

Key Club Boys Publish Directory for Students

College Day Will Be Observed January 11

College day will be observed in order to give parents and students an opportunity to discuss with the college representatives details concerning college entrance. January 11 is the date set for the event.

All junior colleges and four-year colleges in North Carolina have been given the opportunity to send a representative who will discuss with students and parents the entrance requirements.

College Day is scheduled to be held before second semester so that seniors may be sure of entrance requirements of the college of their choice, and arrange their schedule accordingly. Conferences will be held between the hours of 9 and 1.

Torchlight members will act as hosts and hostesses and will accompany their guest to a luncheon which will be prepared and served by the Home Economics Department.

D. O. students are assisting in plans by taking care of the correspondence with the colleges.

Elinor Wrenn Is Elected To D. A. R. Convention

Senior High School will be represented at the State D. A. R. convention (Daughters of American Revolution) by Elinor Wrenn, daughter of Mr. and Mrs. O. I. Wrenn, 409 Scott Avenue, Principal A. P. Routh announced this week. Elected by both students and faculty, Elinor won by a safe margin. Two other girls in the semi-finals were Nancy Beale and Carolyn Birgel.

Basis of Award Stated

Each high school in North Carolina will send one representative to the convention which will be held in early spring. Last year Jackie Miles represented Senior at Asheville, N. C. The year before, Carrie Chamberlain won as state delegate and went to the national convention in Washington, D. C. Girls are selected on the basis of dependability, service, leadership and patriotism.

Scrapbooks Must Be Submitted

Each representative must submit scrapbooks of her honors during the four years of her high school career. These scrapbooks include pictures, newspaper clippings, honors obtained, offices held, and other information about the girl's career at high school. Elinor stated that her scrapbook must be completed and bound before Christmas. Scrapbooks are sent to the state chairman before the convention for judging.

Mrs. Frank Morgan, regent chairman of the Guilford chapter, is helping Elinor with the details of sending the book and other important factors. The scrapbook is to be sent to the D. A. R. official in Charlotte.

Bulletin

Santa came early last Friday, December 9, when the choir under the direction of Miss Eula Tuttle presented a program of music to the Civitan Club. To each member of the choir was given a gift; to the girls, each a scarf, and to the boys, a necktie. The gifts were presented by Mr. Hoyt S. Mobley, a member of the Civitan Club, as a token of appreciation of their fine music. The gifts came to the choir as a surprise.
