the top if the three outstanding runners of last season, Koury, Miller, and Suttles, had been back in the race.

### Ellington Wins First Place

The outcome of the meet was as follows: Ellington, High Point, 1st; Smith, High Point, 2nd; Holt, Old Town, 3rd; Hubbard, High Point, 4th; Holden, Winston-Salem, 5th; Kinney, Winston-Salem, 6th; Earnhardt, Salisbury, 7th; Creech, Greensboro, 8th; Harper, Greensboro, 9th; R. Earnhardt, Salisbury, 10th; D. Hubbard, High Point, 11th; Patterson, Winston-Salem, 12th; Wincaid, Salisbury, 13th; Meibohn, Greensboro, 14th; T. Ellington, High Point, 15th; Sigmund, Salisbury, 16th; Woodman, Salisbury, 17th; Flynn, Winston-Salem, 18th; Davis, High Point, 19th; Sandefur, Winston-Salem, 20th; Cook, High Point, 21st; Stone, Winston-Salem, 22; James, Greensboro, 23rd; Neese, Greensboro, 24th; Lawrence, Greensboro, 25th; Satterwhite, Salisbury, 26th; Williams, Winston-Salem, 27th; Archer, Greensboro, 28th; Shultz, Greensboro, 29th; Roberts, Salisbury, 30th.

# Basketball Season Brings Out Girls

The girls basketball team is being coached again this season by Miss Kate Robinson.

The large number of candidates reporting at the first practice were divided into two groups according to semesters to which the girls belong. All candidates coming from semesters three, four, and five report for practice on Tuesdays, Thursdays, and Fridays, while those from semesters six and seven are put through their paces on Mondays, Wednesdays, and Fridays. All practice sessions are held at the Y. W. C. A. gymnasium.

Although the team is minus a number of last year's stars, six of them are back this season. They are: Marion Woodman, Eva Mae Edmondson, Helen Ray, Jane Goodwin, captain; Eugenia Hay, and Katherine Ellison.

Girls out for the quintet are: Eloise McLean, Eugenia Hay, Letae Bartlett, Mary Jane Langston, Marion Woodman, Mary Moore Cavan, Annie Louise Gunter, Mary Elizabeth Schoolfield, Eva Mae Edmondson, Helen Ray, Agnes Butler, Barbara Payne, Jane Olegg, Garnet Byers, Martha Langreth, Martha Coons, Mervine Garrett, Ruth Whaley, Emily Sutton, Elizabeth Pollock, Elizabeth Davis, Jane Goodwin, Katherine Ellison, Rose Rogers, Hortense Jones, Kathleen Moore, Louise Goodwin, Barbara Behrman, Eleanor Kerchner, and Wilder Beckel.

## N. C. Girls Association Revises Point System

The N. C. Girls' Athletic Association has made changes over last year's requirements for the number of points to be received for activities in obtaining letters. The changes are: Membership on teams, 5 points; attendance at 75% practice, 10 points; participation in games, 5 points; participation in individual sports, 5 points.

For the local school letter 200 points are required and 400 for the state letter. For each additional 100 points over the number for state letter, a star will be awarded. The official emblem of the N. C. High School Girls' Association will be given to any girl winning four stars.

Under the new rules, swimming is not compulsory for earning the state letter.

## Back Flaws From the Whirlwinds

### Football Next Year

If we ever have a championship football team it should be next year! Although five boys are graduating that played on the varsity this season, the backfield and the line will be experienced players. Those graduating this year are Captain Elmer Wrenn, Frank Pittman, Charles Elder, Lawrence Wilson, and Bobby Chrysler.

### Gymnasium Being Erected

Hurray! A gymnasium for our high school. We've been needing one for a long time. That's something else to be thankful for in these depression days. The government is building it in order to put men to work. It will surely be a help to our basketball and physical education department.

### Basketball Last Season

Last season the whirlwind basketball squad won the North Carolina State college class A high school basketball tourney at Raleigh. The locals placed four men on the all-tournament quint. They were Wicker and Burroughs, forwards; Ike Fesmire, center; and "Red" Whitt, guard.

Last season the locals won 15 games and lost only three. The Winds were defeated for the class A Western Conference by Charlotte by two points. This game was the most exciting of the season. There were two extra periods and Charlotte came out on top by only two points. There were only nine men on the local quint.

### Basketball This Season

The Whirlwind quint will most likely have a pretty skeptical season this year, as only two of last season's men are back. They are Elmer Wrenn and Amos Shelton. Coach Belding is hoping to get the team into good fighting shape for the first game after Christmas.

### Prepare For Winter Sports

In a few weeks basketball, boxing, and wrestling will be under way for the winter season. Out of these three sports you should find one which will suit you. Come on out for your own sake and for your school.

### Credit Where Credit Is Due

There are always some fellows on every job who do good work and receive but little credit for it. In football this applies to the reserve squad. They are not cheered by the crowds, but they are out there every day, and without them we wouldn't have much promise for next year's varsity team. Every player on the reserve team is entitled to as much, if not more, credit than the first string men.

