## Clublicity "Blue Shorts"

By EVELYN SINK

By Barbara Moffitt

The W. S. T., a new girl's social club has elected Doris Irving, president; Barbara Hutton, vice-president; Leetta Highfill, treasurer and social chairman, and Nancy Pugh, youth center representative. Mrs. Irene Powell is adviser.

Other members are Shirley Mather, Pat Vincent, Jean Yandle, Beverly Hall, Cam Hunt, Jackie Aulbert, Barbara Wilson, Janie Stanley, Joy Covington, Jonnie Smith, and Merle Cates.

The club had its first social event October 26, in the form of a hay-ride. Each member brought refreshments for their dates.

New members taken into the D. D. T.'s are as follows: Pattie Vaughn, Betty Lane, Rita Schneider, Dottie Dillard, Jane Robins, Lane McGregor, Barbara Whittington, and Ann Wrenn. Newly elected officers are: President, Sallie Grey Hicks; vice-president, Sara Nell Maness; secretary, Hope Brown; treasurer, Elinor Wrenn; and social chairman, Mary Lane Clement.

Two new members were voted into the Les Soeurs club at their last meeting on Wednesday, October 4, at Betsy Bishop's house. These members are: Carolyn Beaver and Pat Thorpe. The three previously new members, Anne Kersey, Norma Veney, and Beverly Oden attended this meeting. The club now has its quota of 20 members. Plans were also made to sell the car that the club won in the Youth Center membership drive.

The Mariner Ship "Flying Cloud" really has some big plans in the making. A fine weekend trip to High Rock is coming up soon. October 31, they had a wonderful pajama party and really celebrated Hallowe'en in a big way. There were sleepy looking girls at school Monday morning after staying up till 5 a.m. The first week in November is National Girl Scout week and a city-wide service was held Monday afternoon, October 31. The regular meeting is on Wednesday night at West Market Methodist Church.

The LSP club sponsored a rally at the Youth Center Carnival featuring many valuable prizes, such as hose, candy, cakes, an alarm clock, a large teddy bear, orchid corsages and Argyle socks for boys. Also sketches were made by Georgia Smith's mother. The present project for the club is the cleaning and sorting of looper clips for the Tuberculous Sanitarium.

Although the speedball game with Curry scheduled for October 26, was postponed due to rainy weather, those good sports in blue shorts played this game on Wednesday, November 2.

Thus far no definite schedule of the varying games of soccer and speedball has been made, but the teams plan to play Winston-Salem here in Greensboro and High Point at High Point some time in the near future.

Within the next two weeks the intramural games will be finished and the one team winning, out of the three that played against each other, will be the winner of the soccer championship.

Recently the girls have had their mind and spirit mostly on the games of soccer and speedball, but they seem to be rather anxious to get back to that ever-loving sport of basketball, the famous game that seems to be best liked by all American girls.

At the end of the soccer games a honorary varsity team will be chosen from these three teams.

At a recent meeting, Pat Fargess, a junior, was elected to the council.

The next to last council meeting was held on October 18 at the home of Jan Richmond and after the council meeting, some of the mischievous stikken sports girls took the advantage of having Jan's flash-blub camera near at hand, and got an excellent shot of none other than their sports leader Miss Gabriel. (Anyone interested in seeing this picture please see Jan!)

The Athletic Council meeting of October 31 was held at the home of Rita Bumgarner.

Many of the girls who take physical education are very interested in different sports and are cooperative in the activities of the after school games.

Added to the physical education classes this year are many sophomore girls coming from the different junior high schools who are also cooperative and are willing and always waiting to participate in the sports.
