High Point Girls Trim Greensboro

High Point high school girls' baseball team trimmed the Greensboro high diamond 8-1 in the opening game of the season for both nines Thursday afternoon, April 6, on High Point's ground.

Although the Gate City girls put up some tough opposition, the Pointers managed to mark up a run in every inning but the third, while Coach Kate Robinson's team scored its lone tally in the seventh inning.

Summary:
Score by innings: R. Greensboro 000000 1-1 High Point 000000 x-8

Back Flaws From the Whirlwinds

Diamond Men Take 5 of 6 Games

The baseball team, under the coaching of Stanley Johnson, has certainly made a season of it so far. Out of the first six games, two with Guilford high school, one with the Mebane nine, one with Trinity, one with Guilford College reserves, and one with High Point, Greensboro won five of them by overwhelming victories. The tilt with High Point, the first in the race for the Western conference title, was also won by the locals with a 9-4 decision. If the boys keep up such work as this, Greensboro will certainly capture the state laurels.

All Cindermen Remain Eligible

Something unusual happened when the reports were given out several weeks ago. Of the nearly 50 boys out for track not a single one became ineligible because of poor scholastic standings. Coach Routh says that this is the first time any such thing has happened since he has been teaching here. Mr. Routh also announced that a meeting will be held in June to decide what subjects will help make the boys eligible for any athletics.

Pittman Pitching For Nine

Frank Pittman, former student body president and grid star, is now on the baseball team. He is working out in the pitcher's capacity and, from all reports, has been doing fine work on the mound. Good work, Pittman, but now show us what you're good in! Ever tried track? If you're as good in that as in football and managing the student body, what a wiz of a track man you'll make!

Bill and "Red" Still Going

Bill Wharton and "Red" Riley, two of Greensboro high's star baseball men of last season, are still doing outstanding work on the diamond. "Red" is catching for the Guilford College Quakers, while Bill is playing in the outfield for Oak Ridge Military Institute and doing some of the heaviest slugging of that team. Both boys contributed largely to the success of the local nine during the last season.

Shaffer Stars at Carolina

"Shorty" Shaffer, former football star of this school, has been receiving a lot of attention from football fans at the University of North Carolina. In the last of the spring gridiron battles last Friday, he led both the varsity and reserve elevens in scoring and did some of the most spectacular playing of the game. "Shorty" was one of the best players on the freshman team during his first year at Carolina and made the varsity in his sophomore year.

Now, Buck!

The entire Whirlwind baseball squad received quite a surprise Monday morning following the Mebane game the other Friday as Buck (Vagabond) Peake showed up on the campus with his hair finally cut.

Buck cultivated an extra heavy crop of wool on his cranium at the beginning of the season and said that he would not have it trimmed until the locals had won three more games after the Mebane victory, but it seems he finally weakened, and clipped his artist's wig.

It had been rumored among some members of the nine that the vagabond had been offered a position on the House of David team. Maybe he could not come to terms with the officials of the bearded boys and finally had to part with his wool. Are we right, Buck?

Happenings at Hy-Y

Mrs. Clyde A. Milner, of the faculty of Guilford college, stressed, in her talk to the Hy-Y Friday night, March 24, at the Y. M. C. A., "the value of having a margin," of giving to any task a little more time than is required.

In charge of the meeting was Edwin Jeffers, president of the association, who appointed a nominating committee to present at the next monthly session a list of officers for the coming year. They were: Paul Curtis, Franklin Wells, Ed Hill, and Isaac Grainger.

Mrs. Milner, who was presented by her husband, Dean Clyde A. Milner, of Guilford college, told her audience that a boy whose intelligence is not as great as that of one of his classmates may make better grades than they because he studies five minutes more on a subject.

The Hy-Y club heard Judge Earle Rives on Monday, March 27. "Scrubby" (as he likes to be called) spoke to the club on the criminal side of the court, explaining a person's punishment for carrying a concealed weapon. He gave several examples of persons he had tried for this offense who were released because of a good excuse and others who were punished.

Since his four years in office Judge Rives has handled some 28,000 cases; he emphasized the difficulty in inflicting the proper punishment, as each person has a different character and must be handled accordingly.

The club had as guests for the occasion: C. W. Phillips, principal of G. H. S., several male members of the G. H. S. faculty, and the Central Junior High School Hy-Y club, and the sophomore Hy-Y club.

reserves, had met Guilford high's teams twice, on local and on foreign ground, and defeated them by overwhelming scores. Besides these games they met and licked the Mebane and Trinity nines to make their season thus far undefeated.

Summary:
Score by innings: R. H. E. Greensboro 100-000 1-2 2
Guilford Reserves 200 010 204-5 8 1
Batteries: Parham and Gray; Raseby, Chappel, Shaw, and Lindley.