### What Is Sportsmanship?

Sportsmanship has been discussed and analyzed so frequently that it has become a threadbare subject upon which to discourse. This space is not taken for the addition of our opinions upon that subject but for the purpose of saying that one of the finest displays of united sportsmanship was seen (and heard) in the stands during the Winston game that has been shown at any meet of the season.

### Give Your Support

Our school sports need backing, not only by the faculty but by the students. Lack of backing of students is responsible for our high school not putting out champion athletic teams in the last few years. On the students depend the success of our sports as well as the success of the school. Backing up sports means not only attending our contests with other schools, which are as a sad fact, poorly attended; but it means that everyone who is able should go out for some form of athletics. I know of many boys here in the school who would surely be good athletes, but they say it is too much trouble, which is an open declaration of their laziness.

### Give the Boys Credit

The boys on the cross country team deserve more publicity than they receive. They work hard to bring honors to G. H. S. and should have credit for their ability. Between the halves, these athletes get out on the field and put forth every effort to win first place for their school. Sometimes they don't succeed, but the willing spirit is not downed by one defeat. These boys merit a place among the sport heroes of G. H. S.

### Quicken Your Wits

Now a personal word to those who prefer their laziness. Come on out and enter into some sport of which you are fond. It will not hurt you, if you are physically able. It will build you up, give you strength, and quicken your wits. Some of you may be diligent scholars and think that you cannot find time from wracking your brains over your studies to take part in sports, but remember that good health and a good physical body should be sought after above all because they are essential to happiness and the best mental work.

### Reserve Basketball Squad

Coach Belding has organized a reserve basketball squad. His quint corresponds to the reserve football squad. It is to get experience as new material. Only sophomores and juniors may be on it. Harry Wicker, last year's football and basketball star, is coaching this team. His squad will meet teams from Curry, Winston-Salem, High Point, Thomasville, Salisbury, and other high schools.

### Boxers Doubtful

Coach Hamilton's boxers are facing not so bright a season, with only three lettermen returning. They are Jimmy Tuttle, Jesse Moorefield, and Sam Rees. There will be plenty of hard work to get boxers in other classes in shape for the first meet after Christmas.

## Belding Favors Wrenn, Hester For All State

Both Boys Made Names In Gridiron Work; Elmer Remains In Spotlight as Basketball Captain.

In Coach Belding's opinion, two of the Whirlwind linemen have played sufficiently well this season to make the '32 all-state high school eleven. The two boys are Captain Wrenn, holding down the position of right guard, and Oka Hester at the pivot position.

### Steadiness Achieves Excellence

Both boys have done excellent gridiron work and have been included in every lineup this fall, their outstanding playing having been achieved mainly through steadiness. The past season winds up the high school grid careers of both Wrenn and Hester, but Wrenn will stay in the spot light for a while longer as captain of the Whirlwind quintet.

### Belding's All-State Lineup

The following lineups are Coach Belding's choice of the first and second all-state high school teams:

First Team	Pos.	Second Team
Brady, Charlotte	le.	Hardy, W.-S.
Smith, Lexington	lt.	Baldwin, Dur.
Copeland, Char.	lg.	Woodson, Sals
Hester, Greens.	cc.	Wilson, Salisbury
Wrenn, Greens.	rg.	Sapp, W.-S.
Ramsey, Sals.	rt.	Reid, High Point
Cheek, Durham	ore.	Cathey, Gastonia
Mock, Thomasv.	qb.	Gadd, Charlotte
Morris, Char.	th.	Harrison, Sals
Spain, Durham	trb.	Hackney, Dur.
Dickerson, Relds.	fb.	Smothers, W.-S.

## GIRLS' BASKETBALL SCHEDULE

- Jan. 6—Winston-Salem at Winston.
- Jan. 13—Walnut Cove at Walnut Cove.
- Jan. 20—Old Town at Greensboro.
- Jan. 27—Winston-Salem at Greensboro.
- Feb. 3—Alexander Wilson at Alexander.
- Feb. 7—Walnut Cove at Greensboro.
- Feb. 10—High Point at Greensboro.
- Feb. 17—Old Town at Old Town.
- Feb. 24—High Point at High Point.
- March 3—Alexander Wilson at Greensboro.

## Thirteen Scouts Receive Court of Honor Awards

Thirteen high school Boy Scouts received awards at the monthly sitting of the Court of Honor held in the courthouse. R. D. Douglas, president of the court, presided as the following appeared for recognition: Cutler Watkins and Walter Christian were advanced to second class, and Bill Vinson, Louis Hipp and J. T. Causey to first class.

Merit badge certificates given were: Cooking, Bill Vinson; firemanship, Scott Haynes, George Gibbs; first aid, Winfred Moore; handicraft, Scott Haynes, Bill Vinson and Louis Hipp. Metal work: Louis Hipp; swimming, Louis Hipp and James McIver. A. C. Holt was advanced to ordinary sea scout; Charles Mendenhall to star rank and Robert Simmons to five-year veteran.

## Football Injuries Prove Fatal to 37 So Far This Year; Less Than Usual

Football has again taken its heavy toll of deaths this season. Records today show a list of 37 players throughout the country who died of injuries received in games. This includes games played on sandlot, club, municipal, high school, and college gridirons.

