Purple Whirlwinds Will Meet Raleigh Hi Tonight

RIVALRY IS KEEN

G. H. S. Gridiron Performers Are Prepared to Put Up Strong Battle.

AT MEMORIAL STADIUM

The Visiting Aggregation is Defending Champion of the Eastern Class "A" Conference.

The Purple Whirlwinds will attempt to halt the march of a strong band of Raleigh High School gridirers in the second contest of the season at Memorial Stadium tonight. The kickoff is scheduled to take place at 8 o'clock.

Undaunted by the heart-breaking 6 to 0 defeat at the hands of Reidsville High last week, the Purple and Gold gridiron performers are prepared to put up a strong battle in tonight's encounter with the powerful Capital City eleven. It will be remembered that the visiting aggregation is defending champion of the Eastern class "A" conference and that they lost a thrilling 13 to 12 decision to the strong Charlotte High eleven in the state championship tilt at Chapel Hill last season.

Ray Gregson, head coach of the Capitals, has a veteran combination to put against the Whirlwinds tonight. A starward forward wall, built around Jimmy Allen, sensational pivot man, is the mainstay of the visiting team, and their line is flanked by two of the finest ends in state high school circles, Alvin Phillips and Tom Gould.

Preacher Weeks, triple-threat quarterback, will be the main cog in the Caps' offensive attack. Allen, Weeks, and Gould were the dominating factors in Raleigh High's 27 to 6 victory over a formidable Apex High eleven last week.

Coach Bob Jamieson, none too pleased with the performance of the Whirlwinds against Reidsville last Friday, will likely make several changes in the local's starting lineup for tonight's clash. The Whirlwind's team is very uncertain, but Bob Denny, lanky end, and "Pinkie" Reddick, guard, who

JACK RICHARDSON IS NEW SOPHOMORE HEAD

Is Chosen at Election Held Last Week in Ten New Sophomore Home Rooms.

HAS MOST OUTSTANDING RECORD

Jack Richardson was elected president of the incoming sophomores last week when members of the Student Council conducted an election of semester officers in the ten new sophomore home rooms.

Jack, who was opposed by Allen Darby, Anne Holmes, and Irene Current, won the coveted office by a close margin. He has been outstanding throughout his entire school career, having been a candidate for the office of president of the student body his last year at Central Junior High School.

Other officers of semester three were elected as follows: Vice-President, Theresa McCormick; secretary-treasurer, Daphne Lewis; and council representative, Douglas Hunt. All of these officers have been outstanding in scholarship, leadership and character.

The nominees were selected by a nominating committee composed of one representative from each of the ten new home rooms, who worked under the direction of Ed Hipp and Miss Jesse Belle Strickland, one of the faculty advisers for the new sophomore group.

Teachers to Be Honored at Banquet

The G. H. S. teachers will be the honorees at a buffet supper given for them by the P. T. A. on Tuesday evening, at the Masonic Temple. This entertainment will be in the nature of a fellowship meeting, and plans for the year's work may also be discussed.

G. H. S. FACULTY IS AUGMENTED BY 13 ADDITIONS TO LIST

Largest Number of New Instructors Experienced for the Past Several Years.

ALL WELL RECOMMENDED

Marriages, Resignations and Transfers Took Heavy Toll from Last Year's Faculty Roll.

Since marriages, resignations, and transfers took such a heavy toll on last year's faculty at G. H. S., there are 13 additions to the school teaching force this year. This is the largest number of new instructors to begin the academic term here for the past several years. Of this group two are teaching English; three, history; two, math; one, home economics; three, commercial subjects; and one, woodwork.

The two new members of the English department, Miss Pike and Miss Harbison, are both experienced teachers. Miss Pike has taught in this school before, but was on a leave of absence during the 1937 spring term, while she was working for her M.A. degree in English at the Peabody College in Nashville, Tenn. Miss Harbison comes direct from Shelby, where she has taught for several years. At the high school there, she gave the students extensive training in dramatic art, and this year she will be Miss Lottie Wall's assistant in dramatic work here.

Miss Moser, Mr. Aycock, and Mr. Thomas, all of whom are members of the history department, are somewhat new to the field of teaching. Miss Moser, who has just completed a graduate course at the University of Chicago, has had one year of teaching experience; however, Mr. Thomas and Mr. Aycock, both of whom are 1937 graduates of N. C. State College, are beginning their first year as pedagogues.

Miss Dorothy McNairy, of the math department, is not entirely unknown to the students at this school. She taught here several years ago, but has been

VIRGINIA BOREN NAMED AS FOOTBALL SPONSOR

Was Elected by Purple Whirlwinds Last Week to Serve During Present Grid Season.

IS AN HONOR COVETED BY ALL

Virginia Boren, a semester seven student, was elected by the Purple Whirlwinds last week as sponsor for the football team this year. Virginia made her official debut at the Greensboro-Reidsville game when she carried the football out on to the field and presented it to Captain Charles Baker for the kick-off.

This is a position which many girls covet. One of the honors of this position is to attend the football banquet given at the end of the football season by some city business man. The sponsor and the head cheerleader are the only girls present at this celebration.

Faculty Club Selects Officers

At a meeting of the Faculty Club held last week, Mr. Herbert Hucks was elected president, succeeding Miss Virginia Colman. Other officers selected to serve this year are: Miss Lottie Wall, vice president; Miss Louise Smith, secretary; and Miss Dorothy McNairy, treasurer.

The chapel programs this year will be planned and directed by a chapel committee composed of Mr. Stanley Johnson, faculty chairman, Miss Mary Ellen Blackmon, Mr. Raymond Brietz, Ed Hipp, and Marty Cockfield, student chairman.

Miss Eunice Kneese will supervise the series of high school radio programs, with the assistance of Mr. Raymond Brietz, Mr. W. B. Aycock, and Mr. Stanley Johnson.
