

Whirlies Meet Wildcats Tonight

Cavalcade of Sports

By Richard Whittemore

Well, Coach Jamieson and Coach Baker have started the Whirlies this season which shows promise of becoming one of their greatest in many years. Their running attack has not been stifled yet; and of the few passes that they have attempted, a large percentage have been completed for numerous gains. Tiny Burtner is having a wonderful time this year punting. Central Junior High's pride and joy, Lloyd "Bo" York, shows signs of filling Bob Watson's shoes in the extra-point department. Joe Attayek is his old self, a hard, pile driving, bull-dozer. Joe Attayek is at the left half back and his understudy, Berman Royal, was a defensive stand out against Raleigh. Nathan Hale would surely give his life for his team. Skinhead Enochs is the other back field man, and he really gives the opponents something to worry about with his deceptive running. Also, Bob is rated as "top-notch" pass receiver. The other back field men are: Arnold Leary, Bill Campbell, Clint Leggette, Rodney Harrelson, Bill Luper and Mickey Chamblee.

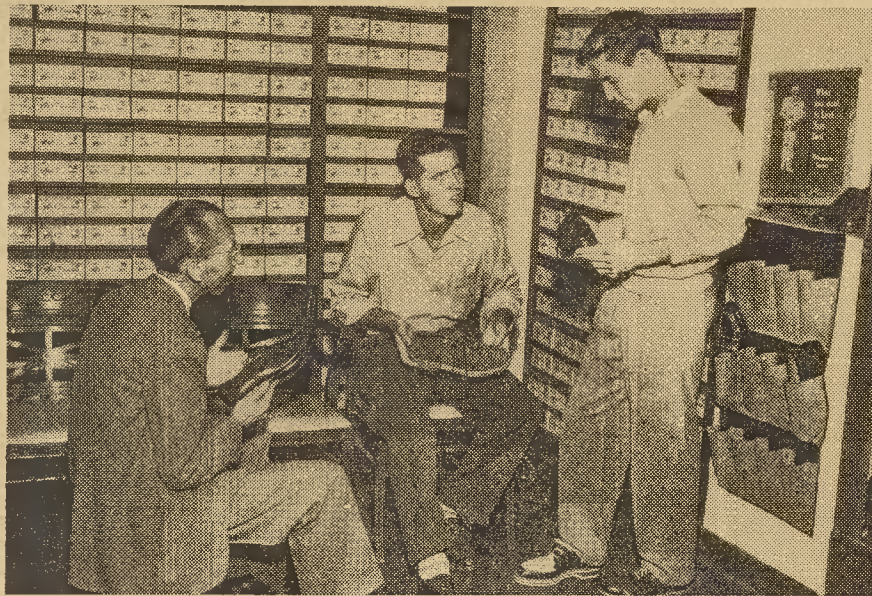

Only one player on the varsity foot ball team is a stranger to G. H. S. He is Rodney Harrelson who comes to us from Orlando, Fla. For the past two years he has played half back for his high school. Upon his arrival here, he was placed in the full back position behind Tiny Burtner, and he has done fine so far this season. This is not his first year of Greensboro football, as he played half back for Central Junior High a few years ago.

The line has done remarkably well; and they should, since they have such players as Leon Siler, and Jim Leonard up front. These two are the tackles, and they really live up to their position's name. On the left and right flanks are Charlie Phillips and Archie Morris. Behind these two stalwarts are Clarence Taylor and Ken Callendar. Bob "Golden Voice" Murray who could sing any opponent to sleep is the center; and John Usry, playing his first year on the varsity, is a capable replacement. At the guard spots are Bob Highfill and Jim Eller. Joe Kirkman and Bob O'Neal are ready to substitute on the shortest notice.

Fate has not placed many injuries on the team this year, although Bill Luper is out for the rest of the season due to the fact that he sustained a broken collar bone in a sand lot football game Sunday before last.

We should have a good team next year or year after next, too, because many of the line men are sophomores. By playing on the varsity this year, they are obtaining the much-needed experience to keep a good athletic team. Two of these "first year" sophs are Melvin and Self.

Remember Jimmy Finison and Charlie Thacker of last year's team? Well, after much thinking the two have decided to display their talents on the South Carolina gridiron this fall. Yes, this comes as a surprise to all because these boys had been expected to enter the University of Tennessee.

Pictured above are Clarence Taylor and Nathan "Sonny" Hale, who, for being announced as the best lineman and back respectively, are receiving their choice of new shoes at the Robert A. Sills Shoe Company.

Tonight when the ever-ready Greensboro Purple Whirlwinds journey to meet the always strong Central High eleven in their initial tilt of Western Conference play, the Whirlies will be out for revenge because Charlotte, for the past two seasons has ruined the locals hopes for an unbeaten season by edging them out, 13-7 and 6-0.

The other conference games this year are as usual with Gastonia, Asheville, Reynolds of Winston-Salem, Salisbury, High Point, and Burlington, intermingled with a non-conference game with a much improved eleven of Reidsville, which defeated High Point earlier in the season. The Whirlies' last game tentatively is with Mexico City here at the new stadium on the night of November 23.

Last year the Wilmington team journeyed to Mexico City and defeated them, and as everyone remembers, we edged our Wilmington this year. So, by virtue of this win, we'll probably gain the favorites role.

If the Whirlies have a good season, they may be invited to play in some bowl games against another strong team. If we all go out and help cheer the team to victory, they may achieve this aim.

Listed below is the remainder of the schedule for the football year:

Sept. 23—Charlotte	away
Sept. 30—Gastonia	home
Oct. 7—Asheville	home

Oct. 21—Reidsville	home

Smith Announced As New End Coach

Coach Jamieson and Coach Baker have a very able assistant this year in the person of Coach Smith, who was director of physical education at Gillespie Park Junior High School last year.

Coach Smith's most recognized feat was the building up of a strong football team at Gillespie. This team, usually weak, had a very good season under his supervision.

Mr. Smith will be the coach for the ends, and if any of these stalwarts receive all-state recognition, the credit will fall upon a man who is performing his first, and we hope, many a year as a coach at Greensboro Senior High School.