Whirlwind Diamond Men Down High Point Black Bisons 9-4

Greensboro to Enter State Track Meet at Chapel Hill

After clinching one victory and losing two other meets, Coach A. P. Routh's local cindermen will go to Chapel Hill this week-end to enter the state track meet for high schools which will be run off this Friday and Saturday at the University.

Coach Routh's boys have shown fairly good form in three meets held so far this season, and the Whirlwind cinder squad has a good chance of coping honors in the event. In the past three meets the locals have been up against some of the hardest competitors in the state, including last year's state champs from High Point.

In the opening meet of the year held in Memorial stadium here, Routh's team ran up to a large total of points to take the honors from Sanford and Reidsville in a triangular meet. Greensboro led the field with 72, Sanford came in second with 24, and Reidsville brought up the rear with 14 points.

The second meet was run off in Salisbury, and the Rowan county boys trimmed the local tracksters for the first defeat.

The last of the three meets was again held in the local stadium, and the state champion holding Black Bisons of High Point, walked off with the laurels in this event with Durham placing second and Greensboro third. The Pointers scored 68 points, Durham 42, and Greensboro 34 in this meet, the second triangular affair of the present season.

The local squad has been greatly handicapped by the lack of veteran material this year, as Elmer Wrenn is the only letterman returning. Wrenn, Bill Boren, and Oka Hester have been most outstanding in point winning this season and are being depended upon to bring in the most markers. The success of the team in the state meet this week will depend upon the ability of these men to show up well, and the rookies of the squad to come through with points.

Diamond Men Win Their Fourth Victory Swamping Trinity

Stanley Johnson's Baseball Nine Made Score 24-3 on Senior High Athletic Field; Hase Smith Stars for Locals.

Coach Stanley Johnson's diamond men won their fourth consecutive victory of the season Monday afternoon, April 3, when they swamped the Trinity high nine 24-3, on the Senior high school athletic field.

Leading the entire Greensboro attack was Hase Smith, third baseman, with four safe hits out of five times at the bat. These hits included a triple-bagger and a two-base hit. Sam Rees, in the local outfield, did some outstanding work for his team by clouding a heavy home run drive in his only time at the bat. His was the only home run of the game. Of the Whirlwind moundmen Julian Parham looked best, pitching three innings and holding the visitors down to no hits and no runs. Taking second honors in the box was Frank Pittman who did his first twirling of the year. He did not allow the Trinity players a run or hit throughout the final inning of the game.

Scoring the only runs for the opposing aggregation were Bouldin, first baseman, and Warren, at third base. Both boys made a run in the first inning, and Warren scored one in the third, which made up Trinity's total for the entire game. Box score and summary:

Local Nine Wins Opening Tilt of Western Group

Ed Clement Pitches Entire Game, Allowing Only 4 Runs.

H. CLEMENT BEST HITTER

Carroll Scores 3 Runs, Ray, 2, and Shelton, Wall, Smith and H. Clement 1 Each.

In the first scheduled tilt of the Western conference race for both nines Coach Johnson's men licked the High Point team 9-4 Friday afternoon, April 7, on the opponents' field.

For six innings both teams fought a scrappy battle with neither showing any advantage over the other. In the seventh, when Weston, a High Point pitcher on the mound for his first time, became wild and issued three bases on balls, walking one man home who had singled, and leaving the bags full for the next pitcher, Culler, to take his place.

Ed Clement pitched the entire game for the local boys and was touched for only eight hits. He did some tight playing in the pinches, and, with the team's support, allowed only four runs to be scored.

Hughes Clement, short stop, led the hitting of the Greensboro boys with three hits. Ernest Ray, centerfielder, scored two safeties, and Amos Shelton, Lee Wall, Hase Smith, and Hughes Clement turned in one run each.

Tennis Practice Sessions Opened

Squad of 22 Candidates Report to Coach George P. Cobb For Initial Workouts; Intra-Mural Matches to Begin Soon.

Initial workouts for 1933 tennis season began Tuesday afternoon, April 4, on the high school courts as a group of 22 candidates reported to Coach George P. Cobb for the opening drills. The first practice session consisted of only light drills, with the candidates going through limbering up exercises and getting the feel of the rackets. At that time no definite schedule had been worked out for the team, but Coach Cobb announced that there was a possibility of matches being arranged with Winston-Salem, Guilford, High Point, and other racket teams in the state. He also planned to begin the intramural matches at the school within a week or two after the first practice.

Candidates who reported to the first drills were: Louis Gatewood, Archie MacDaniels, Melvin Apple, John McCurry, Howard King, Gray Hunter, Sam Clayton, Giles Foushee, Dick Mitchell, Paul Curtis, Lyman Golding Charles Hudson, Ed Douglas, Jack Staples, Melvin Phillips, Arthur Cooke, Charles Banks, Ray Drain, Owen Cooke, Frank Beacham, Dick Klingman, and Jack Corley.