Of these casualties, 17 were high school players, five college, and 15 sandlot, semi-pro, and club team competitors.

The new rules, made last spring in order to guard against such accidents, seem to have been successful in organized college and university teams. This is due to better coaching and stricter officiating under which they play.

## Ring and Mat Practice Begins

36 Boxers and 22 Wrestlers Come Out; Three of Former Men and Five of Latter Are Letter Men.

Although a large group reported to Coach Hamilton for boxing and Coach Jenrette for wrestling to represent G. H. S. this season, most of them are inexperienced.

Thirty-six reported for boxing, while twenty-two came out for wrestling on the first day of practice. Of the 36 candidates for boxing only three letter men are back: Jesse Moorefield, Sam Rees, and Jimmy Tuttle. Rees and Tuttle will be unable to take part for several days on account of injuries.

Coach Hamilton expects Moorefield to show up well, as this is his fourth year of boxing. Moorefield made an excellent record last year on the leather throwing team. He will fight in the 140 pound class and is one of the outstanding contenders for honors in the state meet.

Other men back, who were out of this sport last season, are: Vance McClintock, Hubert Rochelle, Jack Tuttle, Wilbur Smith, Robert Riley, Jack Davis, Joe Smith, Aubrey Haynes, and Ellsworth Gibson. All of these men should show up well this year. The new men are: Alton Brown, Charlie Benbow, Bill Brown, Andrew Schlosser, Joe James, James Crawley, Paul Elder, Haywood Allan, Jerry Thomas, Malcolm Goodwin, Charles Holt, Blondie Henderson, John Davis, Buddy Hyatt, Robert Simmons, Walter Lashley, and F. N. Southard. Candidates for manager are: Walter Hyatt, Richard Archer, Roland Fields, Jack Turner, and Ellwood Davis.

Coach Hamilton says that he can use several more men.

The wrestling team, under a new coach, has an edge over the boxing team by having Fred Koury, a state champion in his class, and four other letter men: Gerringer, Benbow, Douglas, captain of last year's team, and Bell. All of these look promising this season. Others who reported are: Lynn Goldman, Ward Callum, Percy Bostick, Howell Overton, Frank Polard, Frank Vanstory, Floyd Harper, Charles Archer, John Partin, Rigdon Grundman, T. E. Stewart, James McIver, Charles Lamb, William Nees, Talbot Wayne, Ed Showfety, Dwight Turner, Charles Southerland and Douglas Lawrence.

## Basketeers Now Training For Season

Belding's Men All Inexperienced Except Two Lettermen; Fesmire, Wrenn and Shelton Are Remaining Veterans.

## SQUAD LOSES MANY STARS

Coach Will Find Difficulty In Replacing Last Year's Machine; Jack Burroughs and Syd Kelly Will Not Return.

Coach L. C. Belding gave the candidates for the 1933 basketball squad at Greensboro high school their first workout of the season Friday, December 2, at the Caldwell gymnasium.

Only two lettermen are returning, and Coach Belding faces a hard task in putting out a team to equal last year's combination. Elmer Wrenn, who starred at guard, and Fesmire, a center last year, are the only two lettermen that will be back. Shelton played in a number of games last year but failed to make his letter and he is back this year with promise of becoming one of the Whirlwinds' best men. Jack Burroughs, "Red" Whitt, Jack Brown, Sidney Kelley, and Harry Wicker, stars of last year, will not play again this season.

## Interstate Hi-Y Conference Held At Columbia, S. C.

More Than Score of Guilford Boys Go to Southern City With Robert L. Coons to Work Out Problems.

A score of boys from the Guilford county Hi-Y club and other county organizations including five G. H. S. Hi-Y members as follows: Carl Jeffries, Edwin Jeffries, Paul Curtis, Harvey Hodgkin, Floyd New, and Claude Kirkman from Central junior high, attended the Second Interstate Older Boys Conference held at Columbia, S. C., on December 2-3-4. The adult leader for the Guilford delegation was Robert L. Coons, general secretary of the Greensboro Y. M. C. A. The delegation left Greensboro on Friday morning and returned Sunday afternoon.

For twelve years there have been Older Boys conferences held in North and South Carolina, but this is the second Interstate Conference.

The conference theme for this year was "Facing Life." The purpose of the conference is to help boys think through their common problems of life and at the same time to work out a philosophy of life that will be satisfying to themselves and adequate for building a Christian world.

Boys fifteen years of age and over, selected because of outstanding character, leadership, and Christian idealism, are sent as delegates to the conference. Dr. Henry N. Snyder, president of Wofford college, and Harry F. Comer, general secretary of the Y. M. C. A. at the University of North Carolina, were the speakers, and sixteen other men of recognized ability led discussions groups.

Mr. Coons was one of the discussion leaders. He used as his topic, Three Major Problems in High School, clean scholarship, clean sportsmanship, and clean habits.

R. D. Douglas Speaks  
R. D. Douglas, trust officer of the United Bank and Trust Company, spoke on banking at assembly.

He told how the banks served the people and made themselves self supporting.
