

# WINDS ENGAGE BISON NEXT - - - NIP CATS

## Fruitt Leads Locals As Greensboro Cops Charlotte

### Runs in 5th and 7th Frames Give Purples 4-2 Margin for Win

Coach Stanley "Jabbo" Johnson's Whirlwinds nipped a Charlotte Central high ninth inning rally in the bud Tuesday to go on to win from the Wildcats by a 4-2 score in the first official baseball game of the G. H. S. season.

Fruitt, Wind catcher, led both teams at bat and was superb on defense. Fruitt collected three hits for four trips to the plate, one being a double. The entire Central team collected only five hits off Gene Gottschalk, local ace, while Greensboro registered nine safeties off Joe Moody, Charlotte moundsman.

The locals made four costly mistakes, which resulted in Charlotte's two runs; Central was errorless.

Groome and Warren were exceptionally outstanding for Greensboro, while Moody, pitcher, was Charlotte's main cog, fanning 11 batters, and driving in one of the two runs. Gottschalk struck out five batters.

### G. H. S. SPORTS SCOOPS

By LEWIS THORNLOW

Gauldin, Summerfield pitcher, certainly belted the old horsehide — eh, Whirlwinds? He's okay as a hurler, too. . . . Bennett Newell really hit that ball against Summerfield last week—he's a good fielder also. . . . Charlie Teague, regular Whirlwind second baseman, returned to school a couple of days ago minus his tonsils. "How you feel, Teeter?" was the first question asked him. "Okay," was the answer, "only thing wrong with me is that I'm hungry—they won't let me have anything to eat." Hurry up and get back on the diamond, Charlie. . . . If Coach Johnson expects to use Vernon Lamb in that Whirlwind lineup this year, he had better keep him in a padded cell until game time. Lamb is just getting over a severe cut on the right hand fingers, which occurred while he was scuffling with Rene Turner, and also a badly sprained ankle, obtained while sliding into a base in practice—he missed the game with Summerfield. . . . Wonder if Coach Johnson has ever gotten Jim Wolfe and Cotton Morris out of the habit of jerking their arms just before they hit the ball? . . . Coach Robert Jamieson is the only person we know of who can talk a person out of a ping-pong game—if you don't believe he can do it, just ask Joe Winner—also ask him how many sodas he has lost in the past few days. . . . Ben Hogan can certainly snack a golf ball—69, 68, 66, and 67 is pretty good—good enough to win \$1,200 first prize money in the Greater Greensboro Open, and be just nine strokes better than his nearest rival—and then look at his Asheville feat! . . . What the amateur golfer said to his caddy after he had missed the ball three times in a row—"Tough course, ain't it?" . . . Lawrence Reep requests that the school obtain a couple of WPA workers or a rake. Well, the guy's got to have something to drag over the baseball field to get it smooth. . . . Well, folks, that's all—so, as the storekeeper said to the lady at a bargain sale—"good buy."

Bennett (Little Slugger) Newell, Marshall (Playboy) Morris, and Tom Aydelette demonstrated methods of playing the infield. Joe Winner and Jack Touchstone showed the art of pitching, while Jim Wolfe and Carlyle Groome gave some outfield pointers. In a few days the boys will be able to see themselves on the screen.

While exploring in Death valley, College of the Pacific students keep in touch with their campus by short wave radio.

GOOD FIELDER—Vernon Lamb, a newcomer to the Whirlwind baseball squad, who will probably hold down the short stop post this year.—(Photo by staff photographer, Solomon Kennedy.)

### Whirlwinds Open Season With Loss

#### Both Teams Get 12 Hits—Contest Played On Wind-Swept Field

Playing on a rough, wind-swept field, on a day really too cold to play baseball, the Senior high Whirlwinds lost their first game of the present season to a strong, well-seasoned Summerfield squad by a 10-6 count.

Gauldin, Summerfield pitcher, led his team at the bat with four safeties out of five times at bat—a single, two doubles, and a triple, resulting from his sick work. Novell, second baseman, led the locals at the plate with a single and two doubles for five trips to the platter. Summerfield made eight errors, the locals seven, while both teams collected 12 hits apiece.

Coach Johnson was fairly well pleased with the way his boys played. The locals used four pitchers and substituted frequently. Summerfield used only one pitcher and made two substitutions.

Score by innings: R. H. E. Summerfield 1 0 2 1 0 2 1 0 3 —10 12 8 Greensboro 0 0 4 0 2 0 0 0 —6 12 7 Umpires: Poser, Swiggett, Lamb.

## Baseballers to Tackle High Point April 9

Greensboro high's Whirlwind baseball team will face an arch rival, the High Point Black Bisons, Tuesday evening, April 9, on the local athletic field. Although High Point was defeated by the Winds for the football championship, they gained a sweet revenge in basketball. Thus the baseball game will be the deciding or "rubber" contest.

how the Gate City lads to victory, with Carlyle Groome and Jim Wolfe applying the stickwork. Coach Stanley Johnson hasn't decided his starting line-up as yet.

Hussey to Pitch  
Of special interest is the fact that big Jack Hussey, football and basketball star, will lob the old horsehide over for the Pointers. Although not much is known about the furniture city squad, it is rumored that Coach June Scott has a powerful team to pitch against the locals. As usual, fireball Gottschalk is expected to el-

### Local Baseballers Become Movie Stars

Perhaps many students will not believe it, but Greensboro high's baseball team members became movie stars last week. Although they have not signed contracts with such colossal institutions as Metro-Goldwyn-Mayer, Columbia, or Twentieth Century-Fox, the boys have signed with a small one-man concern—the Hopkins Movie company, which boasts of James Hopkins as president, vice-president, and secretary. While practicing with his teammates last week, an idea came into the "movie producer's" head. Around him was much talent. Why shouldn't he get some shots of these boys in action? The next day saw Hopkins taking moving pictures of a whole practice session. When some of the Columbuses of the diamond discovered what was going on, they came rushing over and demanded "screen tests." Dick Harper,
